Finally, I wish to express my appreciation to the Honorable Members of the Committee who made useful contributions towards the preparation and production of this report.

It is my pleasure to report that the Departmental Committee on Finance and National Planning has considered the Public Procurement and Asset Disposal (Amendment) Bill, 2019 and has the honour to report back to the National Assembly with the recommendation that the Bill is **approved with amendments**.

Hon. Joseph Limo, M.P.

EXECUTIVE SUMMARY

The Public Procurement and Asset Disposal (Amendment) Bill (N.A. Bills No. 36 of 2019) was published on **13th May 2019** and read a first time on **Wednesday, 3rd July 2019** and thereafter committed to the Departmental Committee on Finance and National Planning for consideration pursuant to Standing Order 127.

The principal object of the Bill is to amend section 53 of the Public Procurement and Asset Disposal Act so as to prescribe a threshold for procurement by local firms and foreign firms in order to promote local industries and to provide for a penalty for any person who registers a firm on behalf of a non-Kenyan for purposes of benefitting from a procurement that falls within a prescribed threshold. This will increase procurement done by local firms hence increase employment opportunities and increase circulation of money in the economy.

CHAPTER FOUR

4 CLAUSE BY CLAUSE CONSIDERATION OF THE BILL

20. This part deals with the clause by clause consideration of the Bill by the Committee after taking into consideration the views of the aforementioned stakeholders.

4.1 Clause 1

21. Clause 1 provides for the short title of the Bill.

4.2 Clause 2

22. Clause 2 provides for definition of terms.

4.2.1 Stakeholders Views

Mr. Maurice Olunja

23. Mr. Olunja proposed that the word ‘*local*’ should be defined as ‘*citizen contractors 100% owned companies*’. This will distinguish between foreign companies that are registered locally from Kenyan citizens owned companies.

4.3 Clause 3

24. The clause amends section 53 of the principal Act

4.3.1 Stakeholders’ Views

Energy Sector Contactors Association

25. The Association proposed the amendment of sub-clause 3(a) by inserting the following new paragraphs:-

(6c) All materials, goods and services to be used in any procurement and which materials, goods and services are available in Kenya shall be sourced from local suppliers in Kenya.

(6d) For the purpose of ensuring maximum participation of local firms, citizen contractors, disadvantaged groups, small and micro enterprises in public procurement, procuring entities may unbundle goods, works and services in practicable quantities pursuant to section 31(7) of the Act.

26. The intent of the amendment is to enhance growth of local industries and safeguard local investments by ensuring continued business. It will bring to life “Buy Kenya, Build Kenya” initiative.

27. They proposed the amendment of section 53(9) of the Act by inserting the following new clause:-

‘An accounting officer who knowingly commences any procurement process without ascertaining whether the good, work or service is budgeted for and funding is provided commits an offence under this Act and shall be liable upon conviction to a fine not

exceeding ten million shillings or to a term of imprisonment not exceeding five years or both’.

28. The amendment will deter an accounting officer from knowingly commencing the procurement process without a budgetary allocation by making it punitive. It also provides that an accounting officer guarantees payment of services or goods rendered to a procuring entity. This will secure local businesses from collapse as a result of non-payment of services or goods.
29. They also proposed an amendment to clause 3(b) by inserting the following new paragraph immediately after paragraph 13:-

(14) All the subsections outlined in section 53 shall be included as part of the evaluation criteria for any procurement process pursuant to this Act.
30. The proposed amendment will ensure that the procurement process includes the requisite provisions and amendments.

Mr. Maurice Olunja

31. Mr. Olunja proposed an amendment to the clause in order to categorise the Bill particularly for construction works. He proposed that clause 3(a) should be amended as follows:-

Amend clause 3(a) by deleting paragraphs (6a) and (6b) and replacing with the following new paragraphs:-

(6a) The threshold for civil works/road works/building works e.t.c. should be up to KSh. 1B for local contractors.

(6b) The threshold for specialised construction works like electrical, electronic e.t.c. should be KSh. 500M for Kenyan citizen contractors and any amount exceeding KSh. 500M there will be a joint venture with a foreign company on the basis of 40% local and 60% foreign company.

