I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided 'under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

Reports and Financial Statements

For the year ended June 30, 2020

Core Values

1. Patriotism – we uphold the national pride of all Kenyans through our work

2. Participation of the people- We involve citizens in making decisions about programmes we fund

3. Timeliness – we adhere to prompt delivery of service

- 4. Good governance we uphold high standards of transparency, accountability, equity, inclusiveness and integrity in the service of the people
- 5. Sustainable development we promote development activities that meet the needs of the present without compromising the ability of future generations to meet their own needs.

(b) Key Management

The NGCDF KATHIANI Constituency day-to-day management is under the following key organs:

- i. National Government Constituencies Development Fund Board (NGCDFB)
- ii. National Government Constituency Development Fund Committee (NGCDFC)

(c) Fiduciary Management

The key management personnel who held office during the financial year ended 30th June 2020 and who had direct fiduciary responsibility were:

N	Designation	Name
0		
1.	A.I.E holder	Raphael Makau
2.	Sub-County Accountant	Everlyne Omungala
3.	Chairman NGCDFC	Phillip Ndolo
4.	Member NGCDFC	Agnes Muasya

(d) Fiduciary Oversight Arrangements

The Audit and Risk Management Committee (ARMC) of NGCDF Board provide overall fiduciary oversight on the activities of NGCDF ~KATHIANI Constituency. The reports and recommendation of ARMC when adopted by the NGCDF Board are forwarded to the Constituency Committee for action. Any matters that require policy guidance are forwarded by the Board to the Cabinet Secretary and National Assembly Select Committee.

II.FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

The budget performance was below 70% when the actual expenditure and disbursements were compared. At 65.9% funding the Constituency had utilized 42.2% of the funds meaning not what was received within the period was utilised. This mainly was due to non disbursement of bursary allocations occasioned by the indefinite closure of learning institutions. Further, the second tranche for the financial year was still outstanding by the closure of year.

NG-CDF is a fund which can be classified as community friendly. Apart from funding what is required by the community members, its implementation is done by the same community thus achieving several objectives. First, it is wealth creation as a vast number of items and resources used are from the community. It also encourages ownership of the projects by the community hence their sustainability.

5

Reports and Financial Statements

For the year ended June 30, 2020

There is also transfer of skills (capacity building) to the community as managing projects creates experience. Finally, the biggest achievements are on the projects themselves. In Kathiani so many primary and secondary schools have benefited thus improving their infrastructure. These have gone a long way in improving the lives of the beneficiaries.

Some of the keys projects are highlighted below:

Fig. 3 Muonyweni Security Post

Fig. 4 Wutini Primary school- 6 door toilets

However, there is an emerging challenge with the management of the fund. The biggest this year being the break out of corona virus which has slowed down projects implementation and use. There is also the issue of 5% provision that goes to PMCs increasingly failing in its original intent. Whereas it was meant to facilitate the operations of the PMCs, it is becoming the real attraction rather thus PMCs may lose focus to the successful implementation of the project itself. However, this is being

Reports and Financial Statements For the year ended June 30, 2020

addressed through PMC being reduced in numbers as well as managing the number of meeting they do.

Sign Rolo.

CHAIRMAN NGCDF COMMITTEE

Reports and Financial Statements For the year ended June 30, 2020

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of NGCDF- KATHIANI Constituency's 2018-2022 plan are to:

- a) Primary School projects: construction, renovation of classrooms and office blocks
- b) Secondary school's infrastructure: construct and equip classrooms, dining halls, dormitories, administration blocks and libraries
- c) Sports activities for youth: levelling of playgrounds and purchase of equipment, balls, uniforms
- d) Planting tree seedlings of indigenous and fruit trees
- e) Payment of bursary to needy students in secondary and colleges/universities

Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – KATHIANI Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile -

The sustainability of NGCDF is hinged on an act of parliament, the NGCDF Act 2015. This means that the fund is in existence and sustainable so long as the act is in operation. The projects funded under the kitty are sustainable since they are identified and done by the end users. The workers on the ground have helmets, sites are holded and demarcated. Employees, workers and communities where works are implored to be careful on sites.

2. Environmental performance

NGCDF – KATHIANI has under the provision of environment been funding ground levelling in schools to enable pupils have playing fields

3. Employee welfare

The employees are engaged under the guidance of the Employment Act 2007. The composition of the Employees is gender-based to meet the one-third gender rule. There are continuous training conducted every year to improve on their skills.

