1. KEY ENTITY INFORMATION AND MANAGEMENT

(a) Background Information

The Office of the Auditor-General (OAG) is an Independent Office established by Article 229 of the Constitution of Kenya. The Office derives its mandate from the Constitution of Kenya 2010 and the Public Audit Act, 2015. The Auditor-General is mandated to audit the accounts of any entity that is funded from public funds and report to Parliament and the relevant County Assemblies within statutory time lines. In addition, Article 229 (6) requires the Auditor-General to confirm whether public funds are spent lawfully and effectively.

The Office was first established in 1955 as the Office of Controller and Auditor-General through the Exchequer and Audit Ordinance, which stipulated the duties and powers of the Office in undertaking public sector audit. Section 128 (1) of the Kenyan Constitution 1963, established the Office of the Controller and Auditor-General as an Office in the public service. The Office had dual functions as per the Constitution and under the Exchequer and Audit Act Cap 412; (1) to audit all public funds in the central government, local authorities and state corporations and (2) to authorize release of funds from the Exchequer Account. In 1985, the Exchequer and Audit Act was amended to provide for the appointment, duties and powers of the Auditor-General (Corporations) with the responsibility for auditing the accounts of the statutory boards, commissions or public bodies.

The Public Audit Act, 2003 merged both Audit Offices and established a more independent Office of the Controller and Auditor-General and renamed it, Kenya National Audit Office (KENAO). The Constitution of Kenya, 2010 separated the two functions previously under the Controller and Auditor-General and created two Independent Offices namely, the Office of the Auditor-General and the Office of the Controller of Budget.

The Auditor-General is the Accounting Officer and is also responsible for the general policy and strategic direction of the Office.

KEY ENTITY INFORMATION AND MANAGEMENT (CONTINUED)

Constitutional Mandate and Functions (Continued)

The mandate of the Auditor-General as stipulated in the Constitution of Kenya 2010 and the Public Audit Act, 2015 is to carry out audits of all entities funded by the Government and to report to Parliament and the relevant County Assemblies.

Specifically,

1. Article 229(4) of the Constitution of Kenya mandates the Auditor-General to audit all accounts of the Government including:
 - a) The accounts of the national and county governments;
 - b) The accounts of all funds and authorities of the national and county governments;
 - c) The accounts of all courts;
 - d) The accounts of every Commission and Independent Office established by the Constitution of Kenya;
 - e) The accounts of the National Assembly, the Senate and the County Assemblies;
 - f) The accounts of political parties funded from public funds;
 - g) The public debt; and
 - h) The accounts of any other entity that legislation requires the Auditor-General to audit.
2. Article 229(6) requires the Auditor-General to confirm whether or not public money has been applied lawfully and in an effective way. This requires the Auditor-General to:
 - a) conduct compliance audits;
 - b) perform work that addresses the economy, efficiency and effectiveness with which public resources have been applied and utilized; and
 - c) evaluate the impact of government funded programmes on the lives of citizens
3. The Public Audit Act, 2015 Section 7(1a-g) states that the Auditor-General shall:
 - a) give assurance on the effectiveness of internal controls, risk management and overall governance at national and county governments.
 - b) undertake audit activities in state organs and public entities to confirm

KEY ENTITY INFORMATION AND MANAGEMENT (CONTINUED)

Constitutional Mandate and Functions (Continued)

whether or not public money has been applied lawfully and in an effective way.

- c) satisfy himself or herself that all public money has been used and applied to the purposes intended and that the expenditure conforms to the authority for such expenditure.
 - d) confirm that-
 - i. all reasonable precautions have been taken to safeguard the collection of revenue and the acquisition, receipt, issuance and proper use of assets and liabilities; and
 - ii. collection of revenue and acquisition, receipt, issuance and proper use of assets and liabilities conforms to the authority.
 - e) issue an audit report in accordance with Article 229 of the Constitution.
 - f) provide any other reports as may be required under Article 254 of the Constitution.
 - g) perform any other function as may be prescribed by any other written Legislation.
4. As an independent Office, the Office of the Auditor-General is expected to meet the objectives and goals of Commissions and the Independent Offices as stipulated in Article 249(1) of the Constitution of Kenya 2010, namely: -
- (a) protect the sovereignty of the people;
 - (b) secure the observance by all State Organs of democratic values and principles; and
 - (c) promote constitutionalism.

Vision

Making a difference in the lives and livelihoods of the Kenyan people.

Mission

Audit services that impact on effective and sustainable service delivery.

STATEMENT OF GOVERNANCE (CONTINUED)

The Audit Risk and Compliance Committee

The Audit Risk and Compliance Committee (ARCC) was appointed in January, 2022 for a term of three years in accordance with the requirements of the Kenya gazette No.2690 reference number Vol. XCVIII of 15th April, 2016 on Audit Committee guidelines.

