Sigowet/Soin NG-constituency development fund in the financial year 2016/2017 was allocated kshs 81,896,557.7 by the NG-CDF board. During the financial year the whole amount was disbursed to the constituency by end of June 2017. The funds were disbursed by the CDFC immediately upon receipt. Projects funded during the financial year are at various stages of completion as implemented by the project management committees. As at end of the financial year, all the bursaries had been disbursed.

Some of the projects received inadequacy of funds allocated for the completion of their projects this could be due to inadequate allocations and /or increasing costs for the various projects materials and labour cost as reported by the PMCs.

We appreciate all the work done by all the parties to ensure development is accomplished in our constituencies. Hope the financial year 2017/2018 will experience better performance.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – SIGOWET/SOIN CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2017

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund – Sigowet/Soin Constituency set out on pages 6 to 21, which comprise the statement of assets as at 30 June 2017, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund – Sigowet/Soin Constituency as at June 30, 2017, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act 2015

In addition, as required by Article 229(6) of the Constitution, based on the procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public money has not been applied lawfully and in an effective way.

Basis for Qualified Opinion

1.0 Unconfirmed Expenditure on Projects at Koiyat Primary School

The statement of receipts and payments reflects transfer to other government entities of Kshs.66,452,554 out of which Kshs.1,620,000 was remitted to Koiyat Primary School for purchase of one acre of land at Kshs.1,120,000 and construction of one classroom at Kshs.500,000. During an audit verification in May 2018, it was noted that the project management committe (PMC) did not adhere to the project specifications to construct one classroom, but instead constructed two, both of which were incomplete, on land whose ownership documents have not been provided for audit verification. Further the PMC did not provided the bank statement for the

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Sigowet/Soin Constituency for the year ended 30 June 2017 project account to show how the funds had been utilised. Under the circumstance, it could not be confirmed if the funds were utilized for the intended objective.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund – Sigowet/Soin Constituency in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. Except for the matter described in the Basis for Qualified Opinion section, I have determined that there are no Key Audit Matters to communicate in my report.

Other Matter

1.0 Anomalies in Implementation of Projects

1.1 Projects at Sosur Primary School

National Government Constituencies Development Fund (CDF) – Sigowet/Soin remitted Kshs.800,000 to Sosur Primary School for part-purchase of 1 acre of land at Kshs.150,000, construction of one classroom at Kshs.500,000 and construction of toilets to completion at Kshs.150,000. The amount was remitted in February 2017. However, during an audit verification on 30 May 2018, it was noted that the projects had not started but the funds were still in the project account. In the circumstance, the continued delay in implementation of these projects implies that the funds may not be utilised for the intended objective.

1.2 Unproductive Boreholes at Kenya Medical Training College, Soin/Sigowet

The National Government CDF – Sigowet/Soin on 14 December 2016, contracted a firm, M/s Fountain Vent Limited of P. O. Box 14766 Nakuru to drill, equip and install a water borehole at the Kenya Medical Training College, Soin/Sigowet at a negotiated cost of Kshs.1,700,000. An audit verification in May 2018 revealed that the firm had sunk two boreholes at a total cost of Kshs.2,474,960 (Kshs.1,186,700 for the 1st borehole and Kshs.1,288,260 for the 2nd borehole). However, both boreholes were dry and without water despite the fact that hydrological survey had been carried out, indicating that there was sufficient underground water at the site. In the circumstance, no value may be realized from the funds spent since the management has not taken any mitigating action.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the management either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor-General's Responsibilities for the Audit of the Financial Statements

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229 (7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, and for the purpose of giving an assurance on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

SIGOWET/SOIN CONSTITUENCY Reports and Financial Statements For the year ended June 30, 2017

VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NGCDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NGCDF.

2. Recognition of revenue and expenses

The NGCDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NGCDF. In addition, the NGCDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NGCDF.

3. In-kind contributions

In-kind contributions are donations that are made to the NGCDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NGCDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NGCDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2017.
