## II. NG-CDFC CHAIRMAN'S REPORT

**Mr. Hillary W. Wafula – Chairman Kimilili NGCDF.**

I am privileged to present our annual financial report for the FY 2021/2022. This year we have had a very major challenge with the outbreak of Covid 19 virus that slowed down our core mandate of development within the constituency. However, we witnessed an improved performance in the overall management of the fund; we have equally launched some of the projects that had been earlier initiated. We continue to boast of a committed and qualified team that has adapted to the challenges facing the fund thus demonstrating our ability to deliver substantial, sustained value for money to our constituents.

### **BUDGET PERFORMANCE**

We are proud to share with you that we had an 88% utilization of funds received from the NG-CDF Board. Utilization of funds helps us enhance our core focus and objectives of serving the constituents of Kimilili.

### **KEY ACHIEVEMENTS DURING 2021/2022 FY**

Strong management and governance have been key components of our operational model. This has resulted into the following key achievements during the year:

1. Completion of key Flagship Projects

ICT Centre

Kamukuywa FYM Primary School (8 Classrooms)

2. Bursary Disbursement

Our bursary award scheme for 2021/2022 was able to benefit way more than 5000 beneficiaries with a minimum of 10,000/= per beneficiary. Besides, we set aside money that benefitted special groups including Persons with Disability (PWD) and Orphans (OVCs).

3. Constituency Tree Planting Day

As a committee, we reckon that trees play an important role in enhancing quality of our environment as envisaged under the sustainable development goals. We actively participated in our Constituency based tree planting activity where we planted more than 100,000 seedlings in institutions cutting across the constituency.

4. Sports.

Sports are a crucial part of growth and development. They help in the development of mental health and physical fitness of the body. As a committee, we organized constituency sports tournament to nature the talent of youths in sports.

5. PMC and CDFC capacity building workshop.

As a way of ensuring smooth operation of the fund as stipulated in the NG-CDF Act (2015), we prioritized training of the key implementers of the fund. We thus had a successful two-day training workshop of all NG-CDF Staff, all PMCs, and a select PMC and key departmental heads. The training was focused on empowering the key stakeholders with knowledge on the emerging issues related to NG-CDF Fund.

**KEY IMPLIMENTATION CHALLENGES.**

We experienced operational challenges in the course of the year. These included but were not limited to the following:

1. Most of the PMC members were not well acquainted to the operational nature of the fund. To this regard, the committee embarked on capacity building activities scheduled throughout the FY to empower the PMCs, NG-CDF staff as well as committee members on issues of importance in the operation of the fund.
2. Piece meal funding from the NG-CDF Board curtailed efficient implementation of projects by the committee. The committee therefore agreed to hasten the utilization of funds as received from the board as well as prevailing upon the board to fast track release of funds.

In summary, 2021/22 was a year of great performance. We have demonstrated we have the right strategy, the right culture and the right geographical footprint to deliver consistent and sustained value for our constituents. We enter 2022/2023 in excellent shape and a positive note. We have recently signed a performance contract with the NG-CDF Board which I am convicted will improve on our performance

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid- 19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Kimilili Constituency as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

### **Basis for Qualified Opinion**

#### **1. Unsupported Bursary Payments**

The statement of receipts and payments reflects Kshs.35,868,179 as other grants and payments which, as disclosed in Note 7 to the financial statements includes Kshs.19,175,972 and Kshs.8,000,000 being payments of bursary for students in secondary schools and tertiary institutions respectively. The statement of assets and liabilities reflects net financial position of Kshs.50,000 comprising fund balance brought forward of Kshs.7,101,788 and deficit for the year of Kshs.7,625,972. However, recast of the balances revealed a balance of Kshs.(524,184).

I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of

financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

The summary statement of appropriation reflects approved final receipts budget and actual on comparable basis of Kshs.177,764,851 and Kshs.164,764,851 respectively resulting to an under-funding of Kshs.13,000,000 or 7.3% of the budget.

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **1. Failure to Pay Gratuity on Expired Contracts**

As previously reported, review of compensation of employees records revealed that the Fund did not pay gratuity amounting to Kshs.1,244,605 on contractual employees whose contracts expired during the year. This is contrary to provisions of Section 35(5) of the Employment Act, 2007, which stipulates that an employee whose contract of service expires shall be entitled to service pay for every year of service worked, the terms of which shall be fixed.

In the circumstances, Management was in breach of the law.

#### **2. Construction of 8-door Pit Latrine at Bitunyi Primary School**

In the financial year under review, Kshs.500,000 was spent on environment project to construct 8-door pit latrine at Bitunyi Primary School. However, physical inspection revealed the project was incomplete despite the contractor having been paid fully; as

interior and exterior plastering of the walls and screeding of the floors had not been done. In addition, the latrines were not in use.

In the circumstances, value for money was not obtained.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Basis for Conclusion**

#### **Lack of Information Technology (IT) Internal Controls**

The Fund does not have an approved policy on Information and Communication Technology (ICT) including policies on IT continuity plan. Therefore, critical data or information may not be recovered in case of a disaster. Further, the Fund does not have an IT strategic or steering committee which could guide in implementation of IT governance as part of enterprise governance.

In the circumstances, the absence of strong IT internal controls puts the Fund at risk of losing essential data and information.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease its operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in

which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Reports and Financial Statements  
For the year ended June 30, 2022**

---

**External Assistance**

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

**b) Recognition of payments**

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

**Compensation of Employees**

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

**Use of Goods and Services**

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

**Acquisition of Fixed Assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

**5. In-kind contributions**

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

**6. Cash and Cash Equivalents.**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

**7. Accounts Receivable**

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

KIMILILI CONSTITUENCY**

**Reports and Financial Statements**

**For the year ended June 30, 2022**

---

**8. Accounts Payable**

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

**9. Pending Bills**

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as ‘memorandum’ or ‘off-balance’ items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

**10. Unutilized Fund**

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

**11. Budget**

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 30<sup>th</sup> June 2020 for the period 1<sup>st</sup> July 2020 to 30<sup>th</sup> June 2021 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

**12. Comparative Figures**

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**13. Subsequent Events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30<sup>th</sup> June 2021.

**14. Errors**

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

However, audit review procedures performed on the bank reconciliation statement for the month of June 2020 showed unrepresented cheques totalling to Kshs 3,397,828 out of which cheques totalling to Kshs 1,117,145 related to the period 31<sup>st</sup> Dec 2019 and earlier and were therefore stale. In addition, the unrepresented cheques included seventeen (17) cheques Nos. 6101 to 6117 with total value of Kshs 276,000 which were not recorded in the cashbook and were still being held and therefore do not constitute unrepresented cheques. Further, the unrepresented cheques figure included two (2) cheques number 5662 for Kshs 167,788 and No. 5974 for Kshs 5,499 which, according to the bank statements reviewed, they had been paid and no reason was provided for their inclusion.
