### I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

### Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided 'under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

### II.FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

### a) Introduction

It is my pleasure to present to you the annual report and financial statement s for the year ended June 30, 2020. During the year under review, the entity was allocated Kshs 137,367,724 which represents a 26% increase in allocation from the previous year. Our performance is generally impressive and we have been able to offer more services to our constituents.

The NG-CDF Board released close to 50% of the funds within the financial year, this delayed the implementation of some projects. With these funds, we have been able to initiate and complete a number of projects. Our focus in the year was improvement of educational infrastructure where close to 80% of the funds were allocated to these initiatives.

### b) Allocation to Projects

Overall utilization of funds stood at 54.8% as compared to 71.3% in the year 2018/2019. This was a drastic drop occasioned by the delay in receipts of second tranche of the 2018/2019 funds. In the year under review, 25% of the funds were allocated toward education bursary, 52% for education infrastructural development in primary and secondary schools. Security was allocated 5% while Sports and Environment were each allocated 2% of the funds.

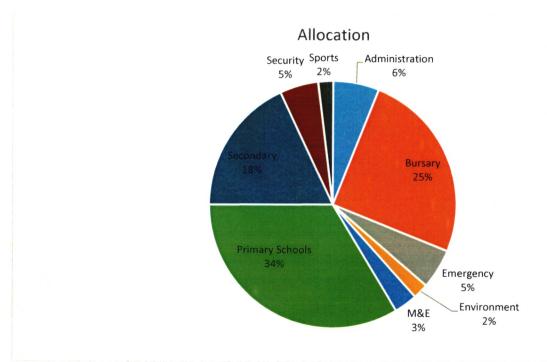

Fig 1: Allocation of Funds to Projects

### **Reports and Financial Statements**

For the year ended June 30, 2020

### c) Allocation per sector

There was a 26% increase in the allocation from the board in 2019/2020 as compared to 2018/2019. Allocation towards transfers to other government units increased by 12.2% while the allocation for other grants and transfers declined by 9.2% in 2019/2020. Allocation for compensation of employees and use of goods and services remained unchanged at 2.6% and 6.4% respectively

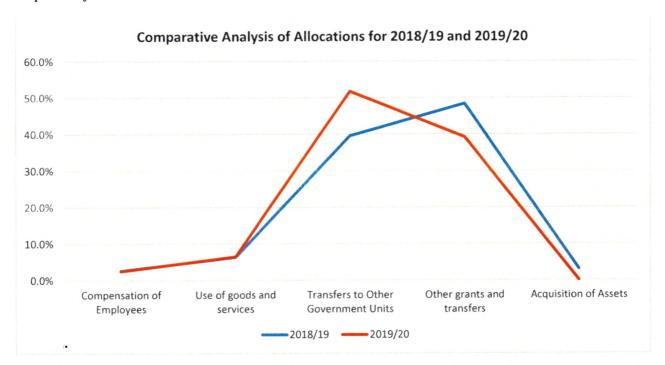

Fig2: Analysis of allocation per sector

### d) Key achievements of the entity

### i) Model Schools

In line with the constituency's strategic plan and in consultation with all stakeholders, we have put in place an annual programme in which each of the wards, one primary school is fully refurbished to give it a face lift, a signature of excellence. Over a period of 2 years, we have rehabilitated 9 primary schools.

### ii) Scholarship Program

Annually, 2 bright but needy students from each of our 11 locations who scored 350 marks and above have their Secondary School fees paid till completion, after a thorough vetting process by our constituency Education Committee. A total of 68 students are currently being sponsored under this program

### iii) Projects

We have undertaken a number of project in education and security sector in the financial year 2019/2020. Sample of projects done are shown in fig 3 and 4 below

Fig 6: Launch of 2020 scholarship program

Reports and Financial Statements For the year ended June 30, 2020

### Implementation Challenges

In the year under review, we faced a number of challenges in the implementation of projects. The delays in release of funds impacted negatively on the timely delivery of services to constituency. The

### Way Forward

With the close consultations with key stakeholders and the office of the Member of Parliament, we have been able to achieve our goals with ease. My team and I aim to leverage the utilization of funds to ensure that the constituency is able to develop as quickly as possible while ensuring transparency and accountability in all our activities.