The Committee is chaired by a Deputy Auditor General and is made up of two (2) members from OAG and three (3) independent members. This is in compliance with the statutory requirements on Audit Committees' composition. The ARCC responsibilities as provided in the terms of reference includes but not limited to;

- i. Review the appropriateness of the OAG financial and performance reporting, system of risks oversight and management of internal controls.
- ii. Review internal audit reports and make recommendations for implementation.
- iii. Review the effectiveness of monitoring compliance with relevant legislative and regulatory requirements and promote a culture committed to lawful and ethical behaviour.
- iv. Engagement with external audit and assessment of adequacy of management responses to issues identified by the external auditors.
- v. Monitor the effectiveness, performance and objectivity of the internal audit.
- vi. Reporting quarterly and on annual basis to the Auditor-General on the status of its activities.

Composition

	Name	Position
1	Silvester Kiini	Chairman
2	FCPA Jane Muthaura	Vice Chairperson (Independent)
3	Ms. Dorcas Muli	Member (Independent)
4	Dr. Eunice Wandiga	Member (Independent)
5	Ms. Emily Simiyu	Secretary

STATEMENT OF GOVERNANCE (CONTINUED)

Risk Management, Compliance and Conflict of Interest

The Office has a Risk Management Policy approved in 2019. Towards the end of the financial year, the Auditor-General reconstituted the Risk Management Committee, which has a membership of nine. The committee is expected to provide impetus and direction in the risk management implementation and governance process. During the year, no conflict of interest was registered by the Committee on the agenda of all its meetings.

Compliance with Law and Regulations

The Office has complied with the constitutional and legal provisions as it operates in line with the vision of making a difference in the lives and livelihoods of the Kenyan people. Specifically, the Office ensures that audit reports are provided to Parliament and the relevant County Assemblies. Besides ensuring the audit reports meet the internally accepted quality threshold, the Office has endeavoured to translate reports to Kiswahili and produce simplified versions as a deliberate measure to enhance access.

To comply with the Leadership and Integrity Act 2012, the Auditor-General has constituted the Ethics and Integrity Committee whose mandate is to monitor the impact of ethics and corruption prevention initiatives and actions taken in the event of breaches to the ethics policy framework. The Office has also partnered with the Ethics and Anti-Corruption Commission (EACC) to enhance integrity amongst staff. During induction of newly recruited staff, EACC is invited to sensitize the employees on integrity.

At the end of each financial year, the Office prepares and submits annual financial statements to the National Treasury, as required under the Public Finance Management Act, 2012.

Under Section 68 of the PFM Act 2012, the Auditor-General has ensured that resources are used in a way that is lawful, authorized, effective, efficient, economical and transparent. Consequently, the Office ensures appropriate keeping of books of accounts, preparation of strategic plans, annual financial reports and establishment of effective internal controls.

3. STATEMENT BY THE AUDITOR-GENERAL

As an Office charged with enhancing accountability in the use and management of public resources, under the provision of Article 229 of the Constitution, we continue to be innovative and professional in discharging our mandate. In an environment of increased public expectations on accountability, the Office is anchoring its operations on five pillars of Integrity, Credibility, Relevance, Accountability and Independence to adequately address the needs of the citizens.

These pillars respond to the legal framework that establishes the Office and outlines its mandate, and are therefore critical to our work. The pillars will be catalysts for revamped operations that will ensure we execute our work independently and produce credible audit reports that can stand the test of time. We will also continue to adhere to the principle of timeliness so that our reports remain relevant to stakeholders in addition to addressing issues that resonate to their needs. We hold the Office in public trust and we must equally be transparent and accountable. The Office is also focusing on audit work that responds directly to the Bill of Rights and social rights of citizens that will be impacted by the development and implementation of programmes addressing issues of health, clean and safe water, education, housing and social security. It is our hope that these interventions will meet the expanding expectations of the citizens in the management of public resources.

True to our mandate, we have marked the end of this financial year with a renewed resolve in providing audit services geared towards enhancing accountability and transforming lives of the Kenyan people. This resolve is outlined in our Strategic Plan 2021-2026, that was launched in the beginning of the second half of the financial year. The Strategic Plan is anchored on three priorities that are geared towards provision of audit services that resonate with the needs of the citizens and other stakeholders.

These priorities are:

1. Enhance the quality of audit services for improved management of public resources,
2. Position the Office of the Auditor-General for greater relevance and credibility to stakeholders and
3. Be a model organization for effective service delivery.

STATEMENT BY THE AUDITOR-GENERAL (CONTINUED)

These priorities are reflections of the stakeholder feedback and self-assessment of our institutional capacity to deliver on our mandate as provided for in Article 229 of the Constitution. The Constitution requires the Auditor-General to audit and report on the use and management of public resources, and we address this provision by putting in place mechanisms that not only focus on utilization of funds but also how the use of these funds contribute to improving the lives and livelihoods of Kenyans.

In the coming year, the focus of the Office will be on implementation of the Strategic Plan to effectively deliver on our mandate. We cannot achieve without support from our stakeholders. On this score, we appreciate the continued support from Parliament, The National Treasury and Development Partners for the financial and technical support accorded to the Office. We also appreciate the invaluable support from the National Government, Constitutional Commissions and Independent Offices, Parliament and affiliate Supreme Audit Institutions in achieving our goals in 2021/2022.

