- 2. **Kisii County Public Participation Amendment Bill 2021-**The bill was to give effect in ensuring, coordinating and establishing modalities for public participation of communities and to develop the administrative capacity for effective exercise of the functions and participation in governance of the County.

The budget for the FY 2020/2021 was passed by the County Assembly on 23rd June 2020. There was one (1) supplementary budget adopted on 17th February 2021.

2.3 Performance of key development projects

The County Assembly has in it is long-term development plan projected to;

- Construct a modern debating chamber. The current one inherited from the defunct municipal council is smaller compared to the increased number of elected and nominated representatives and limitations of space and facilities in the public gallery.
- Construct modern administration block, to provide adequate physical infrastructure and facilities to improve operations and service delivery of the County Assembly Service; and.
- Construct offices in all the 45 wards to enhance parliamentary service delivery to the public at the local levels.

The Assembly completed the construction of four ward offices at Bomariba, Bobaracho, Bogeka & Masige East wards in this Financial Year. The construction of a Modern Administration Block at the Assembly Headquarters had been planned for completion by June 2021. However, delays in disbursement of funds to the County Assembly led to the extension of the completion date to December 2021. A planned multi-year project for the construction of a Modern County Assembly chambers which had been earmarked to commence in the year 2019/2020 did not materialize due to the effects of COVID-19 and lack of funding.

2.4 Comment on value-for-money achievements

With a vision of being a model county legislature that promotes good governance for the prosperity of Kisii County, the Assembly encourages citizen participation and incorporates public views in planning and implementation of its development programmes. In the year under review,

the public was engaged in formulation of the Annual Development Plan (ADP), County Physical Strategy Paper (CPSP), Finance bill, and Budget estimates.

Other public participation commitments were in;

- Formulation of Kisii County Public Participation Amendment Bill 2021 which was done by a joint committee of Delegated County Legislation and Justice and Legal Affairs committees. This was carried out on 4th March 2021.
- Site visit to inspect Fish multiplication centres in Kisii Town, Bomorenda and Tendere markets on 25th March 2021.
- Formulation of the Kisii County climate change Bill 2020 conducted by the Environment, Energy, Water and Natural resources on 25th March 2021.
- Site visit to inspect Ekerorano gas storage and filling plant by the Environment, Energy, Water and Natural resources committee.

2.5 Challenges and Recommended Way Forward

The main challenges that were faced during the FY 2020/21 included the following;

1. Delay in disbursement of funds.

There was delay of disbursement of the June allocation from the national treasury which led to the county assembly not meeting its financial obligations as at the end of the financial year.

2. COVID-19 pandemic outbreak.

Due to the effects brought about by the Covid -19 pandemic, the County Assembly Could not fully utilize its budgetary allocation.

3. Political Instability.

Due to political instability, there was destabilization of normal operations at the assembly which led to the budget not to be fully utilized.

4. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

The County Assembly of Kisii aims to improve the livelihoods of the people of Kisii County through effective Legislation, Oversight and Representation. We are guided by Our Core Values which include; Inclusivity, the rule of law, Democracy, Equity, good Governance, Integrity, Transparency and Accountability. Below is a brief highlight of our achievements in each pillar;

1. Sustainability strategy and profile

The County Assembly has developed a five year strategic plan (2018-2023) that outlines the Objectives and activities that will guide us in deepening our parliamentary culture and improving the administrative mechanisms of our institution to better serve the public. The plan provides a framework for resource planning to enhance the performance of the Assembly's Core mandate of Legislation, Oversight and Representation.

2. Environmental performance

The County Assembly through standing order 191 has established a standing Committee on Energy, Water, Environment & Natural Resources which is mandated to consider all matters relating to Implementation of specific government policies on Natural Resources and environmental conservation including Soil, Water, Forestry, Energy and Control of Air & water pollution and other public Nuisances.

In FY 2020/21 the committee was able to consider matters on;

- i. Climate change Bill, 2020
- ii. Fish multiplication centres.
- iii. Water resource management.
- iv. Solid and liquid waste Management.

The Committee Concluded and produced two reports on quarrying activities at Nyamonema and another on the Compliance status of the mitigation strategies to safeguard surrounding environment- Ekerorano Liquefied Petroleum Gas (LPG) plant.

3. Employee welfare

The County Assembly has developed a Human Resource Manual that outlines best human resource management practices and employee welfare. The assembly also has in place a training policy manual that guides in managing the training needs of the assembly. All the members of the County Assembly are covered under medical insurance scheme.

4. Market place practices-

a) Responsible competition practice.

All our engagements with suppliers, business partners and other stakeholders is done competitively through open platforms and in line with relevant laws and regulations. The Assembly emphasises Zero tolerance to corrupt practices.

b) Responsible Supply chain and supplier relations.

