5. BOARD/FUND ADMINISTRATION COMMITTEE CHAIRPERSON'S REPORT

On behalf of the Car Loan and Management committee I present the County Assembly of Turkana car loan and mortgage fund financial statements for the year ended 30th June 2021. The financial statements present the financial performance of the fund over the first phase of disbursement for financial year 2020/2021.

Board and Management Changes

The New committee reviewed and interrogated the adequacy and effectiveness of the fund's organogram in carrying out its mandate and made recommendations. The board carried out the assignment and made several recommendations key among them the automation of the fund's operations. The organisation arrangement is expected to enhance efficiency in service delivery.

Review of performance

Income

The fund earned revenues amounting to Kshs. 3,746,678 from interests' income. This income was high because the 3rd phase of fund disbursement was awarded to many members of staff who had met the requirements of borrowing funds. This time the interests earned was twelve months compared to the previous year. For the subsequent financial year the income will increase due to 4th disbursement to those interested applicants from the entire members of staff to the County Assembly of Turkana.

Fund implementation process during the period was carried out as per the plan with the coordinated efforts by all stakeholders. The performance was also attributed to a favourable initial capital of Kshs. 96,000,000 at the beginning of the year.

Expenditures

The total expenditures during the period amounted to Kshs. 1,651,140 as general and finance expenses.

Future outlook

The outlook of the Fund for 2020/2021 looks brighter. The fund has established other funds like Car Loan and mortgage fund for the Members of the County Assembly (MCA). The fund focuses in building a robust and sustainable fund with a motivated workforce and structures that enhance efficiency and effectiveness in the service delivery. The fund looks forward to continued support from the county government and development partners to the realization of its mandate.

Appreciation

I take this opportunity to express my sincere gratitude and appreciation to the county government, development partners, stakeholders, management, staff and fellow trustees for their continued support which made us achieve these results.

I look forward to your continued support in the year 2021/2022.

Chairman-Car Loan and Mortgage (staff)

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

6. REPORT OF THE FUND MANAGER/ ADMINISTRATOR

It is my pleasure to present the car loan and Mortgage financial statements for the year ended 30th June 2021. The financial statements present the financial performance of the fund over the 2nd phase disbursement for the year 2020/2021.

The fund was established on March 2016. It started with an initial amount of Kshs 96,000,000 appropriated by the County Assembly in the Turkana County Appropriation (Amendment) Act, 2018. Since then, a total of 63 loan beneficiaries have made borrowings amounting to more than Kshs 257,000,000 million

Financial Performance

a) Revenue

In the year ended 30th June 2021, the fund had projected income interests of kshs. 3,746,678 as revenues of the fund.

In the table below, we present an analysis of revenue performance during the year.

Revenue classification	Revenue budget (Kshs)	Actual (Kshs)	Realisation (%)
Revenue	Kshs	Kshs	
Interest income	-	3,746,678	100%
Total income	-	3,746,678	100%

b) Loans

During the financial year 2020/2021, the fund disbursed loans and top ups loans amounts to Kshs.217, 163,174 to staff bringing the total loan beneficiaries to date to 63 staffs.

Cash flows

In the FY 2020/2021, we had many liquidity disruptions. This was because of non-proper planning and poor loan collections. The cash and cash equivalent as at 30th June 2021 was kshs. 249,305

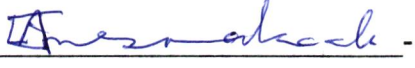

c) Conclusion

FY 2020/2021 was a good year in general. Good progress was made and the momentum has been created to enable County Assembly of Turkana car loan and Mortgage fund continue on a trajectory into prosperity. We have identified gaps to be improved on in the subsequent years.

REPORT OF THE FUND ACCOUNTANT

I take this opportunity to thank the board of trustees for their support. I would also want to thank all staff who we have worked hand in hand to ensure that County Assembly of Turkana car loan and Mortgage fund achieves its mission.

