4. Management Team

4

There has been no formal appointment for Fund management team since the exit of the previous team

Name	Details of qualifications and experience

Note: The Fund Administrator will feature under both the 'Board' and 'Management'.

5. Fund Chairperson's Report

I wish to note that during the period ended June 30, 2023 the Fund which is domiciled under the department of social services had no budgetary allocation this being the third year since FY 19/20 that the fund had operated without.

The fund performance was heavily affected by the budgetary adjustments of the planned budget especially for the past three years FY 2020-21/21-22 /2022-23 which affected programs targeting persons with disabilities living in Nakuru County.

More of the fund was needed to address critical gaps in resources and new advocacy opportunities created by by post COVID-19. As dire as the situation is, there is opening as the budget for the coming FY 23/24 was approved and, we acknowledge, in particular, the Nakuru county Assembly for passing the budget, this will strengthen our capacity into the future, and for which we are deeply grateful.

During the coming Financial year 2023/24 we are optimistic the economic environment will improve as We endeavour to continue mobilizing resources from partners and other new donors from across the field, to come on board to fund our work at the intersection of gender and disability.this will help make the Fund independent from exchequers allocations, with the above assurance we are hopefull that the fund will go a long way in empowering the intended beneficiaries.

Chairperson of the Fund

6. Report of The Fund Administrator

As Reported above the department of Youth gender, Culture, sports and social services budgeted amount of Ksh 27,500,000 was not appropriated during FY 2022/23.

This budget was not approved at the county assembly and for the third year running the Fund did not receive any funding as requested.

To date the fund has been able only been able to utilize close to Ksh 55 Million since inception During FY 2018/19. The amount spent to support different programs such as Economic empowerment for both groups and individuals, Capacity building programs, Public participation and engagement, Administrative costs, Monitoring and evaluation and last but not least Mobility and assistive devices which have improved and enhanced social welfare for the Pwds in Nakuru county.

During the year under review the Fund was able not able to achieve on its planned objectives such as empowerment tools to the Pwds beneficiaries and the vulnerable throughout the wards support for Pwds registered groups and individuals amongst others.

Implementation challenges of strategic objectives for the County Fund experienced during the year under review include the implementation delay due to procurement bureaucracies. The Fund future budget allocation will be Ksh 27,500,000.00 for the coming year but in future will lobby for it to be increased to KSH 55 Million in order to fund more programs that the fund wishes to undertake in line with the approved budgetary plan.

7. Statement of Performance Against the County Fund's Predetermined Objectives

The Fund annual budget proposal was not met therefore it was not possible to achieve on our program targets in the year under

Introduction

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each County Government entity Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the county government entity's performance against predetermined objectives.

Progress on attainment of Strategic development objectives

Below we provide the progress on attaining the stated objectives:

Program	Objective	Outcome	Indicator	Performance
Provision of Mortgage facilities to all members of staff	To ensure all staff have access to Mortgage facilities	Number mortgages successfully applied	% of staff taking Mortgage facilities	During FY ,20 Members of staff accessed the facility and were able build their own houses
Social development programs	Develop, and promote socio economic empowerment.	Improved and enhanced social welfare.	Amount disbursed for the disability fund Number of assistive /mobility devices issued. No. of Pwds sensitized on AGPO No of Pwd's access to AGPO Pwds database in place	In FY 2022/2023 our budget proposals of Ksh 27,500,000 towards disability fund was not appropriated in the Final budgetary estimates passed by the County Assembly

· .

Õ

		Target was to reach about 5,000 beneficiaries in FY 2022/2023

	AII	

8. Corporate Governance Statement

There were no committee meetings held during the Year under review due to several factors key among them being the several changes witnessed affecting the membership of the Fund committee.

The management of the fund vest in the county persons living with disabilities fund committee which consists of the chief officer of social services who is the chairperson, Director of social services who is the Fund administrator and the Fund accountant. The management team have to be appointed in writing for them to assume office. There is also the Co-opted member for assisting with administrative issues.