JOSHUA MOTH AROKO

CHAIRMAN NGCDF COMMITTEE

Reports and Financial Statements For the year ended June 30, 2020

### III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

### Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of NGCDF-Kabondo Kasipul Constituency's 2018-2022 Strategic plan are to:

- a) To improve the schools' infrastructure and performances
- b) To enhance safety and security of communities in Kabondo Kasipul
- c) To expand and improve road network in the constituency
- d) To promote sustainable utilization of natural resources
- e) Promotion of youth/women in economic engagement
- f) Provide ICT infrastructure and create an environment for innovation

### Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

Constituency Program	Objective	Outcome	Indicator	Performance in FY 19/20
Education Accessibility	To improve the schools' infrastructure and performances	Adequate and conducive environment in terms of classrooms, library, laboratories, dormitories, halls to be used outcomes.      Increased enrolment in primary schools and improved transition to secondary schools and tertiary institutions	<ul> <li>number of usable physical infrastructure build in primary, secondary, and tertiary institutions</li> <li>number of bursary beneficiaries at all levels</li> </ul>	<ul> <li>Renovated 78 classrooms in Primary Schools</li> <li>Completed 7 laboratories</li> <li>Constructed 4 administration blocks.</li> <li>Completed 120-bed capacity dormitory</li> <li>Constructed 5 new classrooms</li> <li>Issued bursaries amounting to Ksh 18,511,245 to 3500 students</li> </ul>

**Reports and Financial Statements** 

For the year ended June 30, 2020

Constituency Program	Objective	Outcome	Indicator	Performance in FY 19/20
Security	To enhance safety and security of communities in Kabondo Kasipul	Improved security and provision of services to constituents within the constituency	<ul> <li>Number of chief, ACC, DCC, assistant chief offices constructed.</li> <li>Number of police posts, stations constructed or rehabilitated</li> </ul>	<ul> <li>1 police station constructed.</li> <li>6 Administration Police Housing units constructed</li> <li>4 Chiefs Offices completed</li> </ul>
Roads	To expand and improve road network in the constituency	Improved road network that enhances communication	Number of Kilometres of Roads constructed	Over 15km of road rehabilitated
Sports	Promotion of youth/women in economic engagement	Active participation of youth in sports and advocacy activities	Number of sporting field rehabilitated Number of sporting tournaments held	1 sporting field rehabilitated 1 sports tournament held.
Environment	To promote sustainable utilization of natural resources	Sustainable environment	Number of Water harvesting facilities provided Number of trees planted	Water Tanks installed in 20 schools 2500 trees planted
ICT	Provide ICT infrastructure and create an environment for innovation	Job creation through ICT	Number of ICT Hubs	2 ICT hubs equipped

### IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – KABONDO KASIPUL Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

### SUSTAINABILITY STRATEGY AND PROFILE

The Kabondo Kasipul NG-CDF Committee endeavoured to work within the existing policy guidelines that help in focusing on the service delivery. Our vision is to be a constituency where communities are exploiting development opportunities and sharing prosperity. This is achieved through our resolve to develop and improve sustainable livelihoods of constituents in partnership with

**Reports and Financial Statements** 

For the year ended June 30, 2020

stakeholders. Achievement and sustenance of this mission and vision is guided by our core values of integrity, focus on result, participatory approach, respect and equity.

### **ENVIRONMENTAL PERFORMANCE**

We operate in a physical environment that calls for concerted efforts to ensure its sustainability. We made commitments to our public to;

- Comply with all relevant environmental legislation, regulations and approved codes of practice protecting the environment by striving to prevent and minimize our contribution to pollution of land, air, and water.
- Keep wastage to a minimum and maximize the efficient use of materials and resources.
- Management and disposal of all wastage in a responsible manner;
- Provide training for our Committee Members and staff on issues of environment sustenance.
- Communicate regularly our environmental performance to our employees and other significant stakeholders.
- Developing our management processes to ensure that environmental factors are considered during planning and implementation.
- Monitoring and continuously improving our environmental performance.
- Seeking to leverage our environmental impact by encouraging stakeholders to improve their environmental performance.
- Promote environmental awareness by sensitizing the NG-CDFC, NG-CDFC staff and PMCs on good conservation practices.
- To encourage, through regular communication to NG-CDFC, staff, and other stakeholders changes in individual behaviour to reduce usage Conservation of Energy and Resources To maximize use of available technologies to remove the need to use paper.