7. CORPORATE GOVERNANCE STATEMENT

THE BOARD

The Turkana county assembly car loan and mortgage fund (staff) is a revolving fund established pursuant to the Turkana County Assembly car Loan and mortgage (Staffs) scheme Fund regulations, 2016. Its mandate is to provide car loans and mortgage to members of staff. The fund is committed to ensuring compliance with regulatory and supervisory corporate governance requirements. Essential to the establishment of a corporate governance framework in the fund is a formal governance structure with the board of trustees at its apex. The operations of the fund are governed by a Turkana County Assembly Car Loan and mortgage (Staffs) scheme Fund Regulations, 2016. The structure is designed to ensure an informed decision making process based on accurate reporting to the board.

THE BOARD OF TRUSTEES

Scheme Fund Regulations, 2016 provides that the board of trustees shall be made up of nine trustees, including the chairperson, and shall consist of a chairperson and eight other members. The board of trustees is responsible for the long-term strategic direction of the fund and recruitment of the Fund Accountant. The board of trustees exercises leadership, enterprise, integrity and judgment in directing the Fund.

The trustees are provided with full, appropriate and timely information that enables them to maintain full and effective control over the strategic, financial, operational and compliance issues. The day-to-day running of the operations of the fund is delegated to the fund administrator but the board of trustees is responsible for establishing and maintaining the fund's system of internal controls for the realization of its mandate of providing financial support for improved access to water and sanitation in areas without adequate services.

All members of the board of trustees have been taken through a comprehensive induction programme, and are adequately trained on their roles as board members. The trustees are professional, committed and guided by the mission, vision and core values of the Fund in execution of their duties. At the end of each financial year, the board, its committees, individual trustees and the Fund Administrator are evaluated by an independent body against targets agreed to at the beginning of the year.

BOARD MEETINGS

The board of trustees shall be convening meetings at such times as may be necessary for the discharge of the committee's functions. The board of trustees also plays an oversight role over all other financial and operational issues. The trustees held thirty two board meetings during the FY 2020/2021.

AUDIT AND RISK COMMITTEE

In ensuring that corporate governance and integrity is enhanced in between the governance of the fund, the board of trustees has established an audit and risk committee. The committee was established to advise the board of trustees on institutional risk management and compliance. The committee held two meeting during the year. The committee is also planning to meet the Fund's external auditors KENAO to deliberate on risk management issues.

STATEMENT OF COMPLIANCE

The board of trustees confirms that the fund has complied with all statutory and regulatory requirements and that the fund has been managed in accordance with the principles of good corporate governance.

With regard to compliance the fund has fully meet the requirement that the board of trustees ought to be between nine in number as guided by the fund regulations.

INTERNAL CONTROL AND RISK MANAGEMENT

Internal Control

The trustees are responsible for reviewing the effectiveness of the fund's system of internal control, which is designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against unauthorized use or disposition and the maintenance of proper accounting records and the reliability of financial information used within the business, or for publication. These controls are designed to manage rather than eliminate the risk of failure to achieve business objectives due to circumstances which may reasonably be foreseen and can only provide reasonable and not absolute assurance against material misstatement or loss.

STATEMENT OF CORPORATE GOVERNANCE

Standing Instructions

The fund has a Code of Ethics and Service Charter that is applicable to all employees. These have a number of standing instructions to employees of the fund designed to enhance internal control.

Organization Structure

A clear organizational structure exists, detailing lines of authority and control responsibilities. The professionalism and competence of staff is maintained both through rigorous recruitment policies and a performance appraisal system, which establishes targets, reinforces accountability and awareness of controls, and identifies appropriate training requirements. Training plans are prepared and implemented to ensure that staff develop and maintain the required skills to fulfil their responsibilities, and that the fund can meet its future management requirements.

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

Strategic Plan

The business of the fund is determined by the strategic plan. The strategic plan sets out the objectives of the fund, and the annual targets to be met to attain those objectives. The strategic plan is evaluated annually to assess the achievement of those objectives. The board on an annual basis approves the work plan supported by the financial plan for the year. Progress against the plan is monitored on a quarterly basis.

Internal Control Framework

The fund continues to review its internal control framework to ensure it maintains a strong and effective internal control environment. Business processes and controls are reviewed on an on-going basis. A risk-based audit plan, which provides assurance over key business processes and operational and financial risks facing the fund, is approved by the audit and risk committee.

