I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

**II. FOREWORD BY THE CHAIRMAN-MOGOTIO NATIONAL GOVERNMENT
CONSTITUENCY DEVELOPMENT FUND COMMITTEE.**

INTRODUCTION

Mogotio Constituency is one of the six Constituencies in Baringo County. The other five Constituencies are Eldama Ravine, Baringo North, Baringo south, Baringo Central and Tiaty. The Constituency has 3 wards namely: Mogotio, Kisanana and Emining. Administratively the Constituency has 23 locations and 50 sub-locations. The Constituency is delineated IEBC 161. In the financial year 2018/2019, Mogotio Constituency had a budget allocation of Kshs.167,670,087. which was budgeted as follows:

Budgeted Activity	Amount(Kshs.)
Compensation of employees	3,150,000
Use of goods and services	10,810,385
Transfer to other government entities	75,620,000
Other grants and transfers	76,589,701
Acquisition of assets	1,500,000
TOTAL	167,670,087

Average budget absorption rate stood at 66% which is above average. The absorption rate was affected by delays in disbursement of funds by NGCDF Board and low capacity amongst NGCDF Committees and PMCs to absorb the fund. Proper sensitization needs to be done on the need for faster utilization of funds. The key areas of focus were as follows:

The table below shows budget allocation

Sector	Budget allocation (Kshs)
Primary school	54,894,723
Secondary school	21,020,000
Emergency	7,706,993
Environment	3,150,126
Use of Goods and Services	7,391,926
Bursary-secondary schools	27,500,000
Bursary-tertiary institutions	18,425,658
Electricity	4,405,277
Security	7,400,000
Sports	3,030,753
Strategic plan	2,677,027
Committee expenses	3,417,604
Compensation of employees	3,150,000
Acquisition of assets	1,500,000
Constituency innovation hubs	2,000,000
Total	167,670,086

The allocation includes balances brought forward from the previous year of Kshs.349, 196
From this analysis, it is clear that education sector took the largest share of the budget. This is in line with the mandate of NGCDF to focus on National Government functions. The Mogotio NGCDF will continue to support infrastructure development in the education sector and security being the major functions of National Government.

Fig 1.2: Mobile Laboratory: Mogotio NGCDF in the financial year 2018/2019 funded. over 14 Day schools which do not have science laboratories were supported to purchase mobile laboratory benches, this is an effort to equip students with the requisite knowledge and skills to tackle science subjects.

As we continue implementing NGCDF projects there are a number of emerging issues and challenges. Key among them are:

- a) The case of ongoing projects in the sectors that have been devolved
 - ECDs – The on-going construction of ECDs are no longer funded by NG-CDF since it was taken over by the county government
 - Dispensaries- After it been devolved many on-going projects which were under NG-CDF stopped.
 - Cattle dips-
- b) Uncertainty brought about by unending court cases
- c) The relationship between the two levels of government
- d) Insufficient funds and politics

Way forward

There is need to increase the NGCDF funding to address more needs and build capacity of implementing agencies. The NGCDF will continue to engage all stakeholders in the implementation of projects.

**III. STATEMENT OF MOGOTIO NATIONAL GOVERNMENT CONSTITUENCY
DEVELOPMENT FUND MANAGEMENT RESPONSIBILITIES**

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-MOGOTIO Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-MOGOTIO Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *Mogotio NGCDF* financial statements give a true and fair view of the state of Mogotio NGCDF transactions during the financial year ended June 30, 2019, and of the Mogotio NGCDF financial position as at that date. The Accounting Officer incharge of the NGCDF-MOGOTIO Constituency further confirms the completeness of the accounting records maintained for the Mogotio NGCDF, which have been relied upon in the preparation of the Mogotio NGCDF financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-MOGOTIO Constituency confirms that Mogotio NGCDF has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that Mogotio NGCDF funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms Mogotio NGCDF financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-MOGOTIO Constituency financial statements were approved and signed by the Accounting Officer on 6th February 2020.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - MOGOTIO CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund (NGCDF) - Mogotio Constituency set out on pages 1 to 54, which comprise the statement of financial assets and liabilities as at 30 June, 2019, statement of receipts and payments, statement of cash flows and the summary statement of appropriation- recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the NGCDF - Mogotio Constituency as at 30 June, 2019 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Errors in Annual Report and Financial Statements

