# II. FORWARD BY THE CHAIRMAN NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT FUND COMMITTEE (NGCDFC)

The NGCDFCs wish to have in summary the budget performance against actual amounts for current year based on economic classification and programmes. The NGCDF has greatly improved the Education and Security infrastructures of Likoni.

In the financial year 2015/2016, Likoni NGCDF received a total of Kshs. 73,737,675 of which Kshs. 14,000 was generated from the constituency Office hall and bus hire, Kshs 65,979,492 was spent and there was a surplus of Kshs. 7,758,183 which is a decline as compared to last year's Kshs. 26,969,525. At the close of the financial year, Likoni NGCDF had not yet received Kshs. 50,455,597 from the NGCDF Board.

There have been emerging issues like political, economic, social and other challenges influencing the implementation of NGCDF projects such as late approval of proposals, delays in disbursement of funds, loss of Authority to Incur Expenditure and the disbandment of all NGCDF Committees in February, 2016, land issues etc.

Otherwise it's my hope that together with my team we are now prepared to work extra hard to ensure that all that was not done in the previous financial year is done so that Likoni can benefit fully from the funds allocated to it.

### **OFFICE OF THE AUDITOR-GENERAL**

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – LIKONI CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

#### **REPORT ON THE FINANCIAL STATEMENTS**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Likoni Constituency set out on pages 5 to 26, which comprise the statement of financial assets as at 30 June 2016, and the statement of receipts and payments, statement of cash flows, summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

#### Management's Responsibility for the Financial Statements

The management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

#### Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of Public Audit Act, 2015 and submit the report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with International standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation

and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified opinion.

#### Other Matter

#### 1.1 Budgetary Performance

During the year under review, Likoni Constituency Development Fund had a budget of Kshs.154,010,073 and expenditure of Kshs.65,979,492 or 43%, resulting to under expenditure of Kshs.88,030,581 or 57% as summarised below:

Item	Budget (Kshs.)	Expenditure (Kshs.)	Under Absorption (Kshs.)	Under Absorption (%)
Compensation of Employees	3,156,607	2,198,500	958,107	30
Use of Goods and Services	9,964,264	2,602,648	7,361,616	74
Transfers to Other Government Units	81,380,000	47,505,000	33,875,000	42

Undisbursed or unspent funds means some projects could not be implemented or completed as planned. Without specific completion timelines projects may delay or stall due to cost escalation with possible negative impact on service delivery to the residents of Likoni Constituency.

My opinion is not qualified in respect of these matters.

(a) Analysis of under utilization of funds(below 50% of utilization)

- i. There was underutilisation of use of goods and services which consists of utility bills, committee expenses and allowances. Being the bigger share of expense the committee expenses and allowances were not spent as planned due to the disbandment of NGCDF Committees thus no expenditure could be undertaken in their absence.
- ii. Other grants and payments-These consisted of bursary of Kshs. 20,000,000 which the committee was not in office to approve expenditure and others projects like roads which the NGCDF Board could not approve as they were caught in by the incoming into force the NGCDF Act 2015.
- iii. Audit fees were also disallowed and later were reallocated.

The Likoni NGCDF financial statements were approved on 23 - 12 - 2016 and signed by:

Chairman NGCDF

**Fund Account Manager** 

#### VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

#### 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NGCDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NGCDF.

#### 2. Recognition of revenue and expenses

The NGCDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NGCDF. In addition, the NGCDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NGCDF.

#### 3. In-kind contributions

In-kind contributions are donations that are made to the NGCDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

#### 4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 5. Pending bills

. .

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

#### 6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NGCDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NGCDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

#### 7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

#### 8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2016.
