OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – MANDERA WEST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of National Government Constituencies Development Fund – Mandera West Constituency set out on pages 7 to 42, which comprise the statement of financial assets as at 30 June 2016 and the statement of receipt and payments, statement of cash flows for the year then ended, the summary statement of appropriation: recurrent and development combined and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act. 2015.

Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Mandera West Constituency for the year ended 30 June 2016 the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the NG-CDF Mandera West Constituency's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Basis for Qualified Opinion

1.0 Cash and Cash Equivalents

The statement of financial assets reflects cash and cash equivalents balance of Kshs.72,732,123 as at 30 June 2016. However, the bank reconciliation statement prepared on 30 June, 2016 reflects payments in cash book not yet recorded in bank statement (stale cheques) amounting to Kshs.214,517 with some dating back to February, 2015. No reason has been given for failure to replace the stale cheques. Consequently, the accuracy and completeness of the cash and cash equivalents balance of Kshs.72,732,123 cannot be confirmed.

2.0 Bank Accounts for Project Management Committee

Section 15(10)(a) and (10) (b) of the NG-CDF Regulations, 2016 requires the Fund to maintain records of bank accounts opened by Project Management Committees and to prepare and table quarterly reports on the same. However, records of the bank accounts operated by the various project management committees for NG-CDF Mandera West were not maintained as required. Further, PMC's bank statements and cash books were not maintained and therefore no bank reconciliation statements for the PMCs accounts were prepared.

In view of the foregoing, it has not been possible to ascertain whether the funds or grants disbursed to the PMCs were used for the intended purposes and accounted for as at 30 June 2016.

3.0 Constituency Oversight Committee

Section 53(1) of the NG-CDF Act, 2015 requires a Constituency oversight committee to be appointed for every NG-CDF. However, no oversight committee was appointed for National Government Constituency Development Fund - Mandera West Constituency and therefore the Fund operated without the mandatory Oversight Committee. No explanation was given for failure to appoint the committee.

Consequently, the Fund was in breach of the law.

4.0 Irregular Award of Capital Projects

During the year under review, the NG-CDF Mandera West spent Kshs.152,083,638 on capital projects. However, scrutiny of records for development projects costing Kshs.18,500,000 spent on various development (projects) showed various anomalies. The project had no evaluation reports, no letters of notification to both the successful and unsuccessful bidders and there were no certificates of practical completion for payments hence the payments were made without advice of the technical departments. However physical verification carried on 23 March, 2017 on the same projects paid revealed that the projects were complete and in use.

In the circumstances, the propriety and value for money for the expenditure on these projects costing Kshs.18,500,000 could not be confirmed.

5.0 Stores Expenses

During the year under review, the NG-CDF Mandera West Constituency used Kshs.9,900,000 to procure desks and chairs.

However, an examination of the stores records revealed that the stores were not received through counter receipt vouchers (S13) and were not taken on charge in the stores ledgers. In addition there was no documentary evidence availed to confirm that they were subsequently issued to the users through S11 contrary to the Government Financial Regulations and Procedures.

Consequently, it has not been possible to ascertain whether the stores were delivered and used for the intended purpose and expenditure of Kshs.9,900,000 accounted for as at 30 June 2016.

6.0 Unaccounted for Bursaries Expenses

In the Financial year 2015/2016, the NG-CDF Committee for Mandera West Constituency disbursed bursaries amounting to Kshs.20,302,018 to various institutions for the benefit of needy students.

However, an amount of Kshs.4,953,786 disbursed to various institutions has not been acknowledged through official receipts or acknowledgement letters by the beneficiary institutions. Further, the levels of studies for the beneficiaries were not indicated and there were no committee sitting minutes on the distribution of the bursaries.

There was no proper explanation given for the lack of these documents that are necessary to account for the moneys disbursed.

In view of the foregoing, it has not been possible to confirm that money was used for the intended purposes and accounted for as at 30 June 2016.

7.0 Unsupported Administration/ Monitoring and Evaluation Expenses

An amount of Kshs.3,570,000 was used for Administration and Monitoring by the NG-CDF Mandera West during the financial year under review. However, there was no documentary evidence of projects visited and no progress reports were submitted for audit review. Further, the amount paid as rent had no Lease Agreement.

In the circumstances, it has not been possible to ascertain the propriety of the expenditure of Kshs.3,570,000.

8.0 Unaccounted for Sport Activities Expenses

During the year 2015/2016, NG- CDF Mandera west Committee procured sport uniforms, balls, nets and Trophies for Takaba North Sport League, Takaba South Sport League and Lagsure Sport league worth Kshs.1,435,298. However, there were no records to confirm that the items were received through counter receipt vouchers (S13) and were taken on charge in the stores ledgers as required.

In view of the foregoing, the expenditure of Kshs.1,435,298 on these items could not be confirmed.