The annual report and financial statements prepared and presented for audit had the following presentation and disclosure errors;

- 1.1 Pages 3, 4, 34, 36 and 38 do not indicate the reporting currency;
- 1.2 Information contained in Pages 4 and 19 footnotes is misleading and unclear;
- 1.3 Page Vii of the annual report reflects average budget absorption of 66% while in the summary statement of appropriation reflects 64%;

1.4 The explanatory notes of the summary statement of appropriation- recurrent and development combined at page 4 are inconsistent with those in the statement and

1.5 Annexures to the financial statements from page 54 onwards are not paginated and headed.

This is contrary to the format prescribed by the Public Sector Accounting Standard Board (PSASB) in accordance with section 194(1)(d) of the Public Finance Management Act, 2012.

Consequently, the annual report and the financial statements for the year ended 30 June, 2019 as prepared and presented are not IPSAS compliant.

2. Discrepancies Between Comparative and Audited Financial Statements Balances

The comparative balances in the financial statements for compensation of employees and use of goods and services under Notes 4 and 5 respectively varied with the audited balances as detailed out below.

Item	Comparative Balances (Kshs)	Audited FS (Kshs)	Variance (Kshs)
Compensation of Employees	1,549,903	1,512,703	37,200
Use of Goods and Services	4,796,247	3,378,248	1,417,999
Total	6,346,150	4,890,951	1,455,199

No explanations have been rendered for the discrepancies.

Consequently, the accuracy and completeness of the comparative figures under Notes 4 and 5 to the financial statements for the year ended 30 June, 2019 could not be confirmed.

3. Variance in the Summary Statement of Appropriation-Recurrent and Development Combined

The summary statement of appropriation - recurrent and development combined reflects Nil budget and actual on comparable basis balances on acquisition of assets while the statement of receipts and payments reflects expenditure of Kshs.183,700. The inconsistency has not been explained.

In the circumstance, the accuracy of the summary statement of appropriation- recurrent and development combined for the year ended 30 June, 2019 could not be confirmed.

4. Variance in the Budget Execution by Programmes

The statement of receipts and payments reflects compensation of employees cost of Kshs.2,768,487 while the budget execution by programs and sub programs reflects amount of Kshs.2,840,856 resulting to unexplained variance of Kshs.72,369. In the circumstance, the accuracy of the budget execution by programs and sub programs for the year ended 30 June, 2019 could not be confirmed.

5. Variance between the Cashbook and Board of Survey Balance

As previously reported, the statement of assets and liabilities reflects comparative bank balance of Kshs.3,844,728 which differed with the board of survey balance of 30 June, 2018 of Kshs.3,927,528 resulting to unexplained variance of Kshs.82,800. The variance had not been resolved as at 30 June, 2019.

In the circumstance, the accuracy of the bank balance of Kshs.5,945,651 as of 30 June, 2019 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the NGCDF - Mogotio Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1.0 Other Matter

1.1 Budgetary Control and Performance

The summary statement of appropriation: recurrent and development combined reflects final receipts budget and actual on comparable basis of Kshs.167,670,087 and Kshs.112,629,211 respectively resulting to an under-funding of Kshs.55,040,876 or 33% of the budget. Similarly, the Fund spent Kshs.106,683,560 against an approved budget of Kshs.167,670,086 resulting to an under-expenditure of Kshs.60,986,526 or 36% of the budget. The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the residents of Mogotio Constituency

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Projects Implementation Status

The statement of receipts and payments reflects transfers to other government units of Kshs.32,964,724;(2018-Kshs.8,576,421) and as disclosed under Note 6 to the financial statements. Review of the project implementation status report as of 30 June, 2019 revealed the following unsatisfactory issues: -