### EMPLOYEES WELFARE TERMS AND CONDITIONS OF SERVICE.

Kabondo Kasipul NGCDF is an equal opportunity employee, we do not discriminated based on gender, tribe or colour.

### i. Recruitment

We recruit our employees competitively through a rigorous process that ensures fairness and adherence to the existing laws and regulations. Where a need for recruitment is felt, an advertisement with clear description of the requirements is done and posted in both the local noticeboards and social media. A selection panel is constituted by the accounting officer which incorporates the government officer in charge of human resources at the sub county. Interviews are conducted in a manner that complies with the office's commitment to equal employment opportunity, to ensure that qualified candidates are not discriminated based on ethnicity, religion, gender, age, disability, status etc.

### ii. Employment categories

We engage our key staff on a three year renewable performance based contract. Support staff are engaged on a casual basis and on need basis. In compliance to the government policy on internship and attachment, we engaged 3 interns on a 3 months basis.

### iii. Training and Development

Induction and orientation of new employees is done within the first three months of employment. We have a policy for continuous training and development of our employees. Regular trainings on emerging issues are conducted jointly with other constituencies. Employees are encouraged to pursue higher education in their field and NGCDF committed to paying 50% of the tuition fee.

### iv. Staff Welfare

A welfare kitty exists where members of staff makes monthly contribution to it. The kitty acts as a buffer to support staff members in distress. Additionally we have entered into an MOU with the Rachuonyo East Enterprises Sacco to allow members of staff to save and get loans.

### HIV/AIDS

### Reports and Financial Statements

### For the year ended June 30, 2020

HIV and AIDS is a major challenge facing officers in and out of the Institute. It poses a big threat to the individual, the family and the public Service. It is in cognizance of this we have put in place care and support programs for the infected and affected officers to enable them remain productive. An officer shall not be discriminated or stigmatized on the basis of HIV status. The management organized trainings and sensitization workshops to sensitize the staff on the risk of HIV/AIDS transmission by adopting first aid/universal infection control precautions at the workplace.

### Drug and Substance Abuse

Addiction to drugs or substance will be treated like any other disease. An officer who is determined to deal with drug and substance abuse problem by engaging in rehabilitation services will be referred by the office by a Government doctor for evaluation, within the limits and budgets endorsed by the NG-CDFC.

### Disability Mainstreaming

Staff members with any form of disability shall be treated with respect and given assistive devices where necessary. The office shall provide facilities and effect such modification, whether physical, administrative or otherwise, in the workplace as may be reasonably required to accommodate persons with disabilities.

### Sexual harassment and other Forms of Harassment

Sexual harassment and other forms of harassment is illegal and any officer who engages directly or indirectly shall be subjected to a disciplinary process that may result in summary dismissal. Staff should report any form of harassments in the manner prescribed in the complaints handling procedure.

### MARKET PLACE PRACTICES NG-CDFC

The NGCDF is a fund designed to support constituency level, grass-root development projects. It was aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targets all constituency-level development projects, particularly those aiming to combat poverty at the grassroots and entrench equitable distribution of development in line with the NG-CDFC Act 2015 provisions. The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government development agenda at the constituency level.

Kabondo Kasipul recognizes that it operates in a highly political and competitive environment coupled with the huge demands by the public.

- Our services as outlined in the service charter shall be provided to all without discrimination on political, tribal or any other consideration.
- Procurement of service providers for all manner of procurements shall be done competitively and in a manner that ensures equity and value for money. Available tenders shall be made public by way of advertisement in the local print media, notice boards and social media. Adjudication of the tenders shall be done in strict compliance with the existing laws on procurement. Project management committees shall be properly trained and sensitized on the procurement procedures and regulations.
- Genuine obligations to service providers shall be honoured and met on agreed timelines. Payments to suppliers are done promptly upon presentation of requisite supporting documents.
- Information on our development plans, our current commitments and planned projects shall be availed in our offices, notice boards, websites and social media platforms.
- Confidential information shall be on a need to know basis upon a written request.
- The service charter points out our commitment in ensuring that we provide quality services to our customers with high level professionalism, dignity, integrity and courtesy, whereas complaints handling policy, principles and procedures shows our commitment to consistent, fair and confidential complaint handling and to resolve complaints as quickly as possible.

