**II. FORWARD BY THE CHAIRMAN NATIONAL GOVERNMENT CONSTITUENCY
DEVELOPMENT FUND COMMITTEE (NG-CDFC)**

The entity utilized its allocated budget for undertaking the slotted projects for the financial year. More than 70% of the fund has been utilized despite receiving the final disbursement towards the end of the financial year.

Over the year the entity improved water and sanitation through drilling and equipping of borehole in some schools. The entity also promoted infrastructural development in the education sector through construction of teacher's houses, classes, dormitories, administration block and improved access to road network through light grading and bush clearing of rural roads.

Additionally the fund has improved education standard by contributing to access and compilation, this is through payment tuition fees for needy and vulnerable student across the constituency

Emerging issues related to NG-CDF includes; Increasing population, Upcoming/increasing settlement, Increasing school enrolment and Global climatic change

There has also been implementation challenges such as; Security threat, Lack of clear boundary among constituencies and Political interference

For the Fund to thrive I recommend that there should be a minimum or no interference from the political figures and no projects should be undertaken in boundary conflict zone without the involvement of the concerned organs of the government

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – FAFI CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of National Government Constituencies Development Fund – Fafi constituency set out on pages 5 to 19, which comprise the statement of financial assets as at 30 June 2016, and the statement the receipts and payments, statement of cash flows, and summary statement of appropriation for the year then ended, a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standard (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the constitution. The audit was conducted in accordance with Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Fafi Constituency for the year ended 30 June 2016

the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Basis for Qualified Opinion

1.0 Cash and Cash Equivalent

The statement of financial Assets reflects cash and cash equivalents balance of Kshs.39,099,342 as at 30 June 2016. However the balance includes payments of Kshs.1,738,780 in the cash book not recorded in bank statement, which include stale cheques totaling Kshs.547,005.

No explanation has been given for not investigating and replacing the stale cheques or recrediting them back in the cash book.

In the circumstances, the cash and cash equivalents balance of Kshs.39,099,342 could not be confirmed as at 30 June 2016.

2.0 Bank Accounts Project Management Committee

The NG-CDF, Regulation of 2016 Section 15(10)(a) and (10)(b) enforces the maintenance of records of Bank accounts of Project Management Committee (PMCs) and to prepare quarterly reports for the same accounts.

Contrary to the regulation, records of the bank accounts held by the various project management committees were not maintained by the Constituency office. Further, no PMC's Bank Statements and cash books were maintained nor bank reconciliation statements for the PMCs accounts.

Consequently, it has not been possible to ascertain whether the funds or grants disbursed to the PMCs were properly managed, used for intended purpose and accounted for as at June 2016 .

3.0 Lack of the Constituency Oversight Committee

National Government Constituency Development Fund for Fafi Constituency did not appoint the Constituency Oversight Committee, contrary to Section 53(1) of the NG-CDF Act, 2015.

No explanation was given for not appointing the committee as required by Section 53(1) of the NG-CDF Act, 2015.

4.0 Irregular Award of Contracts

Examination of payment vouchers, project files and other records held at NG-CDF Fafi Office revealed that contracts amounting to Kshs.13,096,000 were irregularly awarded during 2015/2016 financial year. The contracts were not supported by documents such as tender opening minutes, technical evaluation report, inspection and acceptance committee reports, certificate of practical completions, contract agreements, confidential business questionnaires and relevant tender security and tender questionnaires.

In the absence of these relevant documents, it has not been possible to confirm that procurement procedures were followed while awarding contracts to various firms and whether the Fund got value for money.

5.0 Unaccounted For Bursary Funds

During the Financial year under review, the NG-CDF Fafi awarded bursaries totaling to Kshs.5,405,350 to needy students in various learning Institutions. However, the level of studies for the students was not indicated in the schedules. Further, there were no acknowledgement letters/receipts from the institutions to confirm that the bursaries payments were received by the institutions. Cheque dispatch register showing record of bursary cheques was also not maintained.

In view of the foregoing, it was not possible to ascertain whether the funds were utilized for the intended purpose and were accounted for as required as at 30 June 2016.

Qualified Opinion

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund – Fafi Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015.

Other Matter

Although the NG-CDF Fafi Constituency had budgeted for 44 projects the financial year 2015/2016 captured an extra 5 projects for 2014/2015. The total budget allocation for development was Kshs.131,488,360 or 90% with an actual expenditure of Ksh.98,333,379 resulting into a balance of Ksh.33,154,981 as at 30 June, 2016. The total allocation for recurrent was Kshs.14,512,648 but the NG-CDF management spent Ksh.8,968,287 with unspent balance of Ksh.5,544,361.

2.0 Unresolved Prior Year Matters

2.4 Irregular Award of Contracts - projects worth Kshs.10,398,689 lacked tender notices, tender opening minutes, tender awarding minutes and evaluation report.

2.5 Fixed Asset Register – The statement of receipts and payments reflected acquisition of Ksh.1,729,817(2014: Kshs.11,033,993) as at 30 June, 2015. Fixed Asset summary register indicated Kshs.11,033,993 (2014: Kshs.9,503,816) variance of Kshs.1,530,177 has not been explained.

Further, the resulting difference of Kshs.4,445,650 between the opening balance for fixed assets amounting to Kshs.5,058,166 and the comparative figures in the summary fixed assets of Kshs.9,503,816 not explained also.

VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NG-CDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NG-CDF.

2. Recognition of revenue and expenses

The NG-CDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NG-CDF. In addition, the NG-CDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NG-CDF.

3. In-kind contributions

In-kind contributions are donations that are made to the NG-CDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NG-CDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – FAFI
CONSTITUENCY**

For the year ended June 30, 2016

authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as ‘memorandum’ or ‘off-balance’ items to provide a sense of the overall net cash position of the NG-CDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NG-CDF’s budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NG-CDF’s actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2016.
