Mr. Gichara Kibara - Executive Director

Dr. Jesse Biddle - Director

**MINUTE NO. 12/2003:**

**REMARKS BY THE CHAIRMAN**

The Committee was informed that the urgency to deliberate on the Public Officer Ethics Bill, 2003 was no longer there because Parliament would be debating the Constitution of Kenya (Amendment) Bill, 2003 instead.

The Committee agreed that Mr. Kibara should give a brief to the Members on the Anti-Corruption and Economic Crimes Bill, 2003 and the Public Officer Ethics Bill, 2003.

**MINUTE NO. 13/2003:**

**PRESENTATION BY THE DIRECTOR OF  
THE CENTRE FOR GOVERNANCE AND  
DEMOCRACY**

Mr. Kibara briefed the Committee on the history of the establishment of the Anti-Corruption Authority. He pointed out the weaknesses of the two Bills as follows:-

Anti-Corruption and Economic Crimes Bills, 2003

- (i) The Attorney General's powers to take over proceedings and terminate them have remained intact and this could conflict with the prosecution powers given to the Kenya Anti-Corruption Commission.
- (ii) The Anti-Corruption Commission is said to be independent yet the Advisory Body is supposed to give it general direction and advice.
- (iii) The proposal by the Bill that during the transition period the Advisory Board which was in place before the repeal of the Prevention of Corruption Act, Cap.65 remain in office until a new Board is constituted under the Act and the head of the Anti-Corruption Squad remain in office till the new Director and his assistants are appointed is unconstitutional. This is because the office of the Director of KACC is a Constitutional Office. It is unconstitutional for an acting Director under a Statute to act in his place.
- (iv) The role of other stakeholders such as the Anti-Corruption Authority, professionals and private bodies would have their roles stipulated in the Act.

**MINUTE NO.13/2003:**

**OBSERVATIONS BY THE COMMITTEE**

The Committee made the following observations on the presentation:-

- (i) That, after the enactment of the Bills, a grace period should be provided where those accused of corruption

may return the money so as to be exempted from criminal prosecution.

- (ii) That, the Committee had dealt with the issue of confidentiality by deleting clause 29 of the Public Officer Ethics Bill, 2003.
- (iii) That, the private sector be partially included in the definition because there is also corruption in the private companies.

**MINUTE NO.14/2003:                      DATE OF THE NEXT MEETING**

The Committee scheduled to sit during a seminar to be held on Monday, March 17, 2003. The seminar is sponsored by the State University of New York (SUNY) to deliberate on the Anti-Corruption and Economic Crimes Bill, 2003.