The audit and risk committee considers significant control matters raised by management and both the internal and external auditors and reports its findings to the board. Where weaknesses are identified, the committee ensures that management takes appropriate action. No significant failings or weaknesses were identified during the FY 2020/2021.

Risk Management

The fund has in place a risk management framework which guides the fund in identifying, assessing and managing the risks. The fund has developed a risk register which documents and prescribes mitigating measures of all the risks both external and internal facing the fund. The risk management framework and register are regularly reviewed to incorporate any emerging issues in the operating environment. The risk management is coordinated by the head of internal audit, who reviews all the risks in the fund and updates the risk register and ensures that all new and emerging risks are appropriately evaluated and any further actions identified. The identified risks are reported to the audit and risk committee to assist the board in the management of risks.

Management Team

The management team is headed by the clerk who implements the board decisions and policies through action plans. The team meets regularly to review these action plans to ensure that the board's objectives are achieved effectively and efficiently.

8. MANAGEMENT DISCUSSION AND ANALYSIS

The fund has commenced and is expected to grow over the period and the management has put measures in place to safeguard against risks.

The fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to staff with an established credit history.

The management has ensured that we comply with statutory requirements relating to the functions of the fund and also making sure that statutory deductions are remitted on time to avoid incurring penalties and interests for non-compliance.

FINANCIAL PERFORMANCE

Revenue

The fund earned its revenue amounting to KShs. 3,746,678 from its income interest. The income interest was high due to the fact that the fund was disbursed towards the start of the financial year 2020/2021.

The fund remained liquid throughout the period, experiencing high liquidity towards the end of the financial year due to delayed application and funds regulations polishing. The fund is projecting increased support from the development partners as well as the county government.

Cash flow

The cash and cash equivalents is expected to grow gradually in the course of the funds' operation periods.

OPERATIONAL PERFORMANCE

The fund's core operating activity has been offering car loans and mortgage to staff of the county assembly. The county assembly has supported the fund and an increased collection from members of staffs has also added to the fund's better performance.

MANAGEMENT DISCUSSION AND ANALYSIS

Employees

Human capital is a critical ingredient towards ensuring realisation of our key strategic objectives and mandate. As our stakeholders increase their expectations, it is imperative to ensure adequate and motivated human resource capacity is available to provide services.

During the year, the fund reviewed its organization structure that resulted to decrease of staff from two (2) to one (1). This was done after rationalizations if staffs though Human resource staff audit.

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

Conclusion

We appreciate the unrelenting support from the board of trustees, management, staff, the county government, development partners and all the key stakeholders. We look forward to the continued partnerships and cooperation in areas of mutual interest in the FY 2021/2022.

9. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

Turkana County Assembly exists to transform lives through proper legislation, oversight and community representation. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, below is a brief highlight of our achievements in each pillar

1. Employee welfare

The County Assembly Service Board has been using the County human resource manual and the schemes of services developed as per public service commission guidelines. The County Assembly has exposed some of the staff to refresher and on job trainings to improve skills and competence. CASB has a scheme of rewarding best performance through issuance of letters of appreciation and award of trophies to best performing departments.

The County Assembly is in the process of developing occupational and safety policy, however the county assembly is in compliance with MOH national framework on health safety.

2. Market place practices-

The suppliers are competitively sourced and invitations are made in national newspapers with wider circulation.

The County Assembly has embraced e-procurement platform, where all the suppliers are registered and given fair opportunity to compete.

Once the suppliers have been delivered the payment process commences through IFMIS, which ensures that suppliers are paid on time and government taxes are withheld and remitted.

In order to avoid related party transaction, The County Assembly advises its Members, staff and their close associates to disclose and register any incidents of conflict of interest.

3. Community Engagements-

Due to the growing threat of the fast spread of the corona virus in the country, Turkana County Assembly did supplementary budget to raise funds to purchase essential supplies like Soaps, Hand Washing Tanks, Sanitizers and Masks for public hospitals and social groups like churches, Community based organizations, women groups, and government departments among others.

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

Turkana County Assembly Supported women and girls in acquisition of Sanitary towels through partnership with sister to sister Initiative.

Public participations of legal and policy frameworks are consistently held to collect views of the public where they are systematically received and considered in the development of legislations. This is done through social media platforms and live local radio coverage.