The Assembly has fully embraced the Electronic Procurement System through the Government recommended Integrated Financial Management Information System (IFMIS). All our procurement is done as per the Public Procurement and Disposal

Act 2015. The management ensures Suppliers are promptly paid and discourages instances of accumulated pending bills.

c) Responsible marketing and advertisement

The County Assembly disseminates its marketing and advertising information through open media with a wider coverage. The assembly follows ethical marketing practices and favourably responds to feedback.

d) Product stewardship

The Assembly ensures that product Quality and Safety meets the acceptable standards. The inspection and acceptance committees take responsibility of making sure that products and services are of good and standard quality and meet user expectations.

5. Community Engagements-

The Assembly promotes public participation in its legislative processes. It educates the public on the law making process and incorporates the public views. The Assembly is also open to Research and Educational institutions which are allowed access to information and visitations including internships.

In the Financial Year 2020/21 the Assembly through a Supplementary Budget released some of its budgeted funds to the County Executive to assist in the constructing and repair of county roads to enhance accessibility.

5. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Sections 164 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer of a County Government Entity to prepare financial statements in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Clerk of the County Assembly is responsible for the preparation and presentation of the County Assembly's financial statements, which give a true and fair view of the state of affairs of the County Assembly for the year ended June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Assembly; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Assembly; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Clerk accepts responsibility for the County Assembly's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Clerk is of the opinion that the County Assembly's financial statements give a true and fair view of the state of the County Assembly's transactions for the year ended June 30, 2021, and of its financial position as at that date. The Clerk further confirms the completeness of the accounting records maintained for the County Assembly which have been relied upon in the preparation of its financial statements as well as the adequacy of the systems of internal financial control.

Enhancing Accountability

REPORT OF THE AUDITOR-GENERAL ON COUNTY ASSEMBLY OF KISII FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of County Assembly of Kisii set out on pages 1 to 42, which comprise the statement of financial assets and liabilities

as at 30 June, 2021, and the statement of receipts and payments, statement of cash flows and statement of comparison of budget and actual amounts - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Assembly of Kisii as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Act, 2012.

Basis for Qualified Opinion

Unsupported Expenditure on Foreign and Domestic Travel

The statement of receipts and payments for the year ended 20 June, 2021 reflects an expenditure of Kshs.301,913,481 on use of goods and services as disclosed in Note 5 to the financial statements. The balance includes an amount of Kshs.2,454,662 in respect of foreign travel and subsistence. However, supporting documents for the expenditure were not provided for audit review.

Further, the Note includes domestic travel and subsistence expenditure of Kshs.137,306,830 out of which an amount of Kshs.11,350,000 was incurred on public participation. The expenditure was incurred through cash purchases from temporary imprests issued to Members of the County Assemblies (MCAs) for hiring of public address system, public ground, tents and chairs; purchase of stationeries, refreshments, snacks and beverages; and payment of facilitation fees to the members of public during various public participation activities in April, May and June, 2021.

Review of documents supporting the public participation imprest surrender vouchers revealed that the attendance list was not signed by all participants. Further, the attached cash sales receipts did not have official KRA electronic tax register receipts to confirm that the trading entities were tax compliant.

In the circumstances, the validity and occurrence of the foreign and domestic travel and subsistence expenditures of Kshs.2,454,662 and Kshs.137,306,830 respectively for the year ended 30 June, 2021 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the County Assembly of Kisii Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1. Budgetary Control and Performance

The statement of comparison of budget and actual amounts - recurrent and development combined for the year ended 30 June, 2021 reflects final receipts budget and actual on comparable basis amounts of Kshs.1,021,250,968 and Kshs.962,258,658 respectively, resulting in an under-funding by Kshs.58,992,310 or 6% of the budget. Similarly, the County Assembly spent an amount of Kshs.962,297,766 out of the approved expenditure budget of Kshs.1,021,250,968 resulting in under expenditure of Kshs.58,953,202 or 6% of the budget.

The under-funding and under-expenditure constrained execution of planned activities and delivery of services to the residents of Kisii County.

2. Late Exchequer Releases

The statement of receipts and payments for the year ended 30 June, 2021 reflects transfer from County Treasury/Exchequer releases of Kshs.962,258,658 which includes an amount of Kshs.77,431,718 disbursed by the County Treasury in July, 2021 after 30 June, 2021.

Late exchequer releases could have had adverse effects on the implementation of the planned activities and projects by the County Assembly of Kisii.

3. Pending Bills

Disclosed in Annexure 1 in the financial statements are pending account payables amounting to Kshs.64,940,108 which were not settled during the year under review but were carried forward to 2021/2022 financial year. The Management has not explained why the bills were not settled during the year when they occurred. Failure to settle the bills negatively impacts on the subsequent year's budget provisions against which they have to be charged to.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

3

Basis for Conclusion

1. Extension of Library, ICT Centre and Procurement of Offices

The statement of receipts and payments reflects expenditure on acquisition of assets of Kshs.55,453,330 as disclosed in Note 10 to the financial statements. The expenditure includes an amount of Kshs.46,945,330 in respect of construction of buildings, which further includes an expenditure of Kshs.35,360,709 paid to a contractor for the construction of the main office block at the Assembly Headquarters in Kisii Town.