Reports and Financial Statements For the year ended June 30, 2020

### COMMUNITY ENGAGEMENTS

Kabondo Kasipul values the spirit of public participation in its operations. Project identification and implementation is conducted in a participatory manner as stipulated in the NGCDF Act 2015. Public forums are conducted to collect proposals every 2 years, during these fora, the opinions of the constituents on development projects are sought and packaged in a project proposal. Project Management Committees are key in project implementation, formation of these committees is done in a participatory manner.

### COVID-19 MITIGATION MEASURES

The Corona Virus of 2019 (Covid-19) epidemic has changed the way we operate and in line with the government directives on its mitigation, our office took the following cautionary measures;

- We availed sanitization facilities at our offices and the sub county offices
- Over 5,000 face masks and hand sanitizers were procured and distributed to the national government institutions.
- Twenty Plastic Tanks were purchased and installed in 20 schools to ensure availability of clean water

Reports and Financial Statements For the year ended June 30, 2020

### V. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2013 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-Kabondo Kasipul Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-Kabondo Kasipul Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *entity's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF-Kabondo Kasipul Constituency further confirms the completeness of the accounting records maintained for the *entity*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-Kabondo Kasipul Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Enhancing Accountability

REPORT OF THE AUDITOR-GENERAL ON THE NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KABONDO KASIPUL CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

### REPORT ON THE FINANCIAL STATEMENTS

### **Qualified Opinion**

I have audited the accompanying financial statements of the National Government Constituencies Development Fund – Kabondo Kasipul Constituency set out on pages 17 to 45, which comprise the statement of assets and liabilities as at 30 June, 2020, statement of receipts and payments, statement of cash flows and summary statement of appropriation-recurrent and development combined for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund – Kabondo Kasipul Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

### **Basis for Qualified Opinion**

### 1. Cash and Cash Equivalents

Note 10A reflects Cash and Cash Equivalents balance of Kshs.467,170 as at 30 June, 2020. The bank reconciliation statement for the account as at that date reflected unpresented cheques totalling to Kshs.1,334,100. However, payments totalling to Kshs.1,035,025 in the cash book is un-presented in the bank statement but does not form part of unpresented cheques in the bank reconciliation as at 30 June, 2020.

Consequently, the accuracy, validity and completeness of cash and cash equivalents balance of Kshs.467,170 as at 30 June, 2020 could not be confirmed.

### 2.0 Transfers to Other Government Entities

### 2.1 Grading and Gravelling of Access Roads

Note 6 to the financial statements represents transfers to other government entities of Kshs.49,442,276 which includes Kshs.3,594,537 in respects of grading and gravelling of two (2) roads for Junction-Ogilo Secondary and Kadongo-Chagere-Osuri road. However, procurement documents namely; tender evaluation, contract agreement, certificate of work done, payment voucher and Authority letter from KERRA were not provided for audit review. Further, this expenditure is supposed to be under roads projects in other grants and payments but was instead incurred under transfers to schools without authority from the board.

Consequently, the accountability, legality and value for money of Kshs.3,594,537 for the year ended 30 June, 2020 could not be confirmed.

### 2.2 Renovation of Classrooms in Five (5) Primary Schools

Note 6 to the financial statements reflects transfers to other government entities of Kshs.49,442,276 which includes transfers to Primary schools balance of Kshs.32,358,636. This further includes Kshs.12,737,315 in respect of renovation of classrooms in six (6) primary schools namely; Anjech, Kogalo, Pany Komolo, Saramba, Ringa and Lwanda. However, procurement documents including tender evaluation, contract agreement, certificate of work done and payment vouchers were not provided for audit review.

Consequently, the accountability and value for money of Kshs.12,737,315 for the year ended 30 June, 2020 could not be confirmed

### 2.3 Construction of Modern ICT Hub at Oriwo Youth Polytechnic

Note 6 to the financial statements represents transfers to other government entities of Kshs.49,442,276 which includes transfers to tertiary institutions of Kshs.1,933,640 which further includes Kshs.1,000,000 transferred to Oriwo Youth Polytechnic for the construction of a modern ICT hub. However, procurement documents which included tender evaluation, contract agreement, certificate of work done and payment vouchers were not provided for audit review.

Consequently, the accountability and value for money for the expenditure of Kshs.1,000,000 for the year ended 30 June, 2020 could not be confirmed

### 3. Sports Expenditure

Note 7 to the financial statements reflects a balance of Kshs.35,338,960 for other grants and other payments which includes Kshs.700,000 in respect of sport activities. This particular expenditure was not supported by the CDF minutes, payment vouchers and user request.

