CHAIRPERSON'S FOREWORD

This report contains the Committee's proceedings on the consideration of the Pensions (Amendment) Bill (*National Assembly Bill No. 26 of 2020*). The Bill was published on 26th August 2020, read a First Time on 10th September 2020 and committed to the Departmental Committee on Finance and National Planning for review and report to the House pursuant to Standing Order 127.

The Bill seeks to amend the Pensions Act Cap. 189 to provide timeline within which pension shall be payable upon retirement from service. It seeks to remedy the delays in payment of pension after it is due.

Following placement of adverts in the print media on 18th September 2020 requesting for comments on the Bill from members of the public and relevant stakeholders pursuant to Article 118(1) (b) of the Constitution and Standing Order 127(3), the Committee received memoranda from two (2) stakeholders. The Committee discussed the Bill with stakeholders at the Emara Ole Sereni Hotel, Nairobi on Thursday, 15th July 2021 with two (2) stakeholders making submissions.

The stakeholders supported the proposed amendment as it provides a timeline for pension payment by the government. The Committee agreed with the concerns raised by the Stakeholders and as such, proposed that the Pensions Act be amended further to provide for a period within which the employing government entity should submit a retiree's documents to the Pensions Department for payment of pension.

On behalf of the Departmental Committee on Finance and National Planning and pursuant to provisions of Standing Order 199 (6), it is my pleasant privilege and honour to present to this House the Report of the Committee on its consideration of the Pension (Amendment) Bill (*N.A. Bill No. 26 of 2020*). The Committee is grateful to the Offices of the Speaker and the Clerk of the National Assembly for the logistical and technical support accorded to it during its sittings. The Committee further wishes to thank the National Treasury and Planning and the Salaries and Remuneration Commission for submitting their comments on the Bill. Finally, I wish to express my appreciation to the Honourable Members of the Committee and the Committee Secretariat who made useful contributions towards the preparation and production of this report.

It is my pleasure to report that the Committee has considered the Pension (Amendment) Bill (*N.A. Bill No. 26 of 2020*) and have the honour to report to the National Assembly with the recommendation that the Bill be approved with amendments.

Hon. Gladys Wanga, CBS, M.P.

Chairperson, Departmental Committee on Finance and National Planning

PART TWO

2 OVERVIEW OF THE PENSIONS (AMENDMENT) BILL (NATIONAL ASSEMBLY BILL NO. 26 OF 2020)

2.1 ANALYSIS OF THE BILL

6. The Pensions (Amendment) Bill, 2020 seeks to amend the Pensions Act Cap.189 to provide timeline within which pension shall be payable to an officer.
7. The Bill further seeks to remedy the delays in payment of pension upon retirement from public service

2.2 REVIEW OF THE PENSIONS (AMENDMENT) BILL, 2020

8. The Pensions (Amendment) Bill, 2020 contains two (2) clauses where clause (1) provides for the short title whereas clause 2 seeks to amend Section 6 of the Pensions Act. Cap. 189 by inserting a new sub section 1A immediately after Subsection (1).
9. The new subsection (1A) provides that pension shall be paid within ninety days from the date such pension becomes payable.

PART THREE

3 PUBLIC PARTICIPATION/STAKEHOLDER CONSULTATION

10. Following the call for memoranda from the public through the placement of adverts in the print media on **18th September 2020** requesting for comments from the public on the Bill and invitation of stakeholders vide letter REF: NA/DDC/F&NP/2021/32 dated 9th July 2021 for a stakeholder engagement retreat on the Bill which was held at Emara Ole Sereni Hotel, Mombasa Road Thursday, 15th July 2021, the Committee received memoranda from the following stakeholders:

- i. The Salaries and Remuneration Commission (SRC)
- ii. The National Treasury and Planning

The stakeholders submitted as follows:

3.1 THE SALARIES AND REMUNERATION COMMISSION (SRC)

In a meeting with SRC held on Thursday, 15th July 2021, the Chief Executive Officer, Ms. Anne Gitau, submitted as follows, **THAT—**

11. The Commission was in support of the Bill because the proposed timelines for payment of pension dues are just and reasonable and will address the delays that have been experienced in the past in payment of pension. However, to ensure that the proposed amendment is effectively implemented, the Commission was of the opinion that the Committee should establish whether there are any existing legislative or administrative gaps that hinder the timely processing and payment of pension dues with a view to addressing such issues with finality.
12. It should be established from the National Treasury Pensions Department whether the proposed timeline is implementable.

Committee's Observation

The Committee took note of the Commission's concern on establishing whether there are existing legislative or administrative gaps that required to be addressed in order to achieve the desired effect of the proposed legislative amendment.

