#### OFFICE OF THE AUDITOR-GENERAL

# REPORT OF THE AUDITOR-GENERAL ON CONSTITUENCIES DEVELOPMENT FUND-GATUNDU NORTH CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2015

#### REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of Constituencies Development Fund-Gatundu North Constituency set out on pages 5 to 38, which comprise the statement of assets as at 30 June 2015, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 8 of the Public Audit Act, 2003. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 7 of the Public Audit Act, 2003.

#### Auditor General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 9 of the Public Audit Act, 2003 and submit the audit report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the

Constituencies Development Fund – Gatundu North Constituency – Report and Financial Statements for the year ended 30 June 2015

and comply with the Public Finance Management Act, 2012 and Constituencies Development Fund Act, 2013.

#### Other Matter

#### **CDF Projects implementation**

The CDF had allocated a total of Kshs.154,082,239 to implement ninety seven (97) projects including 2013/2014 rolled over projects during the year under review. The status of the project implementation is as follows:

| Description                  |    | Approved<br>Projects | Budget-Kshs. | Actual<br>Expenditur<br>e-Kshs. | No. of projects<br>Implemented | Not<br>Implemented | Actual<br>as % of<br>budget |

| Total                        |    | 97                   | 154,082,239  | 147,385,476                     | 83                             | 14                 | 96                          |

The above analysis shows that out of the total budget of Kshs.154,082,239, the CDF utilized a total of Kshs.147,385,476 to implement eighty three (83) projects representing 96% absorption rate. No reason was given for the failure to implement the balance of fourteen (14) projects. Delay in implementation of projects affects service delivery to the residents of Gatundu North.

My opinion is not qualified in respect of this matter.

Reports and Financial Statements

For the year ended June 30, 2015

#### VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

## 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the CDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the CDF.

## 2. Recognition of revenue and expenses

The CDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the CDF. In addition, the CDF recognises all expenses when the event occurs and the related cash has actually been paid out by the CDF.

#### 3. In-kind contributions

In-kind contributions are donations that are made to the CDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the CDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

#### 4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the CDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

#### 6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The CDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the CDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

#### 7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

#### 8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2015.