During the year 2021/2022, the Office of the Auditor-General had an approved Recurrent budget allocation of **Kshs.6,077 million** and a Development budget allocation of **Kshs.6 million**. Actual Exchequer received in the year was **Kshs.5,310 million** (Recurrent- **Kshs.5,304 million** & Development- **Kshs.6 million**). In addition, OAG had A.I.A budget of **Kshs.290 Million** and actual amount of **Kshs.360 Million** was realized which represents **124%** performance level. Total expenditure during the year amounted to **Kshs.5,690 million** translating to an overall absorption rate of **94%** for the year.

The Auditor-General, as mandated by the Constitution, continued to audit the National Government, 47 County Governments, the State Corporations, donor funded projects and all other entities funded by public funds. This required the Office to enhance human capital development, improve the working environment and mainstream ICT in the audit process. The Office continues to seek support from The National Treasury and Parliament to enhance its budget for recruitment of additional staff, decentralization of audit services in counties, out-sourcing of some of the audit services and improvement in staff welfare.

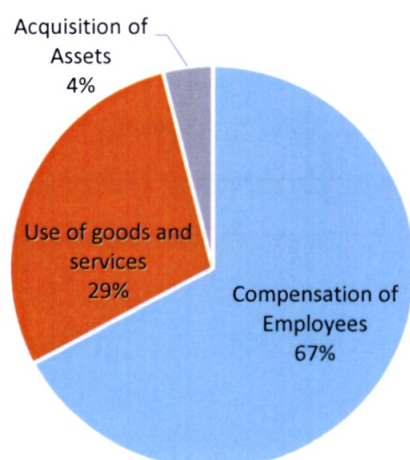

STATEMENT BY THE AUDITOR-GENERAL (CONTINUED)

Budget Allocation by Programmes

Programmes	Approved Budget Allocation (Kshs.)	Actual Payments (Kshs)	Variance (Kshs)
Programme: Audit Services	6,083,450,390	5,689,798,188	393,652,202

Budget Utilization as Per Economic Items

PAYMENTS	Kshs
Compensation of Employees	3,826,205,103
Use of goods and services	1,635,907,123
Acquisition of Assets	227,685,962
Total Payments	5,689,798,188

Risk Management

The activities of the Office of the Auditor-General expose it to a variety of operational and financial risks. Operational risks include political and environmental environment in which we operate while financial risks include the credit and liquidity issues. Operational risks are an inevitable consequence of being in business and managing risk is core to the Office's business. These risks are identified, managed and assessed within a risk management framework.

STATEMENT BY THE AUDITOR-GENERAL (CONTINUED)

Risk Management (continued)

The Office's financial risk management policies are designed to identify and analyse these risks, to set appropriate risk limits, controls, and to monitor the risks while at the same time ensuring adherence to set limits. This is achieved by means of reliable and up-to-date information systems. The Office of the Auditor-General regularly reviews its financial risk management policies and systems to reflect changes in markets and emerging best practices. In addition, the Office of the Auditor-General has an independent Internal Audit Directorate. This Directorate is responsible for assessing risks on an ongoing basis and evaluating and testing the design and effectiveness of its financial and operational controls that address these risks.

Liquidity Risk Management

This is the risk that the Office will encounter difficulties in meeting its financial commitments. Prudent liquidity risk management includes maintaining sufficient cash to meet obligations when they fall due, under both normal and demanding conditions, without incurring unacceptable losses or causing damage to the image and reputation of the Office of the Auditor-General. The responsibility for liquidity risk management has been delegated to the Deputy Auditor General (Corporate Services), who has customized and implemented an appropriate liquidity risk management framework for the management of the short and long-term funding and liquidity management requirements of the Office.

The Office manages liquidity risk by continuously monitoring forecasted and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Code of Ethics

The Office is committed to the highest standards of integrity, behaviour and ethical conduct in dealing with all its stakeholders. The Office adheres to the principles of good governance and has its own stringent standards of governance and control. A formal Code of Ethics has been implemented to guide staff. Additionally, staff are expected to comply with the ethical pronouncements as enshrined in the Public Audit Act, 2015, Public Officers Ethics Act, 2003 and Leadership and Integrity Act, 2012.

OFFICE OF THE AUDITOR-GENERAL

Annual Report and Financial Statements for the year ended 30 June, 2022

Programme Performance Review 2020/2021 – 2022/2023

Programme	Key Output	2020-2021		2021-2022		2022-2023
		Planned Target	Achieved Target	Planned Target	Achieved Target	Planned Target
National Government Audit	National Government Audit Reports	738	738	841	695	841
County Government Audit	County Government Audit Reports	411	411	447	387	447
NGCDF Audit	NGCDF Audit Reports	290	290	290	169	290
Specialized Audits	Specialized Audits Reports	37	19	37	19	39
Total		1,476	1,458	1,615	1,270	1,617

The Office of the Auditor-General has one programme, which is Audit Services, with four Sub programmes which are; National Government Audit, County Government Audit, NGCDF Audit and Specialised Audits. The total number of reports targeted for certification under the FY 2021/2022 were **1,615** while total actual reports issued were **1,270**.