The Committee therefore propose to amend the Bill to provide for setting up of regulations to guide the processing of pensions by the originating government entities and the responsibilities of the Pensioners.

3.2 THE NATIONAL TREASURY AND PLANNING

In a meeting with the Committee held on Thursday, 15th July 2021, the Chief Administrative Secretary, National Treasury, Hon. Nelson Gaichuhie submitted as follows, **THAT—**

13. The proposed amendment conforms to Articles 21(2), 43(1) and 43(3) of the Constitution. Article 43(3) mandates the state to ensure that the right to social security is appropriate to persons who are unable to provide for themselves and their dependants. Article 21(2) provides that the state shall ensure that there is a legislative and policy framework and

other measures including setting of standards to achieve the progressive realisation of the rights guaranteed under Article 43 of the Constitution.

14. The Pensions Department is well capacitated to process pension in time but the delays experienced are occasioned by delays in submission of documentation from the government agencies that the pensioners were employed in.
15. In order to operationalize the proposed amendment, subsidiary legislation will be drafted to provide for among others:
 - i. The obligations of Ministries, Departments and Agencies originating the respective pension payment claim;
 - ii. The handling of pension payment claims that lack adequate information for effective processing.

Committee's Observation

The Committee agreed to the proposal by National Treasury on the enactment of subsidiary legislation to operationalise the amendment.

PART FOUR

4 COMMITTEE OBSERVATIONS

Upon reviewing the Bill, the Committee observed the following:

16. If enacted, the Bill will make it possible for pensioners who have retired from public service receive their pensions soon after retirement;
17. An automated pension system that will link up the National Treasury Pensions Department with pension departments of all government entities should be put in place in order to increase efficiency in pension processing;
18. The National Treasury should review the number of documentation needed for the processing of pension with a view to making the process easier; and
19. The National Treasury should build the capacity of pensions departments in public entities in order to enhance their efficiency in processing pension for their employees.

PART FIVE

5 COMMITTEE RECOMMENDATION

20. The Committee having considered the Pensions (Amendment) Bill (*N.A. Bill No. 26 of 2020*) recommends that the House passes the Bill with amendments as proposed in the schedule in chapter 6.

PART SIX

Justification

- (1B) Without prejudice to the generality of subsection (1A), the Ministry or department where an officer was serving prior to retirement, shall send the relevant documents to the Pensions Department within thirty days from the date of retirement of the officer.

MIN.NO.NA/F&NP/2021/253 COMMUNICATION FROM THE CHAIRPERSON

The meeting was called to order at 3.13 p.m. and a prayer was said. The Chairperson then called for introduction of those present before inviting National Treasury to make their submissions on the Public Finance Management (Amendment) (No. 3) Bill, 2020; the Pensions (Amendment) Bill, 2020; and the Kenya Deposit Insurance (Amendment) Bill, 2020.

MIN.NO.NA/F&NP/2021/254: CONFIRMATION OF MINUTES Agenda deferred

MIN.NO.NA/F&NP/2021/255: MEETING WITH THE NATIONAL TREASURY TO CONSIDER THE PUBLIC FINANCE MANAGEMENT (AMENDMENT) (NO. 3) BILL, 2020; AND THE PENSIONS (AMENDMENT) BILL, 2020

The Chief Administrative Secretary, National Treasury, Hon. Nelson Gaichuhie submitted as follows:

Pensions (Amendment) Bill, 2020

National Treasury supports the amendment proposed in the Bill as it will expedite processing of pension to retirees. They will draft regulations that will ensure that the law is operationalized.

The Pensions Department is well capacitated to process pension in time but the delays are occasioned by delays in submitting documentation from government agencies that the pensioners were employed in.

MEMBERS' DELIBERATIONS

1. On how delays in the processing of pensions for teachers and police officers are being addressed, the meeting was informed that 30 officers from the Pensions Department have been assigned to TSC and National Police Service for document verification so that payment is made in time.
2. On the quantum of pension that becomes payable after retirement, the meeting was informed that the initial payment is a quarter of the pension amount (lump sum) and the balance is paid monthly.
3. The Committee requested the National Treasury to provide a list of documents required for pension to be processed.

Public Finance Management (Amendment) (No. 3) Bill, 2020

National Treasury proposed that the timeline is amended to two months in order to allow public entities adequate time to prepare financial statements, complete internal approvals and National Treasury quality reviews before submission to the Auditor General.

MEMBERS' DELIBERATIONS

On why National Treasury has been late in disbursing funds to public entities, Hon. Gaichuhie stated that this is because KRA has not been able to meet their revenue targets except the last FY where they surpassed their target.

