I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

II.FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

During the financial year 2019/2020 Kitutu Chache South Constituency was allocated a total allocation of Ksh. 137,367,274. The total amount was budgeted for in the proposal for the financial year and it was approved in totality. The constituency received a total of Ksh.123, 040, 875.50 this amount received includes amounts relating to previous year which had not been received. From the current financial year Ksh.68,000,000 was received.

On appropriation the constituency utilization was average, the constituency was able to absorb more than 50% of the total available funds. This was somehow lower than previous years, this lower absorption was majorly attributed to COVID 19 Pandemic which caused some institution which are fundable by the fun to be closed delaying disbursement of funds.

About 50% of funds allocated during the financial year was received. The chart below shows a representation of amount received from board the financial year in comparison to the amount not yet received is represented by the pie chart below; This representation is for 2019/2020 funds

From the chart it can be seen that slightly more than 50% of the 2019/2020 funds were still with the board at the end of the financial year.

The NG-CDF Committee prioritized the funds which were received and gave priority to projects in Other Grants and Transfers and Transfers to other government entities as well as transfers to other government entities. Most of these projects were done to satisfaction. The bulk of funds utilized in the financial were in bursary, education projects and other grants and transfers.

The table below shows the utilization proportion of various votes during the financial year.

The major emerging issue which arose during the year was the COVID 19 Pandemic, this pandemic affected the absorption rate of the fund since most institution where funding had been planned where closed i.e. schools, this affected bursary disbursement and project implementation.

The major challenge faced by Kitutu Chache South NG-CDF Committee during the year was shortage of technical person in construction at the county level which led to delayed preparation of construction documents i.e. Bill of Quantities, drawings as well as close supervision of projects by experts, this challenged sometimes led to poor workmanship in some project. To solve this challenge the committee has planned to employ clerk of works to assist in documentation and supervision.

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – Kitutu Chache South Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It’s what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. SUSTAINABILITY STRATEGY AND PROFILE

The Constituency Development Fund (CDF) as established by the CDF Act (2003). In January 2013, Parliament enacted CDF Act 2013, hence effectively repealing CDF Act 2003 as amended in 2007. The new law was also aimed to align the operations of the Fund to the new devolved government structure and the attainment of the vision 2030. The NG-CDF Act of 2015 is one of the devolved funds meant to achieve rapid socio-economic development at constituency level through financing of locally prioritized projects and enhanced community participation.

This was to be achieved by dedicating a specific portion of the ordinary Government Revenue to addressing felt needs of the local populations especially those that provide basic education, agricultural services and security.

To address the strategic issues, the overall objective is “*to reduce poverty and ensure equitable distribution of resources in the constituency*”. This will be witnessed in improved living standards for all inhabitants of Kitutu Chache South Constituency through high quality service delivery and accountability.

There are eight strategic objectives with specific strategies:

Community participation to CDF projects is anchored at the Ward level. The community through open public forums championed by the MP and CDFC Chair Person plans/ identifies and prioritizes development projects and democratically elects persons to represent them at the CDFC. The CDFC on behalf of the communities is mandated by the CDF Act 2013 to appraise, rank, cost and monitor implementation of the projects in accordance to the guidelines provided for by the act. The community through the Project Management Committees sustain the project upon completion by the CDF.

Kitutu Chache South NG - CDF has undertaken a comprehensive analysis of the anticipated risks likely to be faced at strategic, organizational, operational, financial and technological levels while implementing the Strategic Plan. Internal monitoring will be done on basis of a number of indicators, whose details are depicted in the implementation matrix

Environmental sustainability involves making decisions and taking action that are in the interests of protecting the community, with particular emphasis on preserving the capability of the environment to support human life.

Bullying – which means repeated, deliberate and targeted conduct by a person towards a staff member which is offensive, intimidating or humiliating and which detrimentally affects that member's well-being.