The fund doesn't have a service charter but is currently is in the process of creating one in the future, the role of the administrative committee is to administer the fund as spelt out in the Fund regulations of 2016.

Members of the committee while evaluating PW d's requests always maintain processional and personal ethics are efficient, partial and meet the required deadlines.

9. Management Discussion and Analysis

As stated above the Disability fund is reporting on the Fund performance of **FY 2022/23** as indicated in the statements.

Through the use of the Fund the public participation is held and through it we are able to capture the needs of the people living with disability in Nakuru County but this has not been possible in the year under review due to lack of approved budget.

At the time of reporting, the Fund is in the process of initiating review of the fund act and regulations in order to best serve the needs of PW ds in Nakuru County.

We also wish to notify, the fund has complied with all the statutory requirements set. There are no major risks facing the fund in future.

10. Environmental and Sustainability Reporting

During the Financial year under review there were no corporate social responsibility undertaken by the Persons with disabilities fund.

The fund was not able to achieve much as it did not achieve any funding in the year under review.

11. Report of the Fund Administration Committee

The Fund submits their report of financial statements for the year ended June 30, 2023, which show the state of the Fund affairs.

Principal activities

The principal activities of the Fund are to support and empower persons living with disability

Results

The performance of the Fund for the year ended June 30, 2023, are set out on page1.

Trustees

The members of the *Administration Committee* who served during the year are shown on **page IV**. There were changes in the Administration Committee during the financial year as shown below:

Due to FY 2022/23 being a transitional year the Chairperson of the Fund Mr William Migwe left the department of social services where the fund is domiciled on November 2022. The new chief officer for Social services Madam Gladys Kamuren is to be the Chairperson of the fund . The Fund administrator and the Fund accountant Mr. Wesley Kipngok and Mr. Eric Ndirangu also left the fund as from 5th of December 2022 following their transfer to other departments; the new Fund Administrator is to be Mr Timothy Kiogora who also doubles up as the Director of social services with the Fund accountant as at the end of FY 2023 being Mr Philip Odeyo.

Then new team did not however assume office since no formal appointment was done.

Auditors

The Auditor General is responsible for the statutory audit of the Fund in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

By Order of the Fund committee

Chair of the /Fund Administration Committee

Date: 30/6/2023

12. Statement of Management's Responsibilities

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Fund Administrator of Nakuru County Persons with disabilities Fund established by Nakuru county persons with disabilities Act.2016 shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the Nakuru County Persons with disabilities Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2023. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Fund; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the Nakuru County Persons with disabilities Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and Nakuru county persons with disabilities Act.2016 and Nakuru county persons with disabilities Regulations, March 2015. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2023, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the Nakuru County Persons with disabilities Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Fund's financial statements were approved by the Fund on $__30/6/_2023$ and signed on its behalf by:

Administrator of the Nakuru County Persons with Disabilities Fund

REPORT OF THE AUDITOR-GENERAL ON NAKURU COUNTY PERSONS WITH DISABILITIES FUND FOR THE YEAR ENDED 30 JUNE, 2023

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Nakuru County Persons with Disabilities Fund set out on pages 1 to 41, which comprise of the statement of financial

Report of the Auditor-General on Nakuru County Persons with Disabilities Fund for the year ended 30 June, 2023

position as at 30 June, 2023 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Nakuru County Persons with Disabilities Fund as at 30 June, 2023 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Nakuru County Persons with Disabilities Act, 2016.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Nakuru County Persons with Disabilities Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Prior Year Outstanding Issues

In the audit report of the previous year, several paragraphs were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, Management has not resolved the issues or given any explanation for the failure to adhere to the provisions of the Public Sector Accounting Standards Board reporting template.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness

Report of the Auditor-General on Nakuru County Persons with Disabilities Fund for the year ended 30 June, 2023

and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Preparation and Presentation of Financial Statements

The annual report and financial statements have not disclosed the requisite information on the qualifications of fund administration committee, and the management team.