The Office will continue to put it place the necessary audit interventions to ensure that we deliver on our mandate and meet the stakeholders' expectations.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

4. STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Auditor-General, when preparing financial statements of the Office, in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board, includes a statement of performance against predetermined objectives.

The Strategic Plan 2018-2021 ushered in reform initiatives aimed at re-orienting the OAG to respond to the constitutional mandate and improve service delivery to the citizens. During the period, the Office restructured by establishing new Regional Offices and leveraging on ICT to improve efficiency in operations.

Key Success Factors

The key success factors are constructed around the fundamental expectations of OAG making a difference to the lives of citizens. The extent to which OAG can make a difference to the lives of citizens depends on:

- 1) Strengthening the accountability, transparency and integrity of government and public sector entities;
- 2) Demonstrating ongoing relevance to citizens, Parliament, and other stakeholders; and
- 3) Being a model organization through leading by example.

During the first half of 2021/22 financial year, the Office was implementing the 2018-2021 strategic plan from which valuable lessons were learnt as summarized in the table below:

Table 3: Lessons learnt from the implementation of the 2018-2021 Strategic Plan

Lesson	Observation	Way forward for next Strategic Plan
Funding	Need to ensure all activities in the Plan are adequately funded.	Adequate funding should be provided for the prioritized initiatives within the Strategic Plan and all OAG activities.

OFFICE OF THE AUDITOR-GENERAL

Annual Report and Financial Statements for the year ended 30 June, 2022

Lesson	Observation	Way forward for next Strategic Plan
Performance Measurement	Need to ensure that all strategies/activities can be subjected to a performance measurement criterion.	<ul style="list-style-type: none"> • Develop measurable strategies and activities. • Implement a performance measurement system aligned to the strategic plan.
Lack of annual and quarterly targets for effective monitoring of Strategic Plan initiatives	Development of annual implementation plans hampered by lack of annual targets which in turn affected monitoring of the initiatives	<ul style="list-style-type: none"> • Ensure departmental annual plans are developed. • Ensure stricter adherence to planning cycles, targets and tying budget allocation to annual plans. • Strengthen planning,
Projects closing before completion and new ones being implemented outside the Strategic Plan	<ul style="list-style-type: none"> • Several projects outside the Strategic Plan were being implemented, while priority ones were underfunded. • Where interventions were incomplete, the causes were mainly operational in nature rather 	<ul style="list-style-type: none"> • Adopt programme and project management good practice to ensure successful implementation of projects.
Data management	Provision of accurate and timely information and data	<ul style="list-style-type: none"> • Development and Implementation of Data Management Strategy and
Inefficient interdepartmental collaboration	Timely reporting, setting and agreeing on targets where specific roles and targets cut across	<ul style="list-style-type: none"> • Enhanced interdepartmental collaboration ensuring plan initiatives are clearly allocated to a department. • Develop and implement frameworks for interdepartmental collaboration
Covid 19	Covid-19 impacted on the audit plan hence need to have mitigating measures for business continuity.	<ul style="list-style-type: none"> • Implement business continuity and disaster recovery plans and be dynamic in adapting and responding to new situations.

**STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES
(CONTINUED)**

A new strategic plan was launched on 26 January, 2022 to guide OAG operations for the next five-years from 2021-2026. The plan seeks to consolidate the gains made over the previous strategic period of 2018-2021 and brings on board emerging issues in audit.

Overview of 2021-2026 Strategic Plan

The Strategic Plan was developed at a time when the country was experiencing critical changes both in the external and internal operating environments. The aspirations of the Kenya Vision 2030 have propelled all players in the public sector to re-orient their approach towards capacity enhancement for effective service delivery. The Constitution of Kenya, 2010 calls for concerted efforts to ensure citizen-centric service delivery.