The Institution also ensures that the county is a drug free zone and fewer drops out of schools by youth through speakers' Educational Outreach programme and radio talk shows organized by Women Caucus.

The schools and other institutions regularly visit the Assembly (Reverse outreach).

Speakers outreach programme to learning institutions initiated to reach out to learners in various institutions.

10. REPORT OF THE TRUSTEES/ FUND ADMINISTRATION COMMITTEE

The Trustees submit their report together with the audited financial statements for the year ended June 30, 2021, which show the state of the Fund affairs.

10.1 Principal activities

The principal activity of the Fund is to provide financing to the members of staff of the county assembly to purchase cars and houses for personal use.

10.2 Performance

The results of the Fund for the year ended June 30, 2021 are set out on pages 22 to 27.

10.3 Trustees

The staff of the Board of Trustees who served during the year is shown on page 4 and 6. There were no changes in the Board during the FY 2020/21.

10.4 Auditors

The Auditor General is responsible for the statutory audit of the Fund in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

11. STATEMENT OF MANAGEMENT'S RESPONSIBILITIES

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a County Public Fund established by Turkana County Assembly staff car Loan and Mortgage regulations of 2016 shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the County Public Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the fund; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of the fund; (v) Selecting and applying appropriate accounting policies; and (vi) Making accounting estimates that are reasonable in the circumstances.

The Administrator of the County Public Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and Turkana County Assembly staff car Loan and Mortgage regulations of 2016. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2021, and of the Fund's financial position as at that date.

The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

**TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.**

In preparing the financial statements, the Administrator of the County Public Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements.

Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Fund's financial statements were approved by the Board on 24/11/ 2021 and signed on its behalf by:

REPORT OF THE AUDITOR-GENERAL ON TURKANA COUNTY ASSEMBLY - CAR LOAN AND MORTGAGE FUND (STAFF) FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of the Turkana County Assembly – Car Loan and Mortgage Fund (Staff) set out on pages 22 to 62, which comprise of the

statement of financial position as at 30 June, 2021 and the statement of financial performance, the statement of changes in net assets, statement of cash flows, statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Turkana County Assembly - Car Loan and Mortgage Fund (Staff) as at 30 June, 2021 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Public Finance (Turkana County Assembly Mortgage Scheme Fund) Regulations, 2014.

Basis for Qualified Opinion

Unsupported Current and Long-Term Receivables from Exchange Transactions

The statement of financial position reflects current portion of long-term receivables from exchange transactions and long-term receivables from exchange transactions balances of Kshs.53,505,568 and Kshs.261,081,755 respectively both totalling Kshs. 314,587,323. However, the supporting schedules and ledgers were not provided for audit.

In the circumstances, the accuracy and completeness of balances of Kshs. 314,587,323 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Turkana County Assembly - Car Loan and Mortgage Fund (Staff) Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior Year Audit matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements and Report on Lawfulness and Effectiveness in Use of Public Resources. However, the Management had not resolved the issues or given any

explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates and The National Treasury's Circular Ref: No. AG. 4/16/2 Vol.3 (72) of 30 June, 2021.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Non Deduction and Remittance of Statutory Dues

During the year under audit, the Fund did not deduct and remit to the Kenya Revenue Authority fringe benefit tax amounting to Kshs.3,854,312. This is contrary to Section 37 (1) of the Income Tax Act CAP 470 that requires an employer paying emoluments to an employee to deduct therefrom, and account for tax thereon, to such extent and in such manner as may be prescribed.

In the circumstances, the Fund Management was in breach of the law.

2. Receivables from Exchange Transactions

The statement of financial position and as disclosed in Note 11 to the financial statements reflects current and non-current receivables balances of Kshs.53,505,568 and Kshs.261,081,755 respectively both totalling Kshs.314,587,323. However, the following issues were noted;

2.1 Unauthorized Internal Borrowings

Note 11 to the financial statements reflects a balance of current receivables from exchange transactions of Kshs.53,505,568 related to internal borrowing by Turkana County Assembly during the year under review. However, the Management has not provided County Assembly's approval and acknowledgement of funds by the County Treasury. This is contrary to Section 142(1) and (3) of the Public Finance Management Act, 2012 which states that the County Assembly may authorise short term borrowing by county government entities for cash management purposes only and a county government entity that has any such borrowing shall ensure that the money borrowed is repaid within a year from the date on which it was borrowed.