4. MARKET PLACE PRACTICES NG-CDFC

Fund was designed to support constituency-level, grass-root development projects. It is aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targets all constituency-level development projects, particularly those aiming to combat poverty at the

grassroots and entrench equitable distribution of development in line with the NG-CDFC Act 2015 provisions

The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government development Agenda at the constituency level.

a) Responsible competition practice. During projects implementation the office transfers funds to the Project Management Committees who are thereafter guided during tendering process, to ensure that the locals benefit competitively in the provision of services and materials to the projects.

b) Responsible Supply chain and supplier relations Payments to suppliers are done promptly upon presentation of requisite supporting documents

c) Responsible marketing and advertisement - outline efforts to maintain ethical marketing practices Advertisement for tenders is done publicly and no form of discrimination is applied to unfairly lock out interested bidders

d) Product stewardship in order to safeguard consumer rights and interests, the Kitutu Chache South NG-CDF came up with a service charter and the complaints handling policy, principles and procedures brochure. The service charter points out our commitment in ensuring that we provide

quality services to our customers with high level professionalism, dignity, integrity and courtesy, whereas complaints handling policy, principles and procedures shows our commitment to consistent, fair and confidential complaint handling and to resolve complaints as quickly as possible

5. COMMUNITY ENGAGEMENTS

Public Participation in Project Identification and Implementation and Monitoring The NG-Constituency Development Act 2015 stipulates in part 5 section 27 subsection 1 and 2 that the chairperson of the NG-CDFC shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the constituency to deliberate on development matters in the ward and in the constituency.

The NG-CDFC shall then deliberate on project proposals from all the wards in the constituency and any other projects which the Constituency Committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn from. There after the list of proposed constituency-based projects to be covered under this Act shall be submitted by NG-CDFC to the Board.

Public participation is the process that directly engages the concerned stakeholders in decision making and gives full consideration to public input in making that decision.

Public's engagement is a vital part of many projects and the benefits of it are well documented, such as better outcomes for all stakeholders, community ownership and lower project costs. When the public is involved in a project, they feel motivated to work together, recognize the benefits of their involvement and have ownership of the projects and the decision-making process, which is key to a successful project outcome and their sustainability.

Effective public engagement is about recognizing that involving the public in a project is no longer about information dissemination and telling the people what is being done, but is a two-way information sharing tool. The more views gathered in the process of making a decision, the more likely the final product will meet the most needs and address the most concerns possible.

Public Awareness This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community-based needs assessments and public awareness campaigns and holding community meetings

V. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-Kitutu Chache South Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-Kitutu Chache South Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *entity's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF-Kitutu Chache South Constituency further confirms the completeness of the accounting records maintained for the *entity*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

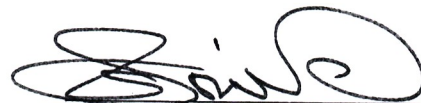

The Accounting Officer in charge of the NGCDF-Kitutu Chache South Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-Kitutu Chache South Constituency financial statements were approved and signed by the Accounting Officer on 30.09 2020.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KITUTU CHACHE SOUTH CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the financial statements of National Government Constituencies Development Fund - Kitutu Chache South Constituency set out on pages 19 to 54, which comprise the statement of assets and liabilities as at 30 June, 2020, and the statement of receipts and payments, statement of cash flows, summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Kitutu Chache South Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and Public Finance Management Act, 2012.

Basis for Qualified Opinion

Inaccurate Cash and Cash Equivalents Balance

The statement of financial position as at 30 June, 2020 reflects cash and cash equivalent balance of Kshs.35,273,688 as disclosed in Note 10A to the financial statements. Review of the bank reconciliation statement for June, 2020 revealed that reconciling items totaling Kshs.665,207 had been excluded from the statement. The Management has not provided an explanation why the same has not been written back to the cashbook and bank respectively.