Consequently, the accuracy, validity and completeness of the expenditure of Kshs.700,000 for the year ended 30 June, 2020 could not be confirmed.

### 4. Misclassification of Expenditure

Note 7 to the financial statements reflects a balance of Kshs.35,338,960 for other grants and other payments out of which Kshs.6,772,878 is for emergency projects which further includes Kshs.1,616,002 paid out for the construction of kodhoch East Chief's Office. However, the ledgers that were provided for audit review revealed that the expenditure was wrongly classified under emergency projects instead of being under security projects.

Consequently, the accuracy and completeness of the emergency projects of Kshs.6,772,878 for the year ended 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Kabondo Kasipul Constituency in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

### 1.0 Budgetary Control and Performance

### 1.1 Receipts Analysis

The summary statement of appropriation; recurrent and development combined for the year under review reflects total budgeted receipts of Kshs.189,364,473 and actual receipts of Kshs.102,053,546 resulting to under realization of Kshs.87,310,927 or 46%.

Overall, the under realization is an indication that some programs and activities that had been planned for were not implemented. There is need therefore for the Fund to review its budget making process with a view to formulating a realistic budget that would be actualized for service delivery to the residents of Kabondo Kasipul Constituency.

In addition, the Board approved a budget of Kshs.189,364,473 to be transferred to the Fund but only Kshs.102,053,546 transferred was resulting to a variance of Kshs.87,310,927. Failure to transfer the Kshs.87,310,927 by the Board translates to loss of anticipated benefits by the residents of Kabondo Kasipul Constituency.

### 1.2 Expenditure Analysis

The statement of appropriation both recurrent and development for the period ending 30 June 2020 reflects total expenditure budget of Kshs.189,364,472 against total actual

expenditure of Kshs.103,779,386 resulting to an overall under expenditure of Kshs.85,585,086.

Overally, the Fund failed to actualize its budget by Kshs.85,585,086 or 45% performance, an indication that some of the programmes and activities that had been planned were not implemented, contrary to the Public Finance Management Act, 2012 (31) which requires Accounting Officers to ensure that all services which can be reasonably foreseen are included in the estimates and that they are within the capacity of the Fund during the financial year.

Further, the Fund underspent its budget by Kshs.85,585,086 in the year under review. However, included in the under expenditure is Kshs.467,170 in respect to cash at bank, being funds released by the Board but not spent by the Fund. Failure to spend funds denied the residents of Kabondo Kasipul Constituency equivalent services.

### 2. Unimplemented Projects

Review of the approved budget for the 2019/2020 financial year revealed that thirty-seven (37) projects had been approved by the board for implementation all valued at Kshs.43,851,388. However, examination of records and physical verification of the projects revealed that these projects had not yet been started at the closure of the financial year under review.

In the circumstances, the residents of Kabondo Kasipul did not therefore get the expected services equivalent to Kshs.43,851,388 being the budget projects that had not started. This is an indication of inappropriate project implementation mechanism. Therefore, there is need for the Fund to review its project planning mechanism with a view to prioritizing projects which will be implemented during the financial year resulting to higher impact in improving service delivery to the residents.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter(s) described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

### 1. Construction of a Modern Toilet at Kolweny Primary school

Note 6 to the financial statements reflects transfer to other Government entities balance of Kshs.49,442,276 which includes Kshs.32,358,636 being transfers to Primary schools which further included Kshs.300,000 for the construction of a five door modern toilet at the above school. A physical verification of the project carried out in the month of January, 2021 revealed that the project had not been done and the contractor was not on site. A shallow hole had only been excavated.

Consequently, the accountability and value for money of the expenditure of Kshs.300,000 for the year ended 30 June, 2020 could not be confirmed.

### 2.0 Reallocation of Funds

### 2.1 Construction of Classrooms at Ringa Boys High School

Note 6 to the financial statement reflects transfers to other Government entities balance of Kshs.49,442,276 which includes Kshs.15,150,000 being transfers to secondary schools. This further included Kshs.1,300,000 for the construction of two classrooms at the above School. However, a physical verification revealed that instead of constructing two classrooms, the project management committee constructed a dormitory block. However, the change of activity was not authorized by the Board contrary to section 6(2) of the National Government Constituencies Development Fund Act, 2015 which state that "once funds are allocated for a particular project, they shall remain allocated for that project and may only be re-allocated for any other purpose during the financial year with the approval of the Board."