4. Market place practices-

NGCDF-Kathiani is a deposit receiving government agency and as such does not involve in competitive business practices. However, the procurement of services is fair and competitive. Tenders are advertised and the best responsive bidders awarded the works. Payments are promptly settled as per contractual agreements.

5. Community Engagements-

Everything in NGCDF is community based. The projects are identified and implemented by the community. Mainly the projects are geared towards education, security and environment

Reports and Financial Statements For the year ended June 30, 2020

STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-KATHIANI Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the NG-CDF Kathiani; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-KATHIANI Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the NG-CDF Kathiani; financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF-KATHIANI Constituency further confirms the completeness of the accounting records maintained for the NG-CDF Kathiani;, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-KATHIANI Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-KATHIANI Constituency financial statements were approved and signed by the Accounting Officer on $\frac{\partial 9}{\partial 3}$ 2020.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KATHIANI CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Kathiani Constituency set out on pages 12 to 47, which comprise of the statement of assets and liabilities as at 30 June, 2020, statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Kathiani Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with the International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Inaccuracies in the Statement of Assets and Liabilities

As disclosed in Note 10A to the financial statements, the statement of assets and liabilities reflects bank balances totalling to Kshs.48,481,922. The bank reconciliation statements revealed unpresented cheques totalling to Kshs.9,843,463 which included stale cheques amounting to Kshs.424,835. However, explanation was not provided as to why the cheques had remained unpresented for long and the failure to write back the stale cheques in the cashbook.

Further, the statement reflects the fund balance brought forward totalling to Kshs.10,125,402 which differs with an amounting to Kshs.10,762,142 disclosed in Note 13 to the financial statements resulting to an unreconciled variance amounting to Kshs.636,740.

In addition, the statement reflects gratuity balance totalling to Kshs.1,032,920 which differs with the amount of Kshs.396,180 disclosed in Note 12B to the financial statements resulting in an unreconciled variance amounting to Kshs.636,740.

Consequently, the accuracy, completeness and validity of the balances reflected in the statement of assets and liabilities as at 30 June, 2020 could not be confirmed.

2. Inaccuracies in the Statement of Appropriation

The summary statement of appropriation - recurrent and development combined reflects budget utilization difference totalling to Kshs.117,453,467 which differs with the amount of Kshs.117,849,646 disclosed in Note 17.3 to the financial statements as unutilized funds balance resulting in an unexplained variance amounting to Kshs.396,179.

Consequently, the accuracy, completeness and validity of the balances reflected in the summary statement of appropriation - recurrent and development combined for the year ended 30 June, 2020 could not be confirmed.

3. Inaccuracies in Committee Account Balances

Note 17.4 to the financial statements reflects Project Management Committee account balances totalling to Kshs.13,000,000 as at 30 June, 2020 as disclosed in Annex 5. However, the Annex 5 reflects a nil comparative balance which differed with comparative balance total of Kshs.4,396,936 disclosed in Note 17.4. No reconciliation was provided for the variance.

Consequently, the accuracy, completeness and validity of the balances reflected in the Project Management Committee account balances as at 30 June, 2020 could not be confirmed.

4. Inaccuracies in Bursaries

As disclosed in Note 7 to the financial statements, the statement of receipts and payments reflects other grants and transfers totalling to Kshs.10,295,086. Included in the balance are bursaries disbursement to secondary schools amount of Kshs.515,186 and tertiary institutions amount of Kshs.429,900, respectively both totalling to Kshs.945,086. However, supporting records reflected bursaries disbursements amount of Kshs.18,312,700 and Kshs.12,050,300 for secondary schools and tertiary institutions, respectively both totalling to Kshs.30,363,000 resulting in an unreconciled variance of Kshs.29,417,914.

Further, the awarded bursaries totalling to Kshs.945,086 was less than 1% of the funds received from the NGCDF Board totalling to Kshs.123,040,876 which is below the threshold of 25% set out in Section 21(5) of the NGCDF Regulations, 2016. The Management did not provide an approved criterion for selection and award of bursaries to the beneficiaries.

In the circumstances, the accuracy, completeness and validity of bursary disbursements totalling to Kshs.945,086 for the year ended 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Kathiani Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The summary statement of appropriation - recurrent and development combined reflects final receipts budget and actual on comparable basis totalling to Kshs.203,233,742 and Kshs.133,866,018 respectively, resulting to an under-funding amounting to Kshs.69,367,724 or 34% of the budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis totalling to Kshs.203,233,742 and Kshs.85,780,275 respectively, resulting to an under expenditure amounting to Kshs.117,453,467 or 58% of the budget.