Details of the submissions made by National Treasury on the two Bills are contained in Part III of the Report on the consideration of the Pensions (Amendment) Bill (N.A. Bill No. 26 of 2020) and the Public Finance Management (Amendment) Bill (N.A. Bill No. 39 of 2020).

MIN.NO.NA/F&NP/2021/256:

MEETING WITH THE KENYA DEPOSIT INSURANCE CORPORATION TO CONSIDER THE KENYA DEPOSIT INSURANCE (AMENDMENT) BILL, 2020

The Chairperson invited the CEO, KDIC to make their submission on the Kenya Deposit Insurance (Amendment) Bill, 2020. Mr. Mohamud submitted as follows:

KDIC did not support the amendments proposed in the Bill because there was a review of the coverage limit from KSh. 100,000 to KSh. 500,000 vide LN. NO. 159 of 2020 which was communicated vide gazette notice No. Vol. CXXII-NO. 159 on 28th August 2020.

Increasing the coverage limit to KSh. 1,000,000 will increase the Corporation Fund exposure to KSh. 950 billion against the current fund of KSh. 130 billion which. The difference will have to be funded from the exchequer pursuant to section 20(4) of the KDI Act.

MEMBERS' DELIBERATIONS

1. On where KDIC invests the premiums collected from banks, Mr. Mohamud informed the meeting that KDIC collects between KSh. 5 billion and KSh. 6 billion from banks per year which is invested in Government securities. The fund is currently at KSh. 139 billion.
2. On how many depositors are covered with the coverage limit of KSh. 500,000, the meeting was informed that the amount covers 99% of the depositors.
3. KDIC was encouraged to engage more with the Committee.

Details of the submissions made by Kenya Deposit Insurance Corporation on the Bill are contained in Part III of the Report on the consideration of the Kenya Deposit Insurance (Amendment) Bill (N.A. Bill No. 43 of 2020).

The meeting was called to order at 9.23 a.m. and a prayer was said. The Chairperson then welcomed the Legal Counsel to brief the Committee on the Public Finance Management (Amendment) (No. 3) Bill, 2020; the Pensions (Amendment) Bill, 2020; and the Kenya Deposit Insurance (Amendment) Bill, 2020.

CONFIRMATION OF MINUTES

Agenda deferred

MIN.NO.NA/F&NP/2021/249:

BRIEFING ON THE PUBLIC FINANCE MANAGEMENT (AMENDMENT) (NO. 3) BILL, 2020; THE PENSIONS (AMENDMENT) BILL, 2020; AND THE KENYA DEPOSIT INSURANCE (AMENDMENT) BILL, 2020

The Legal Counsel, Ms. Jennifer Ndeto, briefed the Committee on the amendments proposed in the three Bills.

On the Kenya Deposit Insurance (Amendment) Bill, 2020, Members noted that the figure of compensation had been reviewed from KSh. 100,000 to KSh. 500,000 in 2020 through Regulations.

On the Pensions (Amendment) Bill, 2020, the meeting observed that the timeline is important as it will ensure that retirees are paid their pension soon after retirement.

MIN.NO.NA/F&NP/2021/250:

STAKEHOLDER ENGAGEMENT ON THE PUBLIC FINANCE MANAGEMENT (AMENDMENT) (NO. 3) BILL, 2020

The stakeholders were invited into the meeting. The Chairperson called for introduction of those present before inviting stakeholders to make submissions on the Bill. They submitted as follows:

Ministry of Foreign Affairs

Were opposed to the amendment because of the following reasons:

1. Delay in disbursement of budgetary allocation to the Ministry sometimes towards the end of the fourth quarter which poses a challenge in spending and finalizing the reporting of those funds in the shortened time period;
2. The Ministry has 56 Mission stations abroad and it therefore takes time to collate the financial data on revenue and expenditure from all the units especially since they are not automated (not in the IFMIS platform);
3. Draft financial statements are normally reviewed for quality assurance by the National Treasury before submission to the Office of the Auditor General and other required offices. The review may not be possible with the proposed timeline;
4. The proposed timeline will shorten the time to prepare financial statements and key reports that make up the annual reports and financial statements and have them internally reviewed; and
5. The Ministry does not have any alternative system outside the IFMIS for reporting on all financial activities of the Missions abroad. In the absence of this interface, real time reporting is currently not practically feasible.

MEMBERS' DELIBERATIONS

1. On whether it is possible to submit piecemeal reports to the Office of the Auditor General, the meeting was informed that this is not possible because the OAG wants a comprehensive report. National Treasury demands full reporting of the amounts issued to the Ministry.
2. On why all Mission stations are not on the IFMIS system, the meeting was informed that this has been caused by lack of exchequer and internet connectivity in some missions. The Ministry is however working on completing connection of all Missions to the system in the next three years depending on availability of exchequer.
3. On whom the sanctions in the Bill are directed to, the meeting was informed that the sanctions are directed to the accounting officers. The sanctions can be more meaningful as opposed to serving a jail term of five years.