1.1. Incomplete Projects

Three (3) projects that involved completion of latrines, dormitory flooring and plastering that were physically verified lacked documentary evidence of completion through practical completion certificates health and occupational certificates as well as inspection and acceptance report. -

Further and as previously reported, Sirwa Primary School was allocated Kshs.300,000 for completion of one (1) classroom with the works comprising; flooring, ceiling, fixing door, windows and painting. However, physical verification held on 14 March, 2019 revealed shoddy and incomplete workmanship. There were also no expenditure returns hence, it was not possible to ascertain the actual amount already spent out of the allocated amount. In addition, there was no evidence of the shoddy work having been rectified as at the time of the audit inspection in February, 2020.

Consequently, it was not possible to confirm when the constituents will get value for money spent on the incomplete projects.

2. Other Grants and Other Payments

The statement of receipts and payments also reflects other grants and other payments of Kshs.60,348,204;(2018-Kshs.26,125,000) and as disclosed under Note 7 to the financial statements.

2.1. Incomplete Security Projects

Included in this amount are disbursement towards security projects of Kshs.3,650,000 for which physical verification of projects which entailed construction of two door latrines, and two chief's offices revealed that the construction had not been completed. No satisfactory explanation has been rendered for delays in completing the projects.

Consequently, it was not possible to confirm if and when the constituents will obtain value for money spent on security projects of Kshs.2,700,000 for the year ended 30 June, 2019.

2.2. Electricity Project

Included in other grants and other payments is payment of Kshs.4,405,277 on account of electricity expansion and installation of transformers in the constituency to Rural Electrification Authority (REA). However, the status report on the implementation of electricity projects were not made available.

Consequently, the regularity of electricity expenditure of Kshs.4,405,277 and utilization of the funds for the intended purpose could not be confirmed.

2.3. Doubtful Emergency Projects

Included in the emergency projects of Kshs.5,368,000 are payments of Kshs.750,000 for projects that fall outside the definition of emergency projects as per section 8(3) of the National Government Constituency Development Fund Act, 2015 as detailed out below;

Beneficiary	Cheque Number	Amount (Kshs)	Particulars
Mugurin Secondary School	101	200,000	Dormitory Electrification
Kipkitur Secondary School	186	150,000	Purchase of Chairs, Cabinets and Lockers
Kaplelwo Secondary School	202	300,000	Matron House Construction
Sirwa Secondary School	268	100,000	Lockers and Chairs
Total		750,000	

Consequently, the regularity of the emergency projects of Kshs.5,368,000 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT, AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Funds ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the Management is aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities

in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

IX. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-MOGOTIO Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2018 for the period 1st July 2018 to 30th June 2019 as required by Law. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2019.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

	<p>1.0 Inaccuracies in the financial statements: Amount-statement of Receipts and Payments-kshs.44,543,103-</p> <p>Amount-Statement of appropriation=kshs.44,892,299</p> <p>Difference between the two statements-kshs.349,196</p> <p>1.1 Differences between cashbook balance and Board of survey report</p> <p>The cashbook reflected closing cash at bank balance of Kshs 3,844,728 as at 30 June 2018 which differed with the board of survey report balance of Kshs 3,927,528.20 by unexplained variance of kshs 82,800.20.</p>	<p>1.0 Difference in Receipts figures The Ksh. 44,543,103 is the actual receipts received during the financial year 2017/2018. The difference of Ksh. 349,196 is the opening cashbook balance in the financial year 2017/2018 which had been recorded as receipt in the previous year.</p> <p>1.1 Difference between cashbook balance and Board of Survey Report The cashbook for Mogotio NGCDF has been updated to reflect accurate balances. There was an error of omission while lifting the figure for cash book balance in the financial year 2017/2018 whereby a wrong figure of Ksh. 3,927,528.20 was lifted instead of Ksh. 3,844,728.20. The National Treasury, Mogotio sub county has taken corrective measures in this case. The error is regretted.</p>	George Kamau-Fund Account Manager	Unresolved	5days