The contract was awarded at a contract sum of Kshs.195,000,000 for a period of thirty (30) months ending June, 2021. The works consisted of extension of library, ICT Centre and Procurement of Offices to host the Members of County Assembly Offices. Physical verification on 14 October, 2021, revealed that the contractor was not on site and the project was behind schedule.

In the circumstance, expenditure of Kshs.35,360,709 paid to the contractor could not be confirmed.

2. Non-Compliance with the Law on Fiscal Responsibility-Wage Bill

The statement of receipts and payments reflects expenditure of Kshs.604,885,796 as disclosed in Note 4 to the financial statements. The expenditure is 63% of the Assembly's total exchequer receipts of Kshs.962,258,658 in the year under review. This is contrary to Regulation 25(1)(b) of the Public Finance Management (County Governments) Regulations, 2015, which requires the County Government expenditure on wages and benefits for public officers not to exceed 35% of the County Government total revenue.

The Management was in breach of the law.

3. Non-Compliance with Law on Ethnic Composition

A review of the personnel records indicate that the County Assembly had two hundred and seventy four (274) employees as at 30 June, 2021 out of which, two hundred and sixty seven (267) or 97% comprised members of the ethnic community dominant in the County. This is contrary to Section 65(1) of the County Governments Act, 2012 and Section 7(1) and (2) of the National Cohesion and Integration Act, 2008.

The Management was in breach of the law.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

1. Ineffective Audit Committee Function

The Assembly Audit Committee did not hold any meeting during the year under review and only held the last meeting on 10 September, 2019. Consequently, the Audit Committee did not effectively discharge its oversight role as envisaged in Regulation 159 (2) of the Public Finance Management (County Governments) Regulations, 2015 which provides that each year, the Audit Committee shall carry out annual review of the independence, performance and competency of the internal audit unit and comment on their effectiveness in the annual report.

2. Lack of an Approved ICT Policy

Review of IT control environment revealed that the ICT Policy addressing areas of security and program change management, physical access, environmental and logical access control was still in draft form and had not been approved by Management. As a result, the County Assembly was exposed to breaches of information confidentiality, data integrity and loss of business continuity.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the ability of the County Assembly of Kisii to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the County Assembly or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the County Assembly's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation

to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the County Assembly of Kisii to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Assembly to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Assembly of Kisii to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

7.8. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions. The statement of assets and liabilities, although not a requirement of the IPSAS Cash Standard, has been included to disclose information on receivables and payables.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The financial statements are for the Kisii County Assembly. The financial statements encompass the reporting entity as specified in section 164 of PFM Act 2012.

3. Recognition of receipts and payments

a) Recognition of receipts

The County Assembly recognises all receipts from the various sources when the event occurs, and the related cash has been received by the Assembly.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

i) Transfers from the Exchequer/ County Treasury

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

ii)Other Receipts

Other receipts relate to receipts such as tender fees among others. These are recognised in the financial statements when the associated cash is received.

b) Recognition of payments

The entity recognises all expenses when the event occurs, and the related cash has actually been paid out by the entity.

i) Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

ii) Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

iii) Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of

acquisition and proceeds from disposal of these items are treated as payments and receipts items

respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal

consideration and the fair value of the asset can be reliably established, a contra transaction is

recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes

of consolidation. This summary is disclosed as an annexure to the consolidated financial

statements.

4. In-kind contributions

In-kind contributions are donations that are made to the Kisii County Assembly in the form of

actual goods and/or services rather than in money or cash terms. These donations may include

vehicles, equipment or personnel services. Where the financial value received for in-kind

contributions can be reliably determined, the Kisii County Assembly includes such value in the

statement of receipts and payments both as receipts and as an expense in equal and opposite

amounts; otherwise, the contribution is not recorded.

13

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

5. Third Party Payments

This relates to payments done directly to supplier on behalf of the county governments such as; national government may fund the operation of health or education program, a donor may pay directly for construction of a given market etc. Details of payments by third parties on behalf of the county government is detailed in the notes to this financial statement.

6. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

There were no other restrictions on cash during the year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third

parties have been recognized as accounts payables. This is in recognition of the government

practice of retaining a portion of contracted services and works pending fulfilment of obligations

by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the

cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board.

Other liabilities including pending bills are disclosed in the financial statements.

9. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized

as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the

entity fixed asset register a summary of which is provided as a memorandum to these financial

statements.

10. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted

goods or services during the year or in past years. As pending bills do not involve the payment of

cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to

provide a sense of the overall net cash position of the Kisii County Assembly at the end of the

year. Pending bill form a first charge to the subsequent year budget and when they are finally

settled, such payments are included in the statement of receipts and payments in the year in

which the payments are made.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

11. Contingent Liabilities

A contingent liability is:

- A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) A present obligation that arises from past events but is not recognised because:
 - i) It is not probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.

Some of contingent liabilities may arise from: litigation in progress, guarantees, indemnities. Letters of comfort/ support, insurance, Public Private Partnerships. The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits or service potential is remote. Annex 6 of this financial statement is a register of the contingent liabilities in the year.

Section 185 (2) (i) of the PFM Act requires the County Government to report on the payments made, or losses incurred, by the county government to meet contingent liabilities as a result of loans during the financial year, including payments made in respect of loan write-offs or waiver of interest on loans.

12. Contingent Assets

The Entity does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

If it has become virtually certain that an inflow of economic benefits or service potential will

arise and the asset's value can be measured reliably, the asset and the related revenue are

recognized in the financial statements of the period in which the change occurs.

13. Budget

The budget is prepared on the same accounting basis (cash basis), the same accounts

classification basis, and for the same period as the financial statements. The Kisii County

Assembly budget was approved as required by Law. The original budget was approved by the

County Assembly on 23rd June 2020 for the period 1st July 2020 to 30 June 2021 as required by

law. There was one (1) supplementary budget passed in the year. The supplementary budget were

approved on 17th February 2021. A high-level assessment of the Kisii County Assembly actual

performance against the comparable budget for the financial year under review has been included

in the Statement of Comparison between actual and budgeted amounts included in these financial

statements.

14. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or

reconfigured to conform to the required changes in presentation.

15. Subsequent events

Events after submission of the financial year end financial statements to County Treasury and

other stakeholders with a significant impact on the financial statements may be adjusted with the

concurrence of the County Treasury.

17

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

16. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

17. Related party transactions

Related party transactions involve cash and in-kind transactions with the National Government, National Government entities and County Government entities. Specific information with regards to related party transactions is included in the disclosure notes.

In the year under review, the County Assembly had budgeted to receive Kshs.1,140,505,387 from the National Treasury but ended up receiving Kshs.889,788,575 which represents 78% of the approved budget. The National Treasury did not release funds for the month of June, 2020 to the County Assembly leading to the low absorption rate. The Assembly also experienced challenges in form of delays of Exchequer releases from the National Treasury.	Resolved	
3.1	Compensation of Employees	In the year ended 30 th June, 2020 compensation of employees' expenditure was Kshs.482,005,085, which was 54% the Assembly's total receipt of Kshs.889,281590 against the recommended threshold of 35%. The Salaries and Remuneration Commission (SRC) has since enhanced their salaries and allowances	Resolved

		with marginal adjustments of the ceilings by the Commission on Revenue Allocation (CRA). However, the decision by SRC to allow employment of at least 3 officers for each ward office in 2015 was then unforeseen and drastically increased the wage bill to date. This coupled with incremental credits for employees each year explains the higher wage bill. Nevertheless, the management shall endeavour to manage the wage bill by not engaging in new recruitment or filling of positions left vacant by staff attrition.		
3.2	Extension of Library and ICT Innovation Centre	The tender was awarded to M/S ABMO Links Limited of P.O. BOX 43263-00100, Nairobi. The tender code is KCA/C/005/2018-2021. The contract was signed on 8 th January, 2019 at a contract sum of Kshs.195,000,000. As at the time of audit, the contractor had been paid a sum total of Kshs.100,236,598. The project's completion date is 30 th June, 2021. As at the	Resolved

The project, as at the time of audit had entered the internal partitioning phase ahead of its close date which is 30 th June, 2021. The project manager hoped that the project will be completed as planned. On 27 th March, 2020, the Public Health Officer in Charge of Kisii Municipality issued a Stop Notice to the contractor to suspend work in a bid to enforce compliance with the Ministry of Health Safety Protocols relating to the prevention and spread of Corona Virus. This notice affected the contractor's staff and workers who temporarily vacated the site. However, the contractor later resumed work after meeting the set Public Health guidelines and he is currently on site. In the FY 2020/2021, the Assembly has provided for a sum of Kshs.94,968,743 in its Budget. With this allocation, the project will

The Management acknowledges that the Kisii County Assembly staff composition is made up of members of the dominant ethnic community in the County. However, out of the 355 employees, 70 are Members of the County Assembly while 135 are ward office staff on contract and are usually recruited from their wards of origin by the Members of the County Assembly. The remaining 150 employees were recruited by the County Assembly service Board. Some of the staff members were inherited from the defunct Municipal Council while nearly all applicants for jobs when devolved governance was established were from the local community.
