IMPLEMENTATION CHALLENGES

Despite of the above impressive performance the NG-CDFC noted the following challenges: -

- Poor accessible roads; hence leading to slow implementation of projects in the affected areas.
- Insecurity in some parts of the constituency
- The terrain of the constituency is also a challenge where contractors shy away to apply for CDF contracts because of difficult terrain.

In the financial year 2018/2019 the NG-CDFC scaled up by constructing security administrative structures in the affected areas hence improving security.

Also the county and national government have funded some roads hence improving accessibility to project sites.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - BARINGO NORTH CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Baringo North Constituency set out on pages 10 to 40, which comprise the statement of assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows and the summary statement of appropriation: recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Baringo North Constituency as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012, and the National Government Constituencies Development Fund Act, 2015.

Basis for Qualified Opinion

1. Cash and Cash Equivalents

The statement of assets and liabilities reflects bank balances of Kshs.362,138;(2018-Kshs.33,631,193). However, bank reconciliation statement in support of the balance reflected payment of Kshs.417,401 in the bank but not recorded in the cash book.

Further, and as previously reported, the comparative bank balance of Kshs.33,631,193 included stale cheques amounting to Kshs.218,256 which had not been written back into the cash book. Similarly, withdrawals amounting to Kshs.1,748,100 during the 2017/18 financial year lacked the supporting documentation.

In addition, the statement of cash flows reflects comparative cash and cash equivalent as at the end of the year of Kshs.33,631,193 while the beginning for the current year reflects balance of Kshs.32,395,555 resulting to a variance of Kshs.1,235,638 which has not been reconciled.

Consequently, the accuracy and completeness of bank balance of Kshs.362,138 as at 30 June, 2019 could not be confirmed.

2. Irregular Bursary Payments

The statement of receipts and payments reflects other grants and transfer payments of Kshs.38,142,770;(2018-Kshs.22,327,600) and as disclosed under Note 7 to the financial statements. However, the bursary listing provided indicated that some beneficiary students from the same institution shared registration numbers for amounts totaling to Kshs.114,000 as detailed below.

No.	Institution	Name	Reg. No.	Year	Amount (Kshs.)
1	Yatia Secondary School	Collins K. Koros	70	IV	8,000
2	Yatia Secondary School	Cherop J. Tracy	70	IV	15,000
3	Kuikui Secondary School	Isabella Toroitich	391	II	15,000
4	Kuikui Secondary School	Duncan C. Kokwon	391	IV	8,000
5	Moigutwo Secondary School	Nicholas C. Chesang	463	IV	10,000
6	Moigutwo Secondary School	Gladwel J. Kimosop	463	II	8,000
7	Moi High School, Kabartonjo	Henry K. Chelimo	4263	III	15,000
8	Moi High School, Kabartonjo	Sherry J. Chebon	4263	IV	15,000
9	Kapkiamo Secondary School	Kisa Desmond	1030974		10,000
10	Kapkiamo Secondary School	Edmond K. Cheptirim	1030974	III	10,000
Total					114,000

Further, the bursary schedules indicated that, thirty-five (35) beneficiaries received multiple bursaries totaling to Kshs.881,900.

In addition, out of the total bursary disbursements of Kshs.30,842,770, only bursaries amounting to Kshs.8,705,785 were acknowledged by the receiving institutions leaving Kshs.22,136,985 as unconfirmed.

Consequently, the regularity and validity of other grants and transfer payments of Kshs.38,142,770 for the year ended 30 June, 2019 could not be confirmed.

3. Irregular Payment of Allowances

The statement of receipts and payments reflects use of goods and services amount of Kshs.9,559,234, which includes other committee expenses of Kshs.3,266,500 as disclosed under Note 5 to the financial statements. Included in other committee expenses is an amount of Kshs.485,000 paid to national government officers for office construction site meetings as detailed out below:-

PV No.	Date	Voucher Amount (Kshs.)	Amount Paid to National Government Officers (Kshs.)
131	17.01.2019	67,000	45,000
8274	28.06.2019	62,000	40,000
251	24.05.2019	57,000	40,000
223	24.05.2019	62,000	40,000
194	13.08.2019	54,000	35,000
94	23.11.2018	57,000	45,000
281	29.06.2019	62,000	40,000
35	29.08.2019	62,000	45,000
161	14.02.2019	62,000	50,000
142	28.09.2018	52,000	45,000
286	29.06.2019	60,000	10,000
47	11.09.2018	52,000	35,000
52	28.09.2018	52,000	15,000
57	28.09.2018	62,000	10,000
69	17.10.2018	57,000	45,000
Total		880,000	485,000

The Management has not rendered a satisfactory explanation as to why the officers were paid allowances they were not entitled to.