Consequently, the Fund Management was in breach of the law.

### 2.2 Renovation of Classrooms at Abuoye Primary School

Note 6 to the financial statements reflects transfers to other Government entities balance of Kshs.49,442,276 which includes Kshs.32,358,636 being transfers to Primary schools which further included Kshs.400,000 for the renovation of three classrooms at Abuoye Primary school. However, a physical verification revealed that the two classrooms were renovated only. This change of activity was not authorized by the Board contrary to section 6(2) of the National Government Constituencies Development Fund Act 2015 which state that, "once funds are allocated for a particular project, they shall remain allocated for that project and may only be re-allocated for any other purpose during the financial year with the approval of the Board."

Consequently, the Fund Management was in breach of the law.

### 3. Poor Workmanship in Projects Implementation

Note 6 to the financial statements reflects a balance of Kshs.49,442,276 as transfers to other Government entities which in turn includes an amount of Kshs.7,161,965 incurred on renovation, construction and completion of 8 schools (4 secondary and 4 primary schools). However, a physical verification of the projects carried out in the month of January, 2021 revealed unsatisfactory workmanship as shown in the table below:

No.	Institution	Activity	Amount Paid Kshs.	Remarks
1.	Osuri Primary School	Renovation of Eight Classrooms to Completion	761,965	Leaking Verandah Roof, Cracking Walls
2.	Anjech Primary	Renovation of Three Classrooms	700,000	Cracks on Internal and External Walls

No.			Amount Paid	
	Institution	Activity	Kshs.	Remarks
3.	Kolwa Primary	Construction of One New Classroom	650,000	Warping Beams and Slanting Verandah Columns
4.	Kogalo Primary	Renovation of 3 Classrooms	500,000	Peeling Paint, Cracked Floor
5.	Ongoro Secondary	Construction of New Classroom to Completion	550,000	Cracked Floor
6.	Ogilo Secondary	Construction of One New Classroom	800,000	Cracked Floor
7.	Danis Obara Secondary	Completion Phase One Administration Block	2,900,000	Cracked Walls and Beam
8.	Kowidi Mixed Secondary	Completion One Classroom	300,000	Cracking Floor
9.		Total	7,161,965	

The Fund was in breach of Section 150(1) of the Public Procurement and Asset Disposal Act 2015 which states that" An Accounting Officer or his or her appointed representative shall be responsible for ensuring that the goods, works and services are of the right quality and quantity."

Consequently, the accountability and value for money for the expenditure of Kshs.7,161,965 for the year ended 30 June, 2020 could not be confirmed.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance

were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act. 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are

applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS AUDITOR-GENERAL

Nairobi

The underutilization in Transfers to other Government Units (52.7%), Other grants and Transfers (47.1%) and Acquisition of Assets (87.9%) is as a result of part receipt of funds from NGCDF Board. This resulted in non-implementation of many

The underperformance (53.9%) in the transfer from NGCDF Board is a result of funds amounting to Kshs 69,367,724 (for 2019/2020) and Ksh 17,943,203.02 for previous financial years that have not yet been received from the NGCDF Board.

The original budget for the 2019/2020 was Ksh 137,367,724. The receipts on the adjustment column represents the opening balances of Ksh 26,524,538.25 and allocation for previous years of Kshs 7,529,007.25 that were received in during the year.

Reports and Financial Statements For the year ended June 30, 2020

### XIV. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

### 2. Reporting Entity

The financial statements are for the NGCDF-Kabondo Kasipul Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

### 3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

### a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

### Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

### Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

**Reports and Financial Statements** 

For the year ended June 30, 2020

### SIGNIFICANT ACCOUNTING POLICIES

### **External Assistance**

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30<sup>th</sup> June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

### Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

**Reports and Financial Statements** 

For the year ended June 30, 2020

### SIGNIFICANT ACCOUNTING POLICIES

### 5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

### 6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

### 8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

### 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

**Reports and Financial Statements** 

For the year ended June 30, 2020

### SIGNIFICANT ACCOUNTING POLICIES

### 11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

### 12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### 13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

### 14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

### 15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

Reports and Financial Statements For the year ended June 30, 2020