In the circumstances, the financial statements presented for audit do not comply with the recommended reporting template.

2. Fund Administration Committee

The key entity information and management of the financial statements indicate that the Fund Administration Committee has three members contrary to Section 5(1) of the Nakuru County Persons with Disability Act, 2016 which provides that the Fund Board shall consist of eight members appointed by the County Executive Committee Member and such other members coopted provided the membership does not exceed eleven persons.

Further, the information indicate that the Fund is managed by the Committee Members contrary to Section 7(6) of the Fund Act, which vests the Management of the Fund to a Chief Executive Office. Further, appointment letters for the Board Members and Chief Executive Officer, areas of representation, and gazette notice of the appointments were not provided for audit.

In the circumstances, Management was in breach of the law.

3. Lack of Approved Fund Budget

The statement of comparison of budget and actual amounts reflects final revenue budget and actual on comparable basis of zero respectively. However, the Fund's budget of income and expenditure was not approved contrary to Regulation 17(3) of the Public Finance Management (Nakuru County Persons with Disabilities Fund) Regulations, 2016 which requires the annual estimates to be approved by the Committee before the commencement of the financial year to which they relate and shall be submitted to the Executive Committee Member for tabling in the County Assembly for approval. Further, the Fund did not receive any budget provisions during the financial year. Non-funding to the Fund will hinder it from discharging its functions.

In the circumstances, Management was in breach of the law.

4. Transfer from County Government

The statement of financial performance reflects nil transfers from the County Government. Review of the County budget revealed that Kshs.27,500,000 was initially allocated to the Fund but was revised to zero in the supplementary budget. This is contrary to Section 154

Report of the Auditor-General on Nakuru County Persons with Disabilities Fund for the year ended 30 June, 2023

(1)(a) of the Public Finance Management Act, 2012 which states that Accounting Officer shall not authorize the transfer of an amount that is appropriated for transfer to another County Government entity or person.

Further, the 100% reduction of the original budget exceeded the 10% threshold required by Regulation 39 (9) of the Public Finance Management (County Governments) Regulations, 2015 which states that in approving any estimates under Sections 135 and 154 of the Act, the County Assembly approval shall not exceed ten (10%) percent of the approved budget estimates of a program of Sub-Vote.

In the circumstances, the supplementary budget was contrary to the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

Lack of Risk Management and Fraud Policy

During the year under review, the Fund did not have a risk management strategy in place. This was contrary to Regulation 158(1)(a) and (b) of the Public Finance Management (County Governments) Regulations, 2015 which requires the Accounting Officer to develop risk management strategies, which include fraud prevention mechanism and internal control that builds robust business operations.

In the circumstances, risk management, development of strategies and controls may not have been implemented in an orderly manner.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Report of the Auditor-General on Nakuru County Persons with Disabilities Fund for the year ended 30 June, 2023

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease its operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in

Report of the Auditor-General on Nakuru County Persons with Disabilities Fund for the year ended 30 June, 2023

an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

17

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Report of the Auditor-General on Nakuru County Persons with Disabilities Fund for the year ended 30 June, 2023

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Budget notes

The fund didn't have a budget approved in the year under review as the assembly did not authorise the budget for the third year running thus the difference between the original and final budget.

19. Notes to the Financial Statements

1. General Information

The Nakuru county persons with disabilities fund is established by and derives its authority and accountability from The Nakuru County persons with disabilities Act, 2016 dated May 2016 and the Nakuru County persons with disabilities Regulations, September 2016. The fund is wholly owned by the county Government of Nakuru and is domiciled in Kenya. The Funds Principal activities is to support and empower persons with disabilities in the wards in Nakuru County, formulate policies for the management of the fund, set criteria and conditions for granting of aid or assistance amongst others.