9.0 Committee Expenses

During the financial year under review the NG-CDF Mandera West paid Kshs.1,035,000 in respect of sitting allowances for committee sittings. However, scrutiny of the records revealed that the expenditure was not supported with daily attendance register to confirm that the committee members were actually paid for the days they attended the meetings.

Consequently, it has not been possible to ascertain whether the funds were utilized for the intended purposes and properly accounted for.

Qualified Opinion

In my opinion, except for the effect of the matters discussed in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund – Mandera West Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015.

Other Matter

1.0. Cash and Bank Balance

The statement of financial Assets for NG-CDF Mandera West Constituency reflects bank balance of Kshs.72,732,123 as per cash book as at 30 June 2016 for account no.1000296633736 held at Equity Bank Mandera. This differs by an amount of Kshs.1,142,518 with the bank balance of Kshs.73,874,641 at the same date. No reconciliation or explanation has been provided for the difference.

Consequently, the accuracy of the cash book balance of Kshs.72,732,123 could not be confirmed as at 30 June 2016.

2.0. Budgetary Control and Performance

During the year under review, the National Government Constituency Development Fund – Mandera West Constituency had a final budget of Kshs.260,754,836 with Kshs.244,579,945 or 94% allocated to development projects and Kshs.16,174,892 or

6 %allocated to recurrent expenditure. In order to finance the budget, the NG -CDF Mandera West received Kshs.224,821,783 (86.2 per cent) as transfers from the NG-CDF Board and had Kshs.35,433,054 (13.6 per cent) cash balance brought forward from FY 2014/2015. In addition the Fund was underfunded by Kshs.500,000 (0.2 percent).

The budget analysis on budgeted allocation and expenditure items are reflected in the table below:-

2.1. Development Budget

No explanation was given for not using the approved budget in full to benefit the constituents.

3.0 Outstanding Prior Years Audit Issues 2014/2015

The management of NG-CDF Mandera West Constituency did not respond to issues raised in the audit report for 2014/2015 financial year and therefore the following issue remained unresolved:-

NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – MANDERA WEST CONSTITUENCY

Reports and Financial Statements

For he year ended June 30, 2016

Acquisition of assets amounting to Kshs 1,866,000 was not utilized during the financial year due to delay in the disbursement of the funds from the NG-CDF Board.

The MANDERA WEST NGCDFC financial statements were approved on 30th August 2016 and signed by:

Chairman NGCDF

Fund Account Manager

NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – MANDERA WEST CONSTITUENCY

Reports and Financial Statements For the year ended June 30, 2016

III. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NGCDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NGCDF.

Classification of the Committee expenses of Kshs 2,790,000 in the Financial Year 2014/15 has been reclassified. The item is to be presented under use of goods and services and the comparative amount in the Financial Year is reclassified to comply with the requirement of IPSAS.

Recognition of revenue and expenses

The NGCDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NGCDF. In addition, the NGCDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NGCDF.

In-kind contributions

In-kind contributions are donations that are made to the NGCDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial

statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NGCDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NGCDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30th, 2016.

During the financial year under review, Examination of payment vouchers the CDF disbursed bursaries amounting to Kshs 17,503,411 to various schools and universities to benefit needy students. Although the payment records showed that the funds were disbursed as allocated there	scrutiny of the project files reflected that they lacked letters of notification to the unsuccessful bidders, certificate of practical completion and bill of quantities for unsuccessful bidders were not availed for audit. Consequently, it has not been possible to confirm that proper procurement procedures were followed in the identification and eventual award of the contracts to various firms which won the tenders. Procurement of Goods, Works and Services - Unaccounted For Grants During the year under review, the CDF Committee allocated and issued other grants totalling Kshs 38,965,185. However, Kshs 6,369,700 was issued to Health, Education, Water and Roads sectors for various projects. However, project procurement files for the projects worth Kshs 6,369,700 were not made available for audit review and verification and it was therefore not possible to confirm whether proper procurement procedures were followed to determine the levels of completion of the projects. As a result, the propriety of the expenditure of Kshs 6,369,700 could not be confirmed.
We have since received bursary acknowledgements from colleges and institutions. We are following up on the remaining institutions to acknowledge bursary grants in respect of their students. We are also making prudent measures in place to ensure that bursary grants are acknowledged in due time.	during the audit exercise due to challenges relating to the accessibility of the PMCs at the time of audit. The same are now attached for audit verification. Mandera West Constituency NG-CDF ensures that proper records for all grants allocated and issued are maintained. Expenditure returns to support all payments made are also maintained. Project procurement files were in the project files maintained by the Project Management Committees' (PMCs) and could not be availed in time during the audit exercise due to challenges relating to the accessibility of the PMCs at the time of audit. Copies of project files and expenditure returns to support utilization of the above listed grants are now made available for audit verification.
