# II. FORWARD BY THE CHAIRMAN NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT FUND COMMITTEE (NGCDFC)

The Suna East NG-CDF has received tremendous accolades towards its performance with the Constituency Development Funds especially in areas of Education, Security, water and the roads sectors. Many needy students have been able to acquire education due to the fare distribution of the bursary funds; security has improved with the construction of five administration police posts and installation of solar lights.

Despite the success stories, there have been challenging issues such as late and piecemeal disbursement of funds from the Board, legal issues over the CDF leading to uncertainty of the fund, political rhetoric's.

However despite the challenges the Fund has improved the welfare of the common mwananchi.

### REPORT OF THE AUDITOR-GENERAL ON FINANCIAL STATEMENTS OF NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – SUNA EAST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

### REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of National Government Constituencies Development Fund – Suna East Constituency set out on pages 5 to 16, which comprise, statement of assets as at 30 June 2016, and the statement of receipts and payments, statement of cash flows, summary statement of appropriation recurrent and development for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

### Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229 (7) of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Suna East Constituency for the year ended 30 June 2016

financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

### Basis for Qualified Opinion

### 1. Inaccuracies in the Financial Statements

During the year under review, the following figures relating to the 2014/2015 financial year have been retrospectively restated.

|                              | Restated<br>Comparative<br>Figure as at 30<br>June 2016 | Audited<br>Figure as at<br>30 June 2015 | Difference |
|------------------------------|---|---|------------|
|                              | Kshs.   | Kshs.                                   | Kshs.      |
| Compensation of<br>Employees | 1,485,216   | 1,797,109                               | 311,893    |
| Use of Goods and Services    | 3,507,830   | 3,505,100                               | (2,730)    |
| Committee Expenses           | 7,820,500   | 10,650,500                              | 2,830,000  |
| Other Grants and Transfers   | 77,089,294  | 81,902,794                              | 4,813,500  |

Consequently, the accuracy of the financial statements cannot be confirmed.

### 2. Other Grants and Transfers

### 2.1 Construction of Latrines at the Nyabiswa Administration Police Post

Included in other grants and transfers balance of Kshs.58,787,244 is payment of Kshs.2,000,000 to a construction firm for the construction of pit latrines at the Nyabiswa Administration Police Post. However, an audit verification exercise carried out on 15 May 2017 revealed that the latrines had not been built even though a site inspection report by the management dated 26 January 2016 indicated that the works were inspected on the same date and found to be satisfactory.

Consequently, the propriety of the expenditure of Kshs.2,000,000 incurred on the project cannot be confirmed.

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Suna East Constituency for the year ended 30 June 2016

### 2.2 Construction of Culverts at Rayudhi

Included in other grants and transfers balance of Kshs.58,787,244 is payment of Kshs.5,400,000 to a local construction firm for construction of a box culvert at Rayudhi at a contract sum of Kshs.6,127,485 and a contract period of three (3) months. However, the contactor had not completed the work as at May 2017 and was in addition, not on site. The CDF management had not taken any necessary steps to address the situation, yet the objective upon which the box culvert was constructed has not been achieved as residents and the school children still cross the river using makeshift bridge.

Consequently, the constituents did not receive value for the constituents' money invested in this project.

### 3. Cash and Cash Equivalents

The cash and cash equivalents balance of Kshs.54,049,433 as analysed in the bank reconciliation statement and the cash book revealed the following anomalies:

- i) The cash book balance as per the bank reconciliation statement is indicated as Kshs.27,499,310 which is at variance with the financial statement's balance of Kshs.54,049,433 leading to an unreconciled difference of Kshs.26,550,123.
- ii) Cheques of Kshs.1,914,175 were unpresented for payment in the bank for more than six months after issue and were therefore stale but had not been reversed in the cash book as at 30 June 2016.
- iii) Payments totalling Kshs.20,091,964 had not been posted to the cash books even though they had been cleared by the bank.

Consequently, it has not been possible to confirm that the cash and cash equivalents bank balance of Kshs.54,049,433 as at 30 June 2016 as fairly stated.

### 4. Statement of Appropriation – Recurrent and Development

The summary statement of appropriation for recurrent and development expenditure indicates that the original budget estimates totalled Kshs.137,996,500. However, the approved budget as per the National Government Constituencies Development Fund Board was Kshs.112,753,524 thus leading to an unexplained difference of Kshs.25,242,976. In addition, subsequent adjustments totalling Kshs.28,280,710 reflected in the statement have not been supported.

Consequently, the accuracy of the summary statement of appropriation cannot be confirmed.

### 5. Pending Accounts Payables

Note 15.1 to the financial statements reflects pending bills of Kshs.19,057,148 and Note 15.2 indicates other pending payables as at 30 June 2016 of Kshs.20,377,456. However, no documents have been provided to support these balances.

Consequently, the accuracy of the pending accounts payables and other pending payables balances cannot be confirmed.

### **Qualified Opinion**

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund -Suna East Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015.

### **Other Matter**

### 1. Budgetary Control and Performance

### 1.1. Budget Performance

Suna East Constituency's approved budget for 2015/2016 amounted to Kshs. 166,277,210. During the year under review, the fund incurred expenditure of Kshs.83,984,530 or 51% of the approved budget resulting to an under-expenditure of Kshs.82,292,680 as detailed below:

|  | Approved<br>Budget | Actual      | Difference | %   |
|--|--------------------|-------------|------------|-----|
|  | (Kshs)             | (Kshs)      | (Kshs)     |     |
| Receipts                               |                    |             |            |     |
| Transfers from NG-CDF<br>Board         | 166,277,210        | 166,277,210 | 0          | 0%  |
| Payments                               |                    |             |            |     |
| Compensation of Employees              | 6,917,617          | 1,989,590   | 4,928,027  | 71% |
| Use of Goods and Services              | 23,919,228         | 8,519,765   | 15,399,463 | 64% |
| Transfers to Other<br>Government Units | 58,123,121         | 14,687,931  | 43,435,190 | 75% |
| Other Grants and Transfers             | 77,317,244         | 58,787,244  | 18,530,000 | 24% |
| Total                                  | 166,277,210        | 83,984,530  | 82,292,680 | 49% |

Failure to fully utilize the funds denied the constituents of Suna East the benefits accruing to them.

Reports and Financial Statements For the year ended June 30, 2016

### VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NGCDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NGCDF.

### 2. Recognition of revenue and expenses

The NGCDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NGCDF. In addition, the NGCDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NGCDF.

### 3. In-kind contributions

In-kind contributions are donations that are made to the NGCDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

### 4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

### 5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

### 6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NGCDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NGCDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

### 7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### 8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2016.