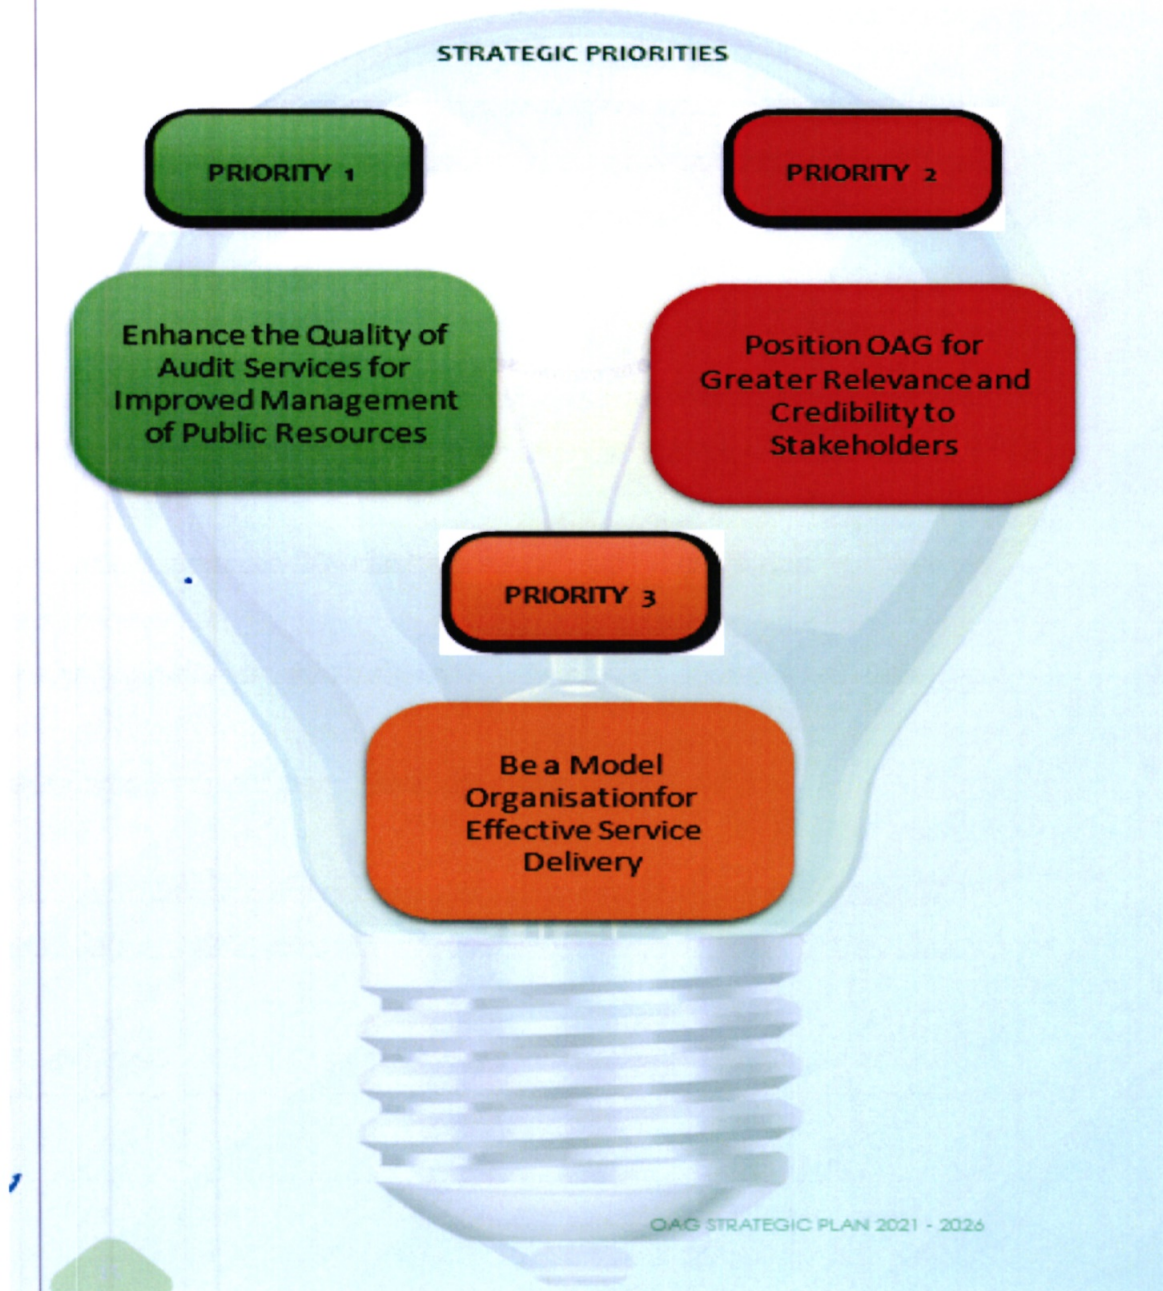

OAG has made major strides in re-orienting itself to respond to the expanded mandate as stipulated under Article 229 of The Constitution of Kenya, 2010. We hope to achieve our mandate through an assurance framework comprising three strategic intents namely: Certification of Accounts, continuous Audit Presence and Assessment of Service Delivery to Kenyans.

Our strategic orientation will be driven by our vision of making a difference in the lives and livelihoods of the Kenyan people in an increasingly complex audit environment, increased audit risks and emerging priorities, as well as continuously escalating stakeholder expectations, which have become our new reality. We take into account that we had to deal with radically reduced physical proximity to our clients and other staff due to the COVID-19 pandemic, an influx of collaborative tools and the digitization of the global economy.

These significant changes have already affected our existing processes, systems and routines, but, more importantly, they have inspired new approaches to our work as we position ourselves to begin to craft our way forward to be relevant and value-adding auditors. One thing is certain, OAG will turn up and continue to deliver effectively on our mandate.

**STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES
(CONTINUED)**

In our effort to promote accountability in the public sector, we will focus on three strategic priority areas as shown on the next page.

**STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES
(CONTINUED)**

Strategic Objectives

The strategic objectives for the three strategic priorities, are outlined below:

Priority	Strategic Objectives
1 Enhance the quality of audit services for improved management of public resources.	SO1. Provide audit services that meet professional standards. SO2. Enhance the value and benefits of audit reports. SO3. Safeguard OAG independence
2 Position OAG for greater relevance and credibility to stakeholders	SO4. Sustain stakeholders' interest in audit services for greater impact SO5. Sustain OAG as a credible source of independent and objective insight on public sector accountability. SO6. Enhance visibility for impact. SO7. Improve OAG communication
3 A model Organisation for effective service delivery	SO8. Attract, retain and maintain a competent, productive & motivated workforce; and improve and sustain a conducive work environment. SO9. Institutionalize good governance focusing on transparency and accountability and Cultivate a Corporate culture and change management that enhances performance. SO10. Leverage on ICT for efficient service delivery

**STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES
(CONTINUED)**

Strategic Priority 1: Enhance the Quality of Audit Services for Improved Management of Public Resources.

Issue

For OAG to remain relevant to the Kenyan citizens, there is need to transform the Office to service-oriented audits to enable us deliver the greatest benefit and value to the livelihoods of Kenyans.

How do we enhance the quality of our audits to improve the management of public resources?

Strategic Direction

Our reputation is built on the excellent technical quality of our audits, response to the rapid developments in the environment, coupled with higher stakeholder expectations. This requires OAG to pay constant attention to maintaining high quality of our audit services. OAG will continue to implement measures that will strengthen adherence to audit quality standards and timelines and, in cases where we have opted not to conduct the audit ourselves, our teams will ensure strict oversight of the outsourced audit process at such audit clients.

Strategic Priority 2: Position OAG for Greater Relevance and Credibility to Stakeholders

Issue

There exist opportunities for OAG to play a more pivotal role as an authority on matters of accountability and governance in the economy. In doing so, OAG will play its role in ensuring the public gets value from the use of public resources.

Strategic Direction

Demonstrating ongoing relevance to citizens and other stakeholders. OAG will amplify its voice in accountability hence raise the value of audit for the citizenry.

Strategic Priority 3: Be a Model Organization for Effective Service Delivery

Issue

To effectively deliver value to Kenyans and other stakeholders, OAG must put in place effective structures and ensure adequate resources for excellence in service provision.

**STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES
(CONTINUED)**

How do we improve our organization and management for effective service delivery?

Strategic Direction

In its endeavor to make a difference in the lives and livelihoods of the Kenyan people, OAG will put in place strong governance structures, systems and an effective and efficient human resource that delivers quality and value to the staff.

5. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

1) Sustainability strategy and profile

Our strategic orientation will be driven by our vision of '*Making a difference in the lives and livelihoods of the Kenyan people*' in an increasingly complex audit environment, increased audit risks and emerging priorities, as well as continuously escalating stakeholder expectations, which have become our new reality. The strategy takes into account that we had to immediately deal with radically reduced physical proximity to our clients and other staff due to COVID-19 pandemic, an influx of collaborative tools and the digitization of the global economy. These significant changes have affected our existing processes, systems and routines, but, more importantly, they have inspired new approaches to our work as we craft our way forward. One thing is certain, the Office of the Auditor-General will turn up and continue to deliver effectively.

The Office acknowledges that the implementation of the Strategic Plan will require a large outlay of resources. Hence, we require the support of Parliament, the National Treasury and our Development Partners to succeed. In our effort to promote accountability in the public sector we will focus on our strategic priorities.

2) Environmental performance

All our practises focused on a clean and friendly environment. In addition, the Office has leveraged on Information Technology through adoption of Audit Management System which has greatly reduced audit paperwork.

3) Employee welfare

The Office has implemented measures to ensure staff welfare is documented in policies and regulations.

1. The policy of the Office on hiring provides as follows:

- i) The Office of the Auditor -General is an equal opportunity employer and candidates will be selected on merit through fair and open competition from a wide range of eligible candidates.

CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING (CONTINUED)

- ii) In making appointments, the Office shall not exclude applicants from being considered for appointment on the basis of gender, race, religion, ethnicity, disability, sex, marital status, health status, age, birth or any other form of discrimination.
 - iii) The principles of affirmative action, gender and persons with disability is considered. The Auditor-General shall as far as possible observe gender mainstreaming/balance on appointments and promotions and ensure as far as possible that a minimum of 30% of either gender is considered.
 - iv) These policies are reviewed whenever there is a significant change in legislation.
2. Efforts made in improving skills and managing careers, appraisal, and reward systems.
- (i) The Office recognizes staff training and development as a strategic investment. It is the policy of the Office to train and develop individual employees and teams to equip them with the skills, knowledge and competences that they require for undertaking current and future tasks.
- 3) The scope of learning and development activities include the following:
- (i) Induction
 - (ii) Mentorship Programme
 - (iii) Conferences, Seminars and Workshops
 - (iv) On the Job Training
 - (v) In house Training
 - (vi) Exchange Programs
- 4) Performance Management
- (i) The Office recognizes that in order to achieve organizational effectiveness and to effectively deliver on its mandate, it must pursue a management policy that enables it to establish a high-performance culture. This is a culture in which individuals and teams take responsibility for their individual and corporate performance.

CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING (CONTINUED)

(ii) The Annual Performance Management Cycle involves a Three Stage Annual Review process which includes Planning, Monitoring Progress and Reviewing Performance.

(iii) Employees whose performance is exceptional are rewarded in such manner as the Office may deem fit. Where appraisal results indicate low performance, the employee shall be assisted through training and counselling with a view to improving performance.

4) Market Place Practices

The Office market place practice efforts are as outlined below:

a) Responsible Competition

The Office upholds transparent processes in the sourcing and selection of all suppliers and service providers. This open competition, in addition to observance of integrity and ethical practices at every level of procurement, has enabled the Office to realize fair competition amongst players and ensure compliance with Article 227 of the Constitution.

b) Responsible Supplier Chain and Supplier Relations

The performance of our suppliers is considered key to our business. In this regard, the Office has strived to put in place various measures to improve supplier relations, including but not limited to, drawing up Service Level Agreements (SLAs) with the service providers which clearly spell out responsibilities for each party, prompt payments to contractors and service providers, provision of consistent feedback on our processes among other measures. Similarly, we intend to have supplier training sessions and other interactive forums where we shall engage effectively, share our strategic goals and discuss ways of reducing overall stockholding costs through timings of orders.

c) Product Stewardship

To enable the staff realize full benefits from the goods and services acquired, the Office has consistently ensured that sourcing and selection is based on high quality

CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING (CONTINUED)

products with warranties where applicable to guard against losses which may arise from manufacturers defects.

(a) Community Engagements

CSR&S Thematic Areas

The Office has identified key thematic areas that guide CSR&S initiatives. Occasionally, OAG sponsors worthy causes in response to requests from the society that fall within OAG's CSR&S thematic areas and subject to budgetary availability. The three thematic areas include; Responsibility for Financial Prudence, Responsibility for Stakeholders' Welfare and Responsibility for Sustainability. Some of the CSR activities undertaken by OAG during the year are highlighted below:

CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING (CONTINUED)

1. Donation of Two Beds Towards ‘Adopt -A- Bed’ Call by the Kenyatta National Hospital (KNH)

The Auditor-General heeded to the passionate appeal by the management of Kenyatta National Hospital to Adopt- a -bed at KNH. On 14 April, 2022, the Auditor-General together with the Chair - CSR Committee in the company of the other committee members donated two patient beds to the Kenyatta National Hospital.

CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING (CONTINUED)

2. Christmas Gifts to Kariobangi Chesire Home for the Elderly

As a way of responding to the needs and welfare of the elderly and less privileged in our society, CSR Committee through senior management sent an appeal to OAG staff to contribute food stuff and clothing for the Kariobangi Chesire Home for the Elderly. On 17 December, 2021, the chair, CSR & S Committee led a team from the Office to visit and donate items which had been donated by staff.

6. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 81(1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Auditor-General prepares financial statements in respect of that Office. Section 81(3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Auditor-General is responsible for the preparation and presentation of the financial statements, which give a true and fair view of the state of affairs of the Office as at the end of the financial year ended on 30 June, 2022. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose, with reasonable accuracy at any time, the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Office; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Auditor-General accepts responsibility for the Office's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Auditor-General is of the opinion that the financial statements give a true and fair view of the state of the Office transactions during the financial year ended 30 June, 2022, and of the its financial position as at that date. The Auditor-General further confirms the completeness of the accounting records maintained for the Office, which have been relied upon in the preparation of the financial statements as well as the adequacy of the systems of internal financial control.

STATEMENT OF MANAGEMENT RESPONSIBILITIES (CONTINUED)

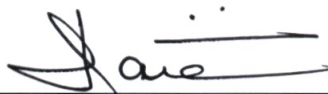

The Auditor-General confirms that the Office has complied fully with applicable Government Regulations and the terms of external financing covenants and that the funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Auditor-General confirms that the financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The Office of the Auditor-General's financial statements were approved and signed by the Auditor General on 25 June 2024.

1. REPORT OF THE INDEPENDENT AUDITOR ON THE FINANCIAL STATEMENTS OF THE OFFICE OF THE AUDITOR-GENERAL FOR THE YEAR ENDED 30 JUNE 2022

Opinion

We have audited the financial statements of the Office of the Auditor-General (OAG), set out on pages 1 to 22, which comprise the statement of receipts and payments, statement of cash flows for the year from 1 July 2021 to 30 June 2022, statement of assets and liabilities as at 30 June 2022 and notes to the financial statements.

