### OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON CONSTITUENCIES DEVELOPMENT FUND - KAJIADO WEST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2014

### REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of Constituencies Development Fund - Kajiado West Constituency set out on pages 4 to 25, which comprise the statement of financial assets and liabilities as at 30 June, 2014, the statement of receipts and payments, summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 8 of the Public Audit Act, 2003. I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor- General in accordance with the provisions of Section 7 of the Public Audit Act, 2003.

### Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 9 (1) of the Public Audit Act, 2003. The audit was conducted in accordance with International Standards on Auditing. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating appropriateness of accounting policies used and the reasonableness of accounting

estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

### **Basis for Qualified Opinion**

### 1. Cash and Cash Equivalents

The statement of assets and liabilities reflects a cash and cash equivalents balance of Kshs.9,780,375 as at 30 June 2014. However, this balance excludes cash in hand amounting to Kshs.597,000 as revealed by the cash book. Further, there was no board of cash survey report presented for audit review to ascertain the cash held as at 30 June 2014.

Consequently, the accuracy of the cash and cash equivalents balance of Kshs.9,780,375 as at 30 June 2014 could not be confirmed.

### 2. Transfers to Other Government Units

The statement of receipts and payments reflects a figure of Kshs.20,436,420 in respect of funds transfers to other government units for the year ended 30 June 2014. This comprises transfers to primary and secondary schools of Kshs.14,181,603 and Kshs.5,054,818 respectively. However, the Fund did not have detailed returns for the projects undertaken using the above funds.

Consequently, the accuracy of the transfers to other government units figure of Kshs.20,436,420 for the year ended 30 June 2014 could not be confirmed.

### 3. Other Grants and Transfers

The statement of receipts and payments reflects a figure of Kshs.25,768,150 in respect of other grants and transfers for the year ended 30 June 2014. This figure includes bursaries paid to tertiary institutions and secondary schools amounting to Kshs.7,927,000 and Kshs.5,284,700 respectively. However, the Fund did not have acknowledgements for the amount of money disbursed to the various entities.

Consequently, the accuracy of the other grants and transfers figure of Kshs.25,768,150 for the year ended 30 June 2014 could not be confirmed.

### 4. Inaccuracies in the Financial Statements

The following anomalies were noted in the financial statements:-

(i) The description of some items in the statement of receipts and payments do not agree with those in the notes, for instance committee meeting allowances, transfers to other government units and other grants and transfers in the statement of receipts and payments are referred to as CDFC expenses, transfer to other government and other grants and other payments respectively in the notes.

- (ii) The notes to the accounts exclude notes on related party transactions, management risks (financial, market and credit) and do not disclose whether any liabilities exist or not.
- (iii) The table of contents is incorrectly numbered.
- (iv) Most pages of the financial statements have headings which include figures that have not been explained.
- (v) There is a repetition of note numbers in the financial statements while some notes show the government financial services code numbers which are not necessary for reporting purposes. In addition, some pages do not indicate the constituency's name, kind of report submitted and the period of reporting.
- (vi) The financial statements include blank notes to the accounts which do not support any figure.

Under the circumstances, the accuracy of the financial statements for the year ended 30 June 2014 could not be confirmed.

### **Qualified Opinion**

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly in all material respects, the financial position of the Fund as at 30 June 2014 and of its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSAS) cash basis of accounting and comply with the Constituency Development Fund Act, 2013.

### II. STATEMENT OF CONSTITUENCY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, The accounting officer for a national government entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

The Fund Account Manager in charge of the KAJIADO WEST CDF is responsible for the preparation and bresentation of the Constituency's financial statements, which give a true and fair view of the state of affairs of the Constituency as at the end of the financial year ended on June 30, 2014. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with easonable accuracy at any time the financial position of the constituency; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial tatements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the constituency; (v) selecting and applying appropriate accounting policies; and

(vi) making accounting estimates that are reasonable in the circumstances.

The Fund Account Manager in charge of the KAJIADO WEST accepts responsibility for the constituences. financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS) and relevant legal framework of the Government of Kenya. The Fund Account Manager is of the -opinion that the KAJIADO WEST financial statements give a true and fair view of the state of Constituency's transactions during the financial year ended June 30, 2014, and of the Constituency's financial position as at that date. The Fund Account Manager in charge of the KAJIADO WEST further confirms the sompleteness of the accounting records maintained for the Constituency, which have been relied upon in the preparation of the Constituency financial statements as well as the adequacy of the systems of internal Tinancial control.

The Fund Account Manager in charge of the KAJIADO WEST confirms that the entity has complied fully with applicable Government Regulations and that the Constituency's funds received during the year under raudit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Fund Account Manager confirms that the Constituency's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting | standards Board of Kenya.

### PONSTITUENCIES DEVELOPMENT FUND - KAJIADO WEST CONSTITUENCY

eports and Financial Statements

70r the year ended June 30, 2014 (Kshs77,000,000.00)

### I. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and relevant legal framework of the Government of Kenya. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the Constituency and all values are rounded to the nearest thousand (Kshs'000). The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the Constituency.

### Recognition of revenue and expenses

The Constituency recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the Constituency. In addition, the Constituency recognises all expenses when the event occurs and the related cash has actually been paid out by the Constituency.

### In-kind contributions

In-kind contributions are donations that are made to the Constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Constituency includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

VIFICANT ACCOUNTING POLICIES (Continued)

### Receivables and payables

Receivables are funds due to the Constituency at the end of the financial year from the CDF Board and other sources but not yet received while payables are funds due to other parties at the end of the financial year but not yet paid. As receivables and payables do not involve the receipt or payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Constituency at the end of the year. When the receivables or payables are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

### Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Constituency's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the Constituency's actual performance against the comparable budget for the financial rear under review has been included in an annex to these financial statements.

### Comparative figures

This is the first year the Constituency is preparing financial statements and hence we do not have

### ubsequent events

here have been no events subsequent to the financial year end with a significant impact on the nancial statements for the year ended June 30, 2014.
