# 3. NG-CDFC Chairman's Report

# MR. MOHAMED SHEIKH OSMAN NG-CDFC CHAIRPERSON

Dadaab national government constituency development funds as mandated by NG-cdf act, prioritized on projects for funding during the financial year 2022/2023.

The committee after carrying out the needed assessments and in consultation with other stake holders came up with projects for funding and forwarded to the board for approval.

NG-CDF Board and disbursed the same to the beneficiaries.

The Dadaab NG-CDF committee has worked tirelessly to ensure projects are completed in good time and that there is prudent use of the available funds.

During the financial year, 2022/2023 the challenge faced was delayed funds disbursement from the NGCDF board.

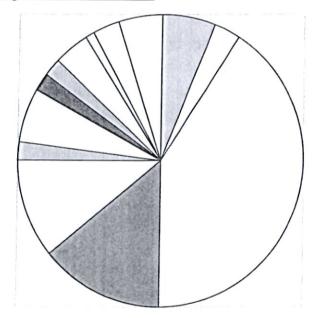

There is also a challenge in the education funds set for bursary. The number of needy students are many compared to the available funds for the same. However, we have been able to seek for help from other government organizations on the same and enable most of the needy students get scholarships.

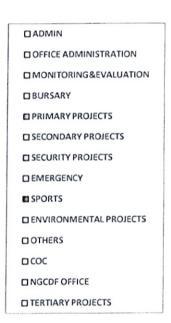

The range of Staff Salaries amount paid to the employees at the constituency level doesn't attract those who are capable of delivering as per the requirements set by the Board. However, we have always been able to do continuous capacity Building and Training where necessary for our staff to enable them deliver.

The following is the summary breakdown of proposed projects for funding during the financial year 2022/2023.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - DADAAB CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2023

#### **PREAMBLE**

I draw your attention to the contents of my report, which is in three parts:

- A. Report on the Financial Statements which considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations which have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that the entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

#### REPORT ON THE FINANCIAL STATEMENTS

#### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Dadaab Constituency set out on pages 1 to 34, which comprise of the statement of assets and liabilities as at 30 June, 2023 and the statement

Report of the Auditor-General on National Government Constituencies Development Fund - Dadaab Constituency for the year ended 30 June, 2023

of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Dadaab Constituency as at 30 June, 2023 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015 (Amended 2022).

# **Basis for Qualified Opinion**

# **Unsupported Bursary Payments**

The statement of receipts and payments and Note 6 to the financial statements reflects other grants and transfers amount of Kshs.49,039,053. Included in the amount is Kshs.8,180,000 and Kshs.34,526,639 totalling Kshs.42,706,639 disbursed to various secondary schools and tertiary institutions respectively as bursary to needy students. However, the expenditure was not supported by notice to the public on the bursary issuance, bursary application register and minutes of resolution of the Constituency Development Fund Committee to make the payments. Further, an amount of Kshs.600,000 disbursed to various institutions had not been acknowledged through official receipts or acknowledgement letters by the beneficiary institutions.

In the circumstances, the accuracy and completeness of the bursaries totalling Kshs.42,706,639 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Dadaab Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

#### **Emphasis of Matter**

## **Budgetary Control and Performance**

The summary statement of appropriation reflects final receipts budget amount of Kshs.167,576,200 and actual on comparable basis Kshs.92,527,147 resulting to underfunding of Kshs.75,049,053. Similarly, the Fund spent Kshs.60,859,975 against actual receipts of Kshs.92,527,147 resulting to an under-utilization of Kshs.31,667,172.

The underfunding and under-utilization may have negatively impacted on service delivery to the residents.

My opinion is not modified in respect of this matter.

# Key Audit Matters

Key audit matters are those matters which, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

#### Other Matter

# **Unresolved Prior Year Matters**

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not resolved the issues.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### **Basis for Conclusion**

# 1. Failure to Report Emergency Expenditure to the NCDF Board

The statement of receipts and payments and Note 6 to the financial statements reflects other grants and transfers amount of Kshs.49,039,053. Included in the amount is Kshs.5,644,414 incurred from the emergency reserve. However, Management did not report to the National Constituencies Development Fund Board the utilization of the emergency funds within 30 days as required by Regulation 20(2) of the National Government Constituencies Development Fund Regulations, 2016 which provides that the utilization of the emergency reserve shall be reported to the Board within thirty days of the occurrence of the emergency, in the format prescribed by the Board.

In the circumstances, Management was in breach of the law.

# 2. Project Implementation Status

During the year under review, the Fund allocated an amount of Kshs.98,560,391 to projects in various sectors including primary schools, secondary schools, security, sports,

Report of the Auditor-General on National Government Constituencies Development Fund - Dadaab Constituency for the year ended 30 June, 2023

environment and emergencies within the Constituency. Analysis of the Project Implementation Status report and expenditure returns indicated that emergency projects amounting to Kshs.5,644,414 were completed while forty-five (45) projects allocated a total amount of Kshs.80,386,826 had not started.

Failure to implement and complete projects as planned may have negatively impacted on service delivery to the constituents.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities which govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

#### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

#### **Basis for Conclusion**

# Failure to Establish a Constituency Oversight Committee

Review of the records of the Fund revealed that the Management failed to establish a Constituency Oversight Committee thus contravening Section 53(1) of the National Government Constituency Development Act, 2015 which states that there shall be an established a Constituency Oversight Committee for projects undertaken under the Act.

In the circumstances, the effectiveness of the internal controls on project implementation could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

# Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash

4

Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

#### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts which would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions which may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures, as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

#### 14. Significant Accounting Policies

The principle accounting policies adopted in the preparation of these financial statements are set out below:

#### 1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits (gratuity and retentions).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

#### 2. Reporting Entity

The financial statements are for the NGCDF-Dadaab Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

#### 3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

#### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

#### a) Recognition of receipts

The entity recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

Significant Accounting Policies continued

Transfers from the National Government Constituency Development Fund (NG-CDF)

Transfers from the NG-CDF to the constituency are recognized when cash is received in the Constituency account.

#### Proceeds from Sale of Assets

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

#### Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

#### Unutilized Funds from PMCs.

All unutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognised as other receipts upon return to the constituency account.

#### External Assistance

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

#### b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

Significant Accounting Policies continued

#### Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

#### Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

#### Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

#### 5. In-kind contributions

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

Significant Accounting Policies continued

#### 6. Cash and Cash Eequivalent.

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year. Significant Accounting Policies continued

#### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

#### 8. Accounts Payable

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

Significant Accounting Policies continued

#### Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

#### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

#### 11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 8<sup>th</sup> June 2023 for the period 1<sup>st</sup> July 2023 to 30<sup>th</sup> June 2023 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

#### 12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Significant Accounting Policies Continued

#### 13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2023.

#### 14. Errors

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii.