In our opinion, the accompanying financial statements present fairly in all material respects the assets and liabilities of the Office of the Auditor-General as at 30 June 2022 and of its receipts and payments and cash flows for the year then ended in accordance with the cash basis of accounting described in Note 1 – statement of compliance and basis of preparation.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Office of the Auditor-General in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have not determined any matter to be a key audit matter to be communicated in our report.

Other information

The Auditor-General is responsible for the other information. The other information comprises key Office of the Auditor-General information and management, foreword by the Auditor-General, management discussion and analysis, statement of the Auditor-General management responsibilities and Annex 1 to Annex 5 that comprise the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

REPORT OF THE INDEPENDENT AUDITOR ON THE FINANCIAL STATEMENTS OF THE OFFICE OF THE AUDITOR-GENERAL FOR THE YEAR ENDED 30 JUNE 2022 (CONTINUED)

Other information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Auditor-General and those charged with governance of the Office of the Auditor-General

Auditor-General is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances and under the requirements of the Government Regulations, and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Auditor-General is responsible for assessing the Office's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the Auditor-General is aware of the intention to terminate the Office or to cease operations.

Those charged with governance are responsible for overseeing the office's financial reporting process.

Auditor's Responsibilities for the Audit of the Office of the Auditor-General Financial Statements

Our objectives are to obtain reasonable assurance about whether the Office of the Auditor-General financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Office of the Auditor-General's financial statements.

As part of an audit in accordance with International standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

REPORT OF THE INDEPENDENT AUDITOR ON THE FINANCIAL STATEMENTS OF THE OFFICE OF THE AUDITOR-GENERAL FOR THE YEAR ENDED 30 JUNE 2022 (CONTINUED)

Auditor's Responsibilities for the Audit of the Office of the Auditor-General Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the office's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the auditor general.
- Conclude on the appropriateness of the Auditor-General's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Office's ability to continue to sustain its services. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Office to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT OF THE INDEPENDENT AUDITOR ON THE FINANCIAL STATEMENTS OF THE OFFICE OF THE AUDITOR-GENERAL FOR THE YEAR ENDED 30 JUNE 2022 (CONTINUED)

Report on other legal requirements

As required by the Public Audit Act, 2015 we report to you that:

- a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion proper books have been kept by the Office, so far as it appears from our examination of those books;
- c. The Office's financial statements are in agreement with the accounting records.

The engagement partner responsible for the audit resulting in this independent auditor's report is FCPA Mohamed Asif Chaudhry, Practising Certificate No. 2059.

14. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the Office of the Auditor-General. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012.

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Office of the Auditor-General for all the years presented.

a) Recognition of Receipts

The Office of the Auditor-General recognises all receipts from the various sources when the event occurs and the related cash has actually been received.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

i) Transfers from the Exchequer

Transfers from the Exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the Office.

ii) External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners. Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the Office or by the beneficiary. In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30 June, 2022, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

iii) Other Receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of Payments

The Office recognises all payments when the event occurs, and the related cash has been paid out.

i) Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ii) Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

iii) Interest on Borrowing

Borrowing costs that include interest are recognized as payment in the period in which they are paid for.

iv) Repayment of Borrowing (Principal Amount)

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made.

v) Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

5. In-kind contributions

In-kind contributions are donations that are made to the Office in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Office includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Third Party Payments

Included in the receipts and payments, are payments made on its behalf to third parties in form of loans and grants. These payments do not constitute cash receipts and payments and are disclosed in the payment to third parties in the statement of receipts and payments as proceeds from foreign borrowings.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

7. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and a commercial bank at the end of the financial year.

a) Restriction on Cash

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30 June, 2022 this amounted to **KShs.21,290,208** as compared to **KShs.19,821,634** in prior period as indicated on Note 7A. There were no other restrictions on cash during the year.

8. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the

imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

9. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

10. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Office at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament in June, 2021 for the period 1 July, 2021 to 30 June, 2022 as required by Law and there were two supplementary adjustments to the original budget during the year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30 June, 2022.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by:

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- i. Restating the comparative amounts for prior period(s) presented in which the error occurred; or
- ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented. During the year, errors that have been corrected are disclosed under note 12 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

16. Contingent Liabilities

Regulation 148 (9) of the PFM (National Government) Regulations, 2015 requires the Accounting Officer of a National Government entity to report on the payments made, or losses incurred, by the National Government entity to meet contingent liabilities as a result of loans during the financial year.

A contingent liability is:

- a) A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) A present obligation that arises from past events but is not recognised because:
 - i) It is not probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.

Some of contingent liabilities may arise from: litigation in progress, guarantees, indemnities. Letters of comfort/ support, insurance, Public Private Partnerships, The Office of the Auditor-General does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits or service potential is remote. *Annex 3* of this financial statement is a register of the contingent liabilities in the year.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

17. Due to Exchequer

At the end of each financial year, the unutilized funds that were issued to through the Exchequer are swept back by the National Treasury.