Roads and Civil Engineering Contractors Association

32. RACECA proposed the insertion of the following new paragraph immediately after sub-clause (6a):-

(6aa) any procurement of less than KSh. 3B in respect of infrastructure projects shall be tendered and awarded to a local firm.

4.4 Clause 4

33. The clause amends section 70 of the Principal Act.

4.4.1 Stakeholders' Views

Roads and Civil Engineering Contractors Association

34. They proposed insertion of the following new paragraph between sub sections (i) and (ii) of section 70 of the Principle Act:-

‘For infrastructure projects, a local firm shall be evaluated on the basis of previous work done by the firm and not on the basis of financial turnover’.

35. The proposed amendment will address the problems that local firms have been experiencing and enable them to compete fairly with foreign companies hence enable them to grow.

4.5 New Clauses

36. The stakeholders proposed addition of the following new clauses to the Bill:-

4.5.1 Energy Sector Contractors Association

37. The Association proposed that section 6(1) of the Principal Act should be amended as follows:-

'subject to the Constitution, where any provision of this Act conflicts with any obligations of the Republic of Kenya arising from treaty, agreement or other convention ratified by Kenya and to which Kenya is party, the terms of this Act shall prevail'.

38. The amendment will ensure that the provisions of the Act prevail when in conflict with treaties, agreements and conventions ratified by Kenya which will aid the plight of local firms.

4.5.2 Mr. Michael Olunja

39. Mr. Olunja submitted that in order to ensure that there is conformity to the Public Procurement and Asset Disposal Act there should be a clause in the Act to ensure that there is a secretariat that reviews the tender document before it is floated and failure to conform with the requirement becomes an offence.

CHAPTER FIVE

5 COMMITTEE'S GENERAL OBSERVATIONS

The Committee observed as follows, THAT –

40. the Public Procurement and Asset Disposal (Amendment) Bill may present challenges in implementation as there may be limited local capacity to provide goods, works and services as envisioned by the sponsor of the Bill.
41. some contracts of value of less than a billion may require specialised capacity which may not be locally available. For instance, printing of ballot paper in a by election would cost less than a billion however, due to the sensitivity of printing the same locally, the contracts can only be executed by a foreign company so as to safeguard the integrity of the election.
42. the sponsor may consider amending the provisions of the PPDA relating the Participation of candidates in contracts under preference and reservations under section 157 of the Public Procurement and Asset Disposal, 2015.

CHAPTER SIX

6 COMMITTEE RECOMMENDATION

43. The Committee, having considered the Bill clause by clause and based on the aforementioned observations proposes to the House that the Bill be deleted in its entirety.

MIN.NO.NA/F&NP/2020/052: COMMUNICATION FROM THE CHAIRPERSON

The meeting was called to order at 10.28am and a prayer was said. The Chairperson then welcomed Hon. Benjamin Washiali, MP to make submissions on his Legislative Proposal.

MIN.NO.NA/F&NP/2020/053: CONFIRMATION OF MINUTES

Agenda deferred

MIN.NO.NA/F&NP/2020/054: CONSIDERATION OF THE INSURANCE PROFESSIONALS LEGISLATIVE PROPOSAL, 2019

Hon. Washiali, the Sponsor of the Legislative Proposal submitted that:-

The Bill intends to ensure professionalism in the insurance industry by establishing the Insurance Institute of Kenya like other professionals. The Institute will provide training for insurance professionals. This is because the insurance industry has many unscrupulous persons hence the need for legislation to regulate their conduct and in order to protect the citizenry.

MEMBERS' DELIBERATIONS

The meeting noted that the proposed Bill was a good legislation that will ensure professionalism in the insurance industry. They therefore recommended that the proposed Bill should be published.

**MIN.NO.NA/F&NP/2020/055: CONSIDERATION OF THE PUBLIC
PROCUREMENT AND ASSET DISPOSAL
(AMENDMENT) LEGISLATIVE, 2019**

Hon. Eng. Jungle Patrick Wainaina, MP informed the meeting that most contracts in the National and county governments were being awarded to foreigners. The Bill proposes that tenders should be divided into smaller bits so that the same tender can be awarded to more than one companies. Additionally, there should be engineer and market estimate price of different contracts in order to ensure that the amount allocated to the tenders will ensure that the work done is up to standard and also minimize wastage of resources. The contracts will be awarded to contractors who will quote prices that are either plus or minus 15% of the engineer and market price.

