Challenges

In the course of our work, the board experienced a number of challenges namely;

1. Forgery of beneficiary list

It has come to the attention of the board that some students are forging beneficiary list to award themselves funds that were for instance meant to benefit many students who are in the same institution as him/her.

2. Lack of proper regulations to guide in the day-to-day operations of the board.

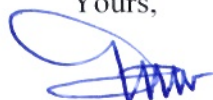

Way forward

1. The board shall be making impromptu visits to the ward committee to find out how the vetting process is done by the committee.
2. To prevent forging of beneficiary list the board should be given the mandate to send the cheques and list directly to the various institutions.
3. The proposed regulations be discussed and approved by the county assembly to enable the operations of the board be more efficient.

CONCLUSION

On behalf of the board, I wishes to take this earliest opportunity to thank the all the members of the County Assembly for the unwavering support during the execution of the boards mandate, and further assure the members of our continued cooperation with them to ensure that the students of Tana River County get financial support as they pursue their education. REPORT OF THE AUDITOR-GENERAL ON TANA RIVER COUNTY WARD BURSARY FUND FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Disclaimer of Opinion

I have audited the accompanying financial statements of Tana River County Ward Bursary Fund set out on pages 16 to 29, which comprise of the statement of financial position as at 30 June, 2019, statement of financial performance, statement of changes in net assets, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article, 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

I do not express an opinion on the accompanying financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

1. Non-submission of Prior Year Financial Statements

The financial statements for the 2017/2018 financial year were not submitted for audit. This is in contravention of Section 149(k) which requires accounting officers designated for county government entities to prepare annual financial statements not later than three months after the end of each financial year and submit them to the Auditor-General for audit.

Consequently, it was not possible to confirm the accuracy of opening balances for the 2018/2019 financial statements.

2. Unsupported Reserves

The statement of financial position reflects total net assets and liabilities of Kshs.421,237 as at 30 June, 2019. Included in this balance is reserves balance of Kshs.63,160. The reserves balance was however not supported or explained in the notes to the financial statements.

Consequently, the accuracy of total net assets and liabilities of Kshs.421,237 as at 30 June, 2019 could not be confirmed.

3. Un-supported Expenditure

The statement of financial performance and Note 2 of the financial statements reflects a figure of Kshs.7,272,200 for fund administration expenses as at 30 June, 2019. However, a review of the expenditure revealed that an amount of Kshs.1,391,000 was not supported with the relevant documents such as minutes for approval, invitation letters and attendance register for meetings. Further, an amount of Kshs.480,000 paid as rent arrears was not supported with a copy of lease agreement.

Consequently, the probity of expenditure on fund administration of Kshs.7,272,200 as at 30 June, 2019 could not be confirmed.

4. Un-Acknowledged Bursary Funds

During the year under review, the Fund spent an amount of Kshs.229,437,128 on bursary as at 30 June, 2019. Audit review of the expenditure revealed that payments amounting to Kshs.32,126,550 had not been supported with receipts or acknowledgement letters from the respective schools, colleges and other institutions that the payments were made.

In the circumstances, the probity of expenditure for bursaries of Kshs.229,437,128 as at 30 June, 2019 could not be confirmed.

5. Lack of Effective Internal Audit Unit

During the year under review, it was observed that the Fund had an internal audit unit which was not fully functional and operated with only two senior officers, a deputy director and an assistant director. Further, it was established that the unit did not audit the operations of the Fund during the year under review.

In the circumstances, the effectiveness of the internal audit unit could not be ascertained.

6. Failure to Establish an Audit Committee

The Fund did not have an audit committee to oversee its financial operations and to also support the accounting officers with regard to their responsibilities on issues of risk, control and governance and associated assurances, as required by the Public Finance Management Act, 2012 Section 155(5) and Section 167(1). Failure to have an audit committee may cause overriding of controls by Management and in such instances, cases of fraud and errors may not be detected or corrected in a timely.

Consequently, the Fund Management is in breach of the law.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

I do not express a conclusion on the lawfulness and effectiveness in the use of public resources as required by Article 229(6) of the Constitution. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

I do not express a conclusion on the effectiveness of internal controls, risk management and governance as required by Section 7(1)(a) of the Public Audit Act, 2015. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

10.6. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Statement of compliance and basis of preparation

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

2. Adoption of new and revised standards

a) Relevant new standards and amendments to published standards effective for the year ended 30 June 2019

Standard	Impact
IPSAS 40: Public Sector Combinations	Applicable: 1st January 2019 The standard covers public sector combinations arising from exchange transactions in which case they are treated similarly with IFRS 3 (applicable to acquisitions only). Business combinations and combinations arising from non-exchange transactions are covered purely under Public Sector combinations as amalgamations.

b) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2019

Standard	Effective date and impact:
IPSAS 41: Financial Instruments	Applicable: 1st January 2022: The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity's future cash flows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by: <ul style="list-style-type: none"> • Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held;

3. Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

4. Budget information

The original budget for FY 2018/2019 was approved by the County Assembly on 18/08/2018. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget. Accordingly, the Fund recorded additional appropriations of Kshs.78M on the FY 2018/2019 budget following the governing body's approval.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section xxx of these financial statements.

The Entity creates and maintains reserves in terms of specific requirements.