2.2 Defaulted Loans

Included in Note 11 to the financial statements is long-term receivables from exchange transactions balance of Kshs.261,081,755 which further includes an amount of Kshs.5,262,995 relating to three (3) staff who had defaulted as at 30 June, 2021.

Further and similarly as reported in the previous year, the balance of Kshs.261,081,755 includes an amount of Kshs.3,393,185 relating to car loan and mortgage disbursed to a member of staff who has since been appointed in another County. According to unreferenced letter dated 20 June, 2020 from the Fund Administrator as from March, 2020 the staff was removed from the payroll. However, no documentary evidence was provided for audit to indicate that Loans Management Committee made effort to recover the outstanding loan balance. This is contrary to Regulation 17 of the Public Finance Management (Turkana County Assembly Mortgage Scheme Fund) Regulations, 2016 which states that where a repayment of loan is not made in accordance with the terms and conditions in these Regulations, the sums of money due and owing to the Fund shall be recoverable by the Committee, without prejudice to any other remedy, in civil proceedings in the High Court.

In the circumstances, the recoverability and regularity of the Kshs.53,505,568 and Kshs.6,656,180 in respect to internal borrowings and loans respectively both totalling Kshs.60,161,748 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material

misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of

the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

13.6 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Statement of compliance and basis of preparation

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

Reports and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Adoption of new and revised standards

a) Relevant new standards and amendments to published standards effective for the year ended 30 June 2021

Standard/ Amendments Applicable: 1 st January 2021:	Impact
a) Amendments to IPSAS 13, to include the appropriate references to IPSAS on impairment, in place of the current references to other international and/or national accounting frameworks	There was no impact of the amendment to IPSAS 13 with respect to the current financial report
b) IPSAS 13, Leases and IPSAS 17, Property, Plant, and Equipment. Amendments to remove transitional provisions which should have been deleted when IPSAS 33, First Time Adoption of Accrual Basis International Public Sector Accounting Standards (IPSASs) was approved	There was no impact of the amendment to IPSAS 13 and IPSAS 17 with respect to the current financial report as the entity did not apply any of the transitional provisions in the FY 2020/2021
c) IPSAS 21, Impairment of Non-Cash-Generating Assets and IPSAS 26, Impairment of Cash Generating Assets. Amendments to ensure consistency of impairment guidance to account for revalued assets in the scope of IPSAS 17, Property, Plant, and Equipment and IPSAS 31, Intangible Assets.	There was no impact of the amendment to IPSAS 21 and IPSAS 26 with respect to the current financial report as the entity does not have Non-Cash Generating Assets and neither did it have impaired cash generating assets.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

b) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2021

Standard	Effective date and impact:
<p>IPSAS 41: Financial Instruments</p>	<p>Applicable: 1st January 2022: The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity’s future cash flows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> • Applying a single classification and measurement model for financial assets that considers the characteristics of the asset’s cash flows and the objective for which the asset is held; • Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and • Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an entity’s risk management strategies and the accounting treatment for instruments held as part of the risk management strategy. <p><i>(State the impact of the standard to the entity if relevant)</i></p>

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

Standard	Effective date and impact
<p>IPSAS 42: Social Benefits</p>	<p>Applicable: 1st January 2022</p> <p>The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general purpose financial reports assess:</p> <ul style="list-style-type: none"> (a) The nature of such social benefits provided by the entity; (b) The key features of the operation of those social benefit schemes; and (c) The impact of such social benefits provided on the entity’s financial performance, financial position and cash flows. <p><i>(State the impact of the standard to the entity if relevant)</i></p>
<p>Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments</p>	<p>Applicable: 1st January 2022:</p> <ul style="list-style-type: none"> a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued. b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued. c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued. <p>Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.</p>

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c) Early adoption of standards

The entity did not early – adopt any new or amended standards in year 2020/2021.

3. Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

ii) Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

4. Budget information

The original budget for FY 2020/2021 was approved by the County Assembly on 30th June 2019. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were

**TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.**

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

5. Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

6. Intangible assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

7. Financial instruments

a) Financial assets

Initial recognition and measurement

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

Held-to-maturity

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

Impairment of financial assets

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or a entity of financial assets is impaired. A financial asset or a entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

- The debtors or a entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

b) Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

Loans and borrowing

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

8. Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method

**TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.**

- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

9. Provisions

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

Contingent liabilities

The Entity does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

**TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.**

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contingent assets

The Entity does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

10. Nature and purpose of reserves

The Entity creates and maintains reserves in terms of specific requirements. *Entity to state the reserves maintained and appropriate policies adopted.*

11. Changes in accounting policies and estimates

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

12. Employee benefits – Retirement benefit plans

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund), and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

13. Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

14. Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

15. Related parties

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors/Trustee, the Fund Managers and Fund Accountant.

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

16. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

17. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

18. Events after the reporting period

There were no material adjusting and non- adjusting events after the reporting period.

19. Ultimate and Holding Entity

The entity is a County Public Fund established by Section 167 of the Public Finance Management (PFM) Act 2012. Its ultimate parent is the county assembly of Turkana.

20. Currency

The financial statements are presented in Kenya Shillings (KShs).

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

21. Significant judgments and sources of estimation uncertainty

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

a) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

b) Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- i) The condition of the asset based on the assessment of experts employed by the Entity
- ii) The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- iii) The nature of the processes in which the asset is deployed
- iv) Availability of funding to replace the asset
- v) Changes in the market in relation to the asset

**TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.**

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c) Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date, and are discounted to present value where the effect is material.

22. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the entity's management based on prior experience and their assessment of the current economic environment.

**TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.**

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

	Total amount KShs	Fully performing KShs	Past due KShs	Impaired KShs
At 30 June 2021				
Receivables from exchange transactions	53,505,568	-	-	-
Long term receivables from exchange transactions	261,081,755	-	-	-
Bank balances	249,305	-	-	-
Total	314,836,628	-	-	-
At 30 June 2020				
Receivables from exchange transactions	21,512,304	-	-	-
Long term receivables from exchange transactions	37,621,500	-	-	-
Bank balances	36,620,723	-	-	-
Total	95,754,527	-	-	-

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the entity has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Less than 1 month KShs	Between 1- 3 months KShs	Over 5 months KShs	Total KShs
At 30 June 2021				
Trade payables	-	-	-	-

At 30 June 2020	-	-	-	-
Trade payables	-	-	-	-
Current portion of borrowings	-	-	-	-
Provisions	-	-	-	-
Employee benefit obligation	-	-	-	-
Total	-	-	-	-

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day to day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

d) Foreign currency risk

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

TURKANA COUNTY ASSEMBLY-CAR LOAN AND MORTGAGE FUND (STAFF)
Reports and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

	KShs	Other currencies KShs	Total KShs
At 30 June 2021			
Financial assets	-	-	-
Investments	-	-	-
Cash	-	-	-
Debtors/ receivables			
Liabilities			
Trade and other payables	-	-	-
Borrowings	-	-	-
Net foreign currency asset/(liability)	-	-	-

Foreign currency sensitivity analysis

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

	Change in currency rate	Effect on surplus/ deficit	Effect on equity
	KShs	KShs	KShs
2021			
Euro	10%	-	-
USD	10%	-	-
2020			
Euro	10%	-	-
USD	10%	-	-

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

e) Interest rate risk

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The entity's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

Sensitivity analysis

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

f) Capital risk management

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The entity capital structure comprises of the following funds:

**15. PROGRESS ON FOLLOW UP OF PRIOR YEAR AUDITOR'S
 RECOMMENDATIONS**

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. of external audit Report	Issue/Observations from Auditor	Management Comments	Status (Resolved/Not Resolved)	Timeframe (If a date when you expect the issue to be resolved)

Guidance Notes:

- a) Use the same reference numbers as contained in the external audit report;
- b) Obtain the "Issue/Observation" and "management comments", required above, from final external audit report that is signed by Management;
- c) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;
- d) Indicate the status of "Resolved" or "Not Resolved" by the date of submitting this report to County Treasury.