Under the circumstances, the validity and regularity of other committee expenses of Kshs.485,000 for the year ended 30 June, 2019 could not be confirmed

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of National Government Constituencies Development Fund - Baringo North Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budget Control and Performance

The summary statement of appropriation: recurrent and development reflects final receipts budget and actual on comparable basis of Kshs.201,578,162 and

Kshs.147,837,286 resulting to underfunding of Kshs.53,740,876 or 26.9% of the budget. The underfunding affected the execution of planned activities and projects which may have negatively impacted on service delivery to the constituents of Baringo North.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Project Management Committee Bank Accounts

Eleven (11) PMC bank accounts for projects indicated as complete in the implementation status report of 30 June, 2019 continue to remain active and had balances totaling to Kshs.4,195,332 as detailed out below: -

Project	PMC Account	Balance (Kshs.)
Kalabata Primary School	1111222185	198,883
Kapkirwok Secondary School	1109780230	772,882
Kapluk Primary School	1139117130	3,721
Koroto Primary School	1110726953	300,749
Kosile Primary School	1113738448	793
Lekepchun Primary School	1252054521	14,825
Loruk Primary School	1168270049	399,944
Ossen Secondary School	1114525731	77,777
Poi Secondary School	1116021072	17,968
Sibilo Primary School	1110870248	804,051
Siboo Primary School	1110651120	1,603,740
Total		4,195,332

This is contrary to Section 12(8) of the National Government Constituencies Development Fund Act, 2015 which requires all unutilized funds of the Project Management Committee to be returned to the constituency account.

The PMC bank account balances are not supported by bank statements, certificate of bank balances, cash books and bank reconciliation statements.

Consequently, the accuracy and completeness of PMC bank balance of Kshs.47,552,307 as at 30 June, 2019 could not be confirmed.

2. Unapproved Variation for Office Construction Contract

The statement of receipts and payments also reflects acquisition of assets cost of Kshs.33,094,153;(13,083,013) and as disclosed under Note 8 to the financial statements. During the year under review, the Fund continued to implement the contract for the construction of Fund offices which was contracted at a cost of Kshs.37,801,268 through open tender process. However, the project which was to be completed on 30 April, 2018 was incomplete as at February, 2020, ninety-three (93) weeks behind schedule.

Further, during the 14th site meeting between officers of Baringo County works office, architectural section, the Management and the contractors, it was reported that pending works would be undertaken at an incremental cost of Kshs.11,394,806 raising the contract sum to Kshs.49,196,074. Thus, translating to variation 30.14% contrary to the provisions of Section 139 (4) of Public Procurement and Disposal Act 2015 .

In addition, as reported previously, and contrary to the provisions of Section 96(2) of the Public Procurement and Asset Disposal Act 2015, the tender had only been advertised in one daily newspaper instead of at least two daily newspapers of nationwide circulation.

3.0 Projects Implementation

Annex 4-Project Management Committee (PMC) bank balances as at 30 June, 2019 discloses project bank balances of Kshs.47,553,307;(2018 - Kshs.6,058,202) for fifty-six (56) projects funded during the year. The following unsatisfactory observations were made;

3.1 Projects not Started or Delayed

The project implementation status report as of 30 June, 2019 reflected 105 projects with funds allocation of Kshs.166,174,410 at various stages of completion as detailed below;-

Project Status	Count	Funds Allocation (Kshs.)
Complete and in use	6	2,600,000
Ongoing	19	29,900,000
Funds released to PMCs but not started and were at tendering stage	7	9,600,000
Not been started due to delay in release of Funds	15	22,700,000
Prior years ongoing projects – Not prioritized	58	101,374,410
Total	105	166,174,410

Contrary to Section 46(2) of National Government Constituencies Development Fund Act, 2015 which requires ongoing projects to be prioritized, 58 projects with cumulative

funding allocation of Kshs.101,374,410 have been ongoing for periods exceeding three (3) years but were not prioritized. Further, fifteen (15) other projects with a funding of Kshs.22,700,000 have not been started due to delay in release of funds.

3.2 Incomplete Projects

Fifteen (15) projects with a funding allocation of Kshs.49,281,908 were sampled for verification during the month of January, 2020. The projects were at various stages of completion as detailed in Appendix 1. No satisfactory explanation has been rendered for delays in completing the projects.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related

to sustainability of services and using the going concern basis of accounting unless Management is aware of the intention to liquidate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all

matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

IX. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Baringo North

The financial statements are for the NGCDF-BARINGO NORTH Constituency. The financial statements encompass the reporting NGCDF Baringo North as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the NGCDF Baringo North for all the years presented.

a) Recognition of Receipts

The NGCDF Baringo North recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the NGCDF Baringo North.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received.

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving NGCDF Baringo North.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient NGCDF Baringo North or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. Also during the financial there were other receipts from PMC Savings. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The NGCDF Baringo North recognises all payments when the event occurs and the related cash has actually been paid out by the NGCDF Baringo North.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public NGCDF Baringo North and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the NGCDF Baringo North in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF Baringo North includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF Baringo North at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

The original budget was approved by Parliament on June, 2018 for the period 1st July, 2018 to 30th June 2019 as required by Law.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2019.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.