2. Statement of compliance and basis of preparation

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented. The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

3. Adoption of new and revised standards

Standard	Effective date and impact
IPSAS 41: Financial	
Instruments	Applicable: 1 st January 2023
	The objective of IPSAS 41 is to establish principles for the financial
	reporting of financial assets and liabilities that will present relevant
	and useful information to users of financial statements for their
	assessment of the amounts, timing and uncertainty of an Entity's
	future cash flows.
	IPSAS 41 provides users of financial statements with more useful
	information than IPSAS 29, by:
	Applying a single classification and measurement model for
	financial assets that considers the characteristics of the asset's
	cash flows and the objective for which the asset is held;

Nakuru County Persons with Disabilities Fund Annual Report and Financial Statements for the year ended June 30, 2023

. .

.

Standard	Effective date and impact		
	• Applying a single forward-looking expected credit loss		
	model that is applicable to all financial instruments subject to		
	impairment testing; and		
	• Applying an improved hedge accounting model that		
	broadens the hedging arrangements in scope of the guidance.		
	The model develops a strong link between an Entity's risk		
	management strategies and the accounting treatment for		
	instruments held as part of the risk management strategy.		
	There was no impact of the amendment to IPSAS 41 with		
	respect to the current financial report		
IPSAS 42: Social	Applicable: 1 st January 2023		
Benefits	The objective of this Standard is to improve the relevance, faithful		
	representativeness and comparability of the information that a		
	reporting Entity provides in its financial statements about social		
	benefits. The information provided should help users of the financial		
	statements and general-purpose financial reports assess:		
	(a) The nature of such social benefits provided by the Entity;		
	(b) The key features of the operation of those social benefit schemes;		
	and		
	(c) The impact of such social benefits provided on the Entity's		
	financial performance, financial position and cash flows. There was		
	no impact of the amendment to IPSAS 42 with respect to the current		
	financial report		
Amendments to	Applicable: 1 st January 2023

	the current financial report		

(i) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2023.

Standard	Effective date and impact:
IPSAS 43	Applicable 1 st January 2025
	The standard sets out the principles for the recognition,
	measurement, presentation, and disclosure of leases. The objective is
	to ensure that lessees and lessors provide relevant information in a
-	manner that faithfully represents those transactions. This information
	gives a basis for users of financial statements to assess the effect that

Nakuru County Persons with Disabilities Fund Annual Report and Financial Statements for the year ended June 30, 2023

, '

Standard	Effective date and impact:
	leases have on the financial position, financial performance and
	cashflows of an Entity.
	The new standard requires entities to recognise, measure and present
	information on right of use assets and lease liabilities. There was no
	impact of the amendment to IPSAS 43 with respect to the current
	financial report.
IPSAS 44: Non-	Applicable 1 st January 2025
Current Assets Held	The Standard requires,
for Sale and	Assets that meet the criteria to be classified as held for sale to be
Discontinued	measured at the lower of carrying amount and fair value less costs to
Operations	sell and the depreciation of such assets to cease and:
	Assets that meet the criteria to be classified as held for sale to be
	presented separately in the statement of financial position and the
	results of discontinued operations to be presented separately in the
	statement of financial performance. There was no impact of the
	amendment to IPSAS 44 with respect to the current financial report

(ii) Early adoption of standards

The Entity did not early – adopt any new or amended standards in the financial year 2023.

1. Significant Accounting Policies

a) Revenue recognition

i. Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

ii. Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the Entity's right to receive payments is established.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2022/2023 was not approved by the County Assembly as at the end of FY 2022. Subsequent revisions were made to the original budget in accordance with specific approvals from the appropriate authorities. There were no additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget. Accordingly, the Fund recorded only recorded reduced appropriations of Ksh.27, 500,000.00 on the FY 2022/23 budget following the governing body's approval.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented on page 6 of these financial statements.

c) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

d) Intangible Assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

e) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-today maintenance of an investment property. Investment property acquired through a nonexchange transaction is measured at its fair value at the date of acquisition. Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of derecognition.

f) Financial instruments

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. The entity does not have any hedge relationships and therefore the new hedge accounting rules have no impact on the Company's financial statements. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. At initial recognition, the entity measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

Financial assets

Classification of financial assets

The entity classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity or fair value through surplus and deficit on the basis of both the entity's management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal and unterest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an entity has made irrevocable election at initial recognition for particular investments in equity instruments.

