

PETITION

BY THE WORKERS OF KAPRIC APPARELS EPZ LTD IN CHANGAMWE CONSTITUENCY ON TERMS AND CONDITIONS OF EMPLOYMENT AND JOB SECURITY.

WE, THE UNDERSIGNED residents of Changamwe, Mombasa County within the Republic of Kenya and who work at Kapric Apparels EPZ LTD

DRAW the attention of the House to the following:

THAT the company KAPRIC APPARELS EPZ LTD has allegedly changed its name to PWANI INDUSTRIAL PARK (EPZ) LTD, a move that we feel can be detrimental to our wellbeing in terms of our benefits for the years we have worked under KAPRIC APPARELS (EPZ) LTD.

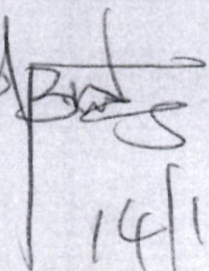

THAT, whereas according to the Employment Act, an employer has the obligation to issue an appointment letter stipulating the terms and conditions of work, including remunerations, dismissals etc. It is frustrating that this is not the case with KAPRIC APPARELS (EPZ) LTD.

THAT, there is no proper documentation on this subject and workers can be dismissed without any valid reasons and mostly without notice nor payment of dues.

THAT WHEREAS it is the usual practice that management has a department of Human Resources where issues relating to workers' grievances and challenges are channelled to, this is not the case in KAPRIC APPARELS (EPZ) LTD, and workers are left at the mercy of corrupt supervisors who are hell-bent to deny the workers a fair treatment and conducive work atmosphere.

THAT WHEREAS the country's immigration laws allow for expatriates under special categories, those at KAPRIC APPARELS (EPZ) LTD do not meet the threshold and only serve to deny ordinary Kenyans job opportunities (work permits to be investigated).

THAT WHEREAS workers are entitled to overtime payments for extra time worked for, it is not the case at KAPRIC APPARELS (EPZ) LTD where anyone who complains or demands overtime payment is a sure candidate for victimization and dismissals with no proper dues paid to them. In addition, sickness is not permitted at the firm. Workers are expected to be healthy at all times.

PARLIAMENT
OF KENYA
LIBRARY

THAT WHEREAS the labour laws are clear about safety at places of work, KAPRIC APPARELS (EPZ) LTD provides such gadgets selectively and only does so when they are receiving buyers from the United States of America (USA). They also do not provide fresh and clean drinking water for us.

THAT WHEREAS sexual harassment is unlawful, those charged with recruiting staff demand sex in exchange for offering job opportunities. The females in charge demand commissions for the same, failure to which one will be ignored and left to suffer the consequences.

WHEREAS the EPZ authorities are responsible for regulating the industry, their input is either missing, negligible or insignificant. No amount of complaints from EPZ workers can make them to come to the aid of the workers.

THAT WHEREAS the Labour Department is charged with the responsibility of ensuring both workers' rights and employers' rights are observed in a balanced way, they will always listen to the employers and find the workers on the wrong. We feel we need to have two labour departments, one for workers and the other for employers. An audit on the performance of this department is really needed.

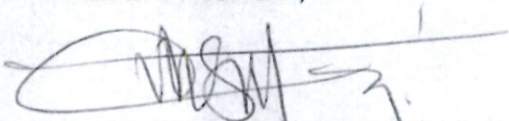

THAT we hereby confirm that the issues in respect of which the petition is made are not before any court of law or constitutional or legal body.

THEREFORE your humble petitioners PRAY that;

The Departmental Committee on Labour and Social Welfare, without further delay, investigates the claims against the KAPRIC APPARELS (EPZ) LTD, the EPZ authorities and the Labour Department to bring to an end the sufferings of the EPZ workers, not only at KAPRIC APPARELS (EPZ) LTD but to the other EPZ companies as well.

And your **PETITIONERS** will ever pray

PRESENTED BY,

HON. OMAR MWINYI, MP

CHANGAMWE CONSTITUENCY