The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the public.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Delay in Project Implementation

Review of project implementation revealed that funds totalling to Kshs.137,367,724 had been allocated for implementation of forty-nine (49) projects under the 2019-20 budget. However, only twelve (12) projects totalling to Kshs.48,774,000 were completed during the year while thirty-one (31) projects with combined allocation of totalling to Kshs.71,843,724 were on-going and the remaining six (6) projects totalling to Kshs.16,750,000 had not commenced.

In the circumstances, I am unable to confirm whether the public will obtain value for money for the delayed projects during the year ended 30 June, 2020.

2. Unsatisfactory Implementation of Projects

Physical verification of twelve (12) projects with a budget allocation totalling to Kshs.20,800,000 carried out during the audit revealed several unsatisfactory observations as shown in **Appendix I.**

In the circumstances, it has not been possible to confirm the validity and value for money from the expenditure totalling to Kshs.20,800,000 for the year ended 30 June, 2020 which was incurred on the projects.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with Governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit. I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungo, CBS AUDITOR-GENERAL

Nairobi

06 January, 2022

Appendix I: Unsatisfactory Implementation of Projects

			Cost	
No.	Project	Activity	(Kshs.)	Observations
1.	Kaiani Primary School	-Renovation of eight (8) classrooms and an administration block.	1,850,000	-Only four (4) classrooms were renovated instead of eight (8)Only seven (7) windows were fixed and three (3) window glass panes
				were missing. - The floor was poorly done.
				-Administration block was not renovated and tiles and ceiling were not fitted (only roofing and painting of the front phase was done)
				- The contract sum was paid in full including retention money.

⁽a) The final budget of Kshs. 203,170,742consists of the 2019/2020 allocation of Kshs. 137,367,724and Kshs. 65,803,018which was the closing balance for the financial year 2018/2019. The Kshs. 65,803,018 consists Kshs. 55,040,875.52 with the Board at closure of 2018/2019 amd Ksh. 10,762,142.06 cashbook balance in 2081/2019.

(b) There was underutilization of fund because the constituency received half the allocated fund, the other half has not yet been received. The NGCDF-KATHIANI Constituency financial statements were approved on $\frac{\partial^2}{\partial x^2} = \frac{\partial^2}{\partial x^2} + \frac{\partial^2}{\partial x^2} = \frac{\partial^2}$

Reports and Financial Statements For the year ended June 30, 2020

XII. SIGNIFICANT ACCOUNTING POLICIES

XIII.

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-KATHIANI Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Reports and Financial Statements

For the year ended June 30, 2020

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

Reports and Financial Statements

For the year ended June 30, 2020

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

Reports and Financial Statements

For the year ended June 30, 2020

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

Reports and Financial Statements For the year ended June 30, 2020

PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)
4.1 Accuracy of the financial statements	Observation The closing cash book balance as per the Financial statement and the cash book was Kshs. 10,762,142, payments in the cashbook not yet recorded in the bank statement amounted to kshs.7,808,433 and payment in the bank statement not yet recorded in the cashbook amounts to kshs.30,240. This results to unreconciled amount of Kshs. 10,210. Further, included in the payments in cash book not yet recorded in the bank statement is Kshs 1,290,330 which are stale cheques, this therefore understates the cash and cash equivalents figure in the financial statements.	The stale cheques dated upto 2016 were reversed in the month of December, 2019 and new beneficiaries paid out. The statement was also corrected as per attached reconciliation for the month of December 2019, appendix i	FAM

Reports and Financial Statements For the year ended June 30, 2020

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
	in cash book not yet recorded in the bank statement is Kshs 1,290,330 which are stale cheques, this therefore understates the cash and cash equivalents figure in the financial statements.				
4.2 Unsupported expenditure Ksh 636,740	Statements of receipts and payment in the financial statement reflect an amount Ksh 2,163,620 Note 4 for Compensation of employees as at June 2019, out of which Ksh 636,740 was classified as paid gratuity, Further enquiry of the support schedule revealed that Ksh 636,740 was not utilized as expenditure but as provision for payment of gratuity due to be paid on August 2020, the management has not also provided support to confirm that Ksh 636,740 as reflected in the payment was indeed expenditure incurred for payment of gratuity.	The financial statements are prepared using a predetermined template. The provision for gratuity is meant to cushion employees and the NGCDF from litigation once elections are held and some staff lose their jobs or contracts lapse. Therefore, every year there is a provision for such until the contracts lapse and settlements made.	FAM	Resolved	
4.3 Accuracy of		The stale	FAM	Resolved