Further, the Bill proposes that a tender will be awarded to a successful tenderer by way of a bank guarantee. This will enable a contractor to be paid by the bank if the National or county government fails to pay them ninety (90) days after completion of the contract. The proposed Bill also proposes that there should be 1.5 stabilization rate for local contractors in order to give them a level playing field with the foreigners.

Finally, the Legislative Proposal provides that tenders below KSh. 1 billion should be awarded to locals.

MEMBERS' DELIBERATIONS

1. Members noted that the proposed Bill was good as it would cure numerous challenges that have been experienced by contractors in the country including late payment after completion of contracts;
2. Members noted that if enacted, the Bill will ensure that tenders are not awarded to tenderers who give very low quotations for tenders as most of them do below standard jobs;
3. Members were of the opinion that the bank guarantees may not be favourable to banks. Members requested Hon. Wainaina to give examples of countries where the bank guarantees have been implemented and worked successfully;
4. The meeting also noted that dividing tenders into small bits may not guarantee the same quality of the work and the contracts may not be completed within the same time frame due to difference in the capacity of the contractors; and
5. Members noted that the proposed Bill was good and proposed the following further amendments:-
 - i. A contract should be completed within the period in the contract failure to which the contractor should be penalized;
 - ii. The essence of variation in time and money should be captured in the proposed Bill;
 - iii. The number of days within which the bank guarantee takes effect should be captured in the Bill; and
 - iv. The proposed Bill should specify the Kenyan company that is being referred to.
6. The Committee recommended that the proposed Bill should be published.

**MIN.NO.NA/F&NP/2020/056: CONSIDERATION OF THE CENTRAL BANK OF
KENYA (AMENDMENT) LEGISLATIVE
PROPOSAL, 2019**

Hon. Oroo Oyioka, the sponsor of the Legislative Proposal submitted that the proposed Bill seeks regulation of the digital lending platforms by the Central Bank of Kenya. The interest rates

and penalties by such lenders are usually very high. He noted that regulating the digital lenders will help the government to collect more revenue through the registration fees.

MEMBERS' DELIBERATIONS

1. Members observed that the interest rate chargeable by the digital lending platforms should be similar to that of commercial banks;
2. Members noted that the proposed Bill should be amended to provide for regulations to shylocks in addition to the digital lenders; and
3. The Committee recommended that the Legislative Proposal should be published.

MIN.NO.NA/F&NP/2020/057: CONSIDERATION OF THE PENSIONS BILL, 2019

The Sponsor of the Bill, Hon. Didmus Barasa submitted that the objective of the proposed Bill is to save Kenyans from delayed payment of pension. The Legislative Proposal proposes that pension should be paid within ninety (90) days of retirement. He further noted that pension administrators will be committing an offense if they fail to pay pension and will be required to individually pay a fine of KSh. 1 million.

MEMBERS' DELIBERATIONS

1. Members noted that interest should be introduced to the amount of pension due to a member after the ninety (90) days until the pension is paid in full;
2. Members noted that the pension should be paid by the institution and not the pension administrator because most of the delays are occasioned by the institution and not the administrator;
3. Members proposed that an amendment should be made to ensure that pension due to a widow/widower should also be paid within ninety (90) days;
4. Members noted that the Pensions Act only recognizes widows and not widowers, they proposed that an amendment should be made to capture widowers too; and
5. The Committee recommended that the proposed Bill should be published.

MIN.NO.NA/F&NP/2020/058: CONSIDERATION OF THE PUBLIC FINANCE MANAGEMENT LEGISLATIVE PROPOSAL, 2019

The sponsor of the Legislative Proposal, Hon. Paul Abuor, did not attend the meeting. His Legislative Proposal will therefore be considered in another meeting.

MIN.NO.NA/F&NP/2020/059: CONSIDERATION OF THE PARLIAMENTARY PENSIONS LEGISLATIVE PROPOSAL, 2019

Hon. Jimmy Angwenyi, MP and Hon. Andrew Okuome, MP respectively. The Committee recommended that the Bill should be deleted in its entirety.