In the circumstances, the accuracy, validity and completeness of cash and cash equivalent figure of Kshs.35,273,688 as at 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies

Report of the Auditor-General on National Government Constituencies Development Fund - Kitutu Chache South Constituency for the year ended 30 June, 2020

Development Fund - Kitutu Chache South Constituency in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review

Other Matter

1. Budgetary Control and Performance

The summary statement of appropriation: recurrent and development combined reflects final receipts budget and actual on comparable basis of Kshs.205,878,160 and Kshs.136,510,386 respectively resulting to an under-collection of Kshs.69,367,774 or 34% of the budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis of Kshs.205,878,160 and Kshs.105,660,179 respectively resulting to an under expenditure of Kshs.100,217,981 or 49% of the budget. Further, included in the Kshs.100,217,981 is Kshs.35,273,688 in respect to cash at bank, being funds released by the Board but not spent by the Fund.

Based on the approved estimates, under collection, under expenditure and failure to spend funds already released affected the planned activities and may have impacted negatively on service delivery to the public.

2. Workmanship of Projects Implemented

The statement of receipts and payments for the year ended 30 June, 2020 reflects transfer to Other Government Units of Kshs.39,000,000 as disclosed in Note 6 to the financial statements. Included in the balance is Kshs.20,050,000 transferred to Primary schools. Physical verification on five (5) projects with approved budget of Kshs.1,500,000 revealed that the projects were complete but had not been branded with the Constituencies Development Fund logo and the latrines had no doors. Further, inspection of six (6) projects with a budget of Kshs.5,400,000 revealed various anomalies as shown below;

| Project Name | Budget (Kshs.) | Activity | Status |
|--------------------------|-----------------------|--|--|
| Kanunda Secondary School | 700,000 | Construction of 3 classrooms to completion, foundation, walling, roofing, fixing doors and windows, plastering, flooring and painting. | Two classrooms complete and in use Not labelled |

| Project Name | Budget (Kshs.) | Activity | Status |
|-------------------------------|-----------------------|--|---|
| Nyanguru Sec. School | 2,400,000 | Completion of two classrooms on storied tuition block (Kshs.300,000) Plastering, flooring, fixing doors and construction Of three new classrooms to completion. Foundation, walling, suspended slab , fixing doors and windows, plastering, flooring and painting (Kshs.2,100,000) | Ongoing project Suspended wall constructed Pillars erected Doors and windows not fixed Flooring not done Not yet plastered |
| Matieko Secondary School | 700,000 | Renovation of two classrooms to completion, reroofing, Plastering, fixing doors and windows, flooring and Painting | Ongoing Project Not in use Painting not done |
| Bogeka Sec. School | 400,000 | Construction of one classroom, foundation, walling, roofing plastering and flooring. | Building constructed up to completion Plastering not done Flooring not done Not labelled |
| Nyakeogiro Secondary School | 500,000 | Completion of eight roomed administration block started by PTA; Plastering , flooring , fixing doors and windows and painting | Ongoing Project Doors and windows not fixed Flooring and painting not done Plastering not done |
| Ongícha Primary School School | 700,000 | Renovation of six classrooms to completion by re-roofing, Plastering, fixing doors and windows and painting | Plastering and re-roofing done The building is not painted In use and not labelled |

In the circumstances, value for money on expenditure on transfer to Other Government Units for the year ended June, 2020 could not be confirmed.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, , I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the

financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to abolish the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease sustaining its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

XII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-Kitutu Chache South Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

| 1.Funding of Devolved Government Functions | Included in other grants and transfers balance of Kshs.48,567,233 is Kshs.25,000,000 and Ksh.600,000 allocated to water and agricultural projects respectively. However following the enactment of the NG-CDF Act ,2015 on 16 th February 2016,the management continued to fund functions meant for the County Governments contrary to section 24 of the Act which states that the projects under this Act shall be respect of works, services falling within the functions of the national government under the constitution. | The funded water projects and agricultural project during the financial year 2016/2017 were project balances which had been approved in the year 2015/2016 and earlier which were ongoing. The Committee is now in process of handing over completed projects which fall under the county and | Fund Manager | Resolved | |