Subsequent measurement

Based on the business model and the cash flow characteristics, the entity classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through net assets/ equity

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through surplus or deficit

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/ equity are measured at fair value through surplus or deficit. A business model where the entity manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end.

Impairment

The entity assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The entity recognizes a loss allowance for such losses at each reporting date. Critical estimates and significant judgments made by management in determining the expected credit loss (ECL) are set out in *Note 3*.

Significant Accounting Policies (Continued)

Financial liabilities

Classification

The entity classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

g) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- > Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

h) **Provisions**

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

i) Social Benefits

Social benefits are cash transfers provided to i) specific individuals and / or households that meet the eligibility criteria, ii) mitigate the effects of social risks and iii) Address the need of society as a whole. The entity recognises a social benefit as an expense for the social benefit scheme at the same time that it recognises a liability. The liability for the social benefit scheme is measured at the best estimate of the cost (the social benefit payments) that the entity will incur in fulfilling the present obligations represented by the liability.

Summary of Significant Accounting Policies (Continued)

j) Contingent liabilities

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

k) Nature and purpose of reserves

The Entity creates and maintains reserves in terms of specific requirements. Changes in accounting policies and estimates

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

I) Employee benefits – Retirement benefit plans

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

m) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

n) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

o) Related parties

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO and senior managers.

p) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

q) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Summary of Significant Accounting Policies (Continued)

5. Significant judgments and sources of estimation uncertainty

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

a) Estimates and assumptions -

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

b) Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- > The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- > The nature of the processes in which the asset is deployed
- > Availability of funding to replace the asset
- Changes in the market in relation to the asset

c) Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note 21.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

### Notes To The Financial Statements (Continued)

### 28. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

### a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments. Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the entity's management based on prior experience and their assessment of the current economic environment. The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

### Notes To The Financial Statements (Continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the entity has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has no significant concentration of credit risk on amounts due.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

### b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

### Notes to the Financial Statements (Continued)

### c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

### i. Foreign currency risk

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

| Description                            |      | Other<br>currencies | Total |
|----------------------------------------|------|---------------------|-------|
|                                        | Kshs | Kshs                | Kshs  |
| At 30 June (Current FY)                |      |                     |       |
| Financial Assets                       | 0    | 0                   | 0     |
| Investments                            | 0    | 0                   | 0     |
| Cash                                   | 0    | 0                   | 0     |
| Debtors/ Receivables                   |      |                     |       |
| Liabilities                            |      |                     |       |

| Borrowings                             | 0    | 0                   | 0     |
| Net Foreign Currency Asset/(Liability) | 0    | 0                   | 0     |

### Notes To The Financial Statements (Continued)

### Foreign currency sensitivity analysis

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

| Description | Change in<br>currency rate | Effect on surplus/<br>deficit | Effect on<br>equity |
|-------------|----------------------------|-------------------------------|---------------------|
|             | Kshs                       | Kshs                          | Kshs                |
| (2022/2023) |                            |                               |                     |
| Euro        | 10%                        | 0                             | 0                   |
| USD         | 10%                        | 0                             | 0                   |
| (2021/2022) |                            |                               |                     |
| Euro        | 10%                        | 0                             | 0                   |
| USD         | 10%                        | 0                             | 0                   |

### ii. Interest rate risk

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The entity's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

#### Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

#### Sensitivity analysis

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year. Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase of Kshs 0 (2022: Kshs 0 ). A rate increase/decrease of 5% would result in a decrease/increase in profit before tax of Kshs 00(2021 – Kshs 00).

### Notes To The Financial Statements (Continued)

### d) Capital risk management.

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The entity capital structure comprises of the following funds:

|                                             | 2022/2023 | 2021/2022 |
|---------------------------------------------|-----------|-----------|