	<p>Budget utilization and performance: The summary statement of appropriation (Recurrent and Development combined) reflects final receipts budget of Kshs. 99,676,782 .However only Kshs 44533103 was received from the CDF Board and thus leaving a budgetary deficit of Kshs 54784483.the underfunding of Kshs 54784483 has not been explained despite the Board having approved the final budget. Consequently the constituents of Mogotio constituency were denied the much needed development activities.</p>	<p>The delays by the Board Secretariat in Nairobi in disbursing funds to the constituency affected the overall budget performance and led to low utilization and absorption of funds. This is a factor that is exogenous to Mogotio NG CDF.</p>	<p>George Kamau-Fund Account Manager</p>	<p>Unresolved</p>	<p>5days</p>
1	<p>Unbudgeted for projects: The statement of receipts and payment reflects other grants and other transfers of Kshs. 26,125,000 as detailed in note 7 to the financial statements. Out of this amount Kshs 600000 was incurred on environment projects.</p>	<p>Mogotio NGCDF committee partnered with the Boda Boda self-help group in the distribution and supply of tree seedlings across the constituency. This was done to support the youth and promote their activities besides sensitizing them on the need to conserve the environment. 	However examination of expenditure records produced for audit disclosed the amount was spent on construction of Bodaboda sheds instead of environmental activities as provided for in the approved budget	the tree seedlings. The Boda Boda network was tasked to distribute the tree seedlings and ensure they were protected from harsh environment by building sheds, nurseries and watering. I have attached acknowledgement letter of receipt of seedlings from the institutions for your verification and information			
	Non-acknowledgement of bursary: During the year under review, an expenditure of Ksh. 21,258,000 was incurred on disbursements of bursary to secondary schools and tertiary institutions. However only acknowledgement letters for Kshs 9,242,000 were presented for audit verifications leaving a balance of Kshs 12,061,000 unacknowledged	The bursary cheques are dispatched to the beneficiary institutions alongside a well-structured forwarding letter designed by Mogotio NGCDF. The bursary forwarding letter requests the various institutions to acknowledge the receipt of bursary cheque and raise receipts. The letter requires the bursary cheques acknowledgements plus the receipts to be sent through the addresses provided to Mogotio NGCDF office. Mogotio NGCDF office is also exploring other means of dispatching bursary cheques including the use of courier services and dispatching of staff to drop the cheques to the various institutions and collect receipts and acknowledgement letters. 	<p>that the projects funded were not of emergency in nature as required by section 8(3) of the NGCDF Act 2015.the expenditure was incurred in respect of construction of 4 door pit latrine, purchase of water tank, construction of new classrooms and construction of laboratory in various schools.it was therefore not clear why NGCDFC funded the projects contrary to law. Further no completion certificates were produced for audit verification to confirm the project had been completed</p>	<p>i. Oterit Secondary School (Ksh.300,000)</p> <p>The emergency funds were granted to the school for construction of 4-door latrine for boys. The school in its letter of request for the funds dated 21/05/2018 explained that as a result of increased students enrolment with 100% transition policy of the Government, the available latrines were insufficient forcing the students to queue for long and some opting to use the nearby bushes to relieve themselves posing danger to the environment and the risk of contracting diseases.</p> <p>ii. Mugurin Secondary School (Ksh. 100,000)</p> <p>The school was funded with emergency funds to purchase a water tank and construct a stand for the tank. The school explained that the boarders were experiencing acute water shortages especially during drought period some threatening to go on strike vide letter dated 13/01/2018</p> <p>The students were being forced sometimes to share water from nearby water pan with the livestock a situation that was exposing them to water borne diseases.</p>

The Mogotio NGCDF committee was convinced by the school explanation vide letter dated 21/02/2018 to fund the project through emergency funds. The project was constructed upto some level and left without lintel. The building blocks were left hanging without proper support. The committee considered that continued stay without proper support will lead to the blocks falling off occasioning losses as the project walling phase will need to be restarted. The heavy rain falling at that time was worsening the situation, Therefore there was need to grant emergency funds to the project.</p> <p>vii.