Institute of Certified Public Accountants of Kenya (ICPAK)

For the timeline to be revised, measures have to be put in place to ensure that there is fiscal discipline and National Treasury disburses exchequer to Government Agencies in time.

They proposed that the timeline should be changed to two months (31st August) as opposed to the one month proposed in the Bill. This will facilitate compliance and ensure that good quality reports are submitted. The one month timeline may result in submitting substandard work and it will not be possible to carry out quality review which has improved public financial reporting.

MEMBERS' DELIBERATIONS

On why they were requesting for a review of the timeline to two months, they stated that this is because of late disbursement of funds by National Treasury and due to complexities in Government.

Heads of Accounting and Finance Units in the Public Sector

Some state agencies still use the manual system for financial reporting. It will therefore be difficult for them to submit their reports within the revised timeline. Additionally, some government offices are located in places where there is no internet coverage.

They proposed that the timeline should be revised to two months.

Public Service Accounting and Standards Board (PSASB)

They submitted that the one month proposed in the Bill may not be sufficient for internal auditors to review the report.

They noted that the Office of the Auditor General should be strengthened. Additionally, Government operations should be automated in order to make it easier for the reports to be prepared.

The capacity of government accountants should be enhanced. This is because there have been no systemic errors in the IFMIS System but there have been human errors.

MEMBERS' DELIBERATIONS

1. On what should be done to ensure that National Treasury disburses funds in time, the meeting was informed that cash-flows may not make it possible for National Treasury to disburse funds earlier in the quarter. Measures should be put in place to enable accrual accounting to be done.
2. On why internal audit is done yet the Auditor General audits the accounts too, the meeting was informed that internal audit is an internal process to provide internal assurance to the management and should therefore be delinked from external audit.

Office of the Auditor General

The Office supported the proposed amendment because:

1. It will improve relevance and usefulness of the information reported;
2. Enables management to take any remedial action early enough if required;
3. Indicates the responsiveness of the government to the public's concerns and informs superior managerial capability and greater openness and transparency about how peoples' business is conducted;
4. Helps to build trust and confidence in government thereby increasing the confidence of investors and development partners in government;
5. Is a basis for performance evaluation;

6. Improves financial and managerial discipline;
7. Synchronization of the budgeting and accountability cycles;
8. Evaluation of performance of government;
9. Enable Parliament and county assemblies make informed budget decisions;
10. Make it possible for in-year audits to be done; and
11. Improved efficiency in auditing.

MEMBERS' DELIBERATIONS

1. On how reporting can be done within the shortened timeline despite late disbursement of funds by National Treasury, the Auditor General stated that there is need to introduce accrual accounting. An end should be brought to the National Treasury sending money at the end of a financial year and forcing it to be accounted for in the previous financial year. Parliament should ensure that the cut off period is adhered to by all government entities.
2. On how the quality of reports can be improved, the meeting was informed that this can be done by empowering internal audit departments in government offices.
3. On whether the Auditor General has met the Constitutional timeline of auditing, the Auditor General stated that her office has never met the timeline due to late submission of reports by government agencies.
4. On what can be done to increase fiscal discipline, the Auditor General stated that this can be done by enforcing the Public Finance Management Act and the Public Finance Management Regulations.

Details of the amendments proposed by stakeholders on the Bill are contained in Part III of the Report on the consideration of the public Finance Management (Amendment) (No. 3) Bill (N.A. Bill No. 39 of 2020).

MIN.NO.NA/F&NP/2021/251: MEETING WITH SALARIES AND REMUNERATION COMMISSION TO CONSIDER THE PENSIONS (AMENDMENT) BILL, 2020

The Chairperson called for introduction of those present before inviting SRC to make their submission on the Pensions (Amendment) Bill, 2020.

Ms. Anne Gitau, CEO, SRC submitted that the proposal to have a timeline for payment of pension is good. It is however important to find out reasons that have been hindering processing of pension in time and address them.

Details of the amendments proposed by SRC on the Bill are contained in Part III of the Report on the consideration of the Pensions (Amendment) Bill (N.A. Bill No. 26 of 2020).

MIN.NO.NA/F&NP/2021/252: ADJOURNMENT/DATE OF NEXT MEETING

There being no other business to deliberate on, the meeting was adjourned at 2.24 p.m. The next meeting will be held at 3.00 p.m.
