# OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – MANDERA NORTH CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

### REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of National Government Constituencies Development Fund – Mandera North Constituency set out on pages 5 to 27, which comprise the statement of financial assets, as at 30 June 2016 and the statement of receipts and payments, statement of cash flows for the year then ended, the summary statement of appropriation, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standard (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

### **Auditor-General's Responsibility**

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with International Standards for Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Mandera North for the year ended 30 June 2016 the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the NG-CDF Mandera North Constituency's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

# **Basis for Qualified Opinion**

# 1.0 Irregular Award of Capital Projects

During the year under review, NG-CDF Mandera North Constituency spent Kshs.158,916,389 on capital projects. However, audit of the Bills of Quantities, project records and requests for quotations on the projects revealed that projects worth Kshs.14,032,500 had anomalies as follows:

- a) No indication or evidence of inspection teams visiting project sites for inspections.
- b) Evaluation Reports were not signed and owned by the committee members.
- c) Tender notices for various projects did not set criteria for tender evaluation. Hence, there were no proper guidelines on requirements for the respective tenders.
- d) For a number of the projects, there was no documentary evidence to show that Project Management Committees were registered with relevant ministries.
- e) Projects works certificates were paid without evidence of practical completion as required.
- f) Several project files did not contain letters of notification to both the successful and unsuccessful bidders.

Although physical verification of some of the projects carried out on 1<sup>st</sup> April, 2017 revealed that the projects were completed and in use, the procedures used to identify the winning bidders were not regular.

Under the circumstances, the propriety of the expenditure of Kshs.14,032,500 incurred on the projects cannot be confirmed.

# 2.0. Bank Accounts For Project Management Committee (PMC's)

The NG-CDF Regulations, 2016 Section15 (10) (a) (b) requires the Fund to maintain records of Bank accounts opened by project management committees and to prepare and prepare quarterly reports on their use. However, the management did not keep any records on the bank accounts operated by the various NG-CDF Mandera North project management committees. Further, project Bank Statements and cash books were not maintained. In addition, bank reconciliation statements for the project accounts were not prepared for the period under review.

In view of the foregoing, it has not been possible to ascertain whether the funds or grants disbursed to the project management committees were properly managed and accounted for.

### 3.0 Constituency Oversight Committee

The NG-CDF Act, 2015 Section 53(1) requires that a constituency oversight committee to be appointed for every NG-CDF. However, no oversight committee was appointed for NG-CDF Mandera North.

No explanation has been given for failure to appoint the Constituency oversight committee.

### 4.0 Stores Expenses

The NG-CDF Mandera North Constituency paid Kshs.9,217,169 for various goods and services during the financial year under review. The management procured desks and sports kits worth Kshs.5,097,180. However, review of the stores records revealed that the stores were not received vide counter receipt vouchers (S13) and were not taken-on-charge in the stores ledgers. In addition, inspection and acceptance certificates were not made available for audit review. Further, there was no documentary evidence available to confirm that the stores were issued to the users through issue notes (S11).

Under the circumstances, it has not been possible to confirm whether the stores were delivered and used for the intended purposes.

### 5.0 Emergency Expenses

The NG-CDF Mandera North spent Kshs.3,077,450 on construction of two (2) toilets and purchase of mattresses for Mandera North Boarding Primary School under emergency expenditure. However, tender notices did not specify the criteria used for tender evaluation hence there were no proper guidelines on the requirements for the respective tenders. Further, no certificates of registration of project management committee were provided for audit review. In addition, receipt of the stores procured using emergency funds were not confirmed by the respective committee as there were no inspection and acceptance certificates from any of the committees.

In consequence, the propriety and value-for-money of the expenditure of Kshs.3,077,450 incurred on emergency construction works cannot be ascertained.

# 6.0 Unaccounted for Administration/Monitoring and Evaluation Expenses

The NG - CDF Mandera North made payments amounting to Kshs.3,603,690 in respect of administration/monitoring and evaluation during 2015/2016 financial year. However, audit of various payments indicated that there was no information on projects visited by the monitoring and evaluation team or progress reports on the status of the projects.

Consequently, it has not been possible to confirm if any monitoring and evaluation was carried out by the team.

### 7.0 Unaccounted for Bursary Funds Expenses

During the financial year under review, the NG – CDFC Mandera North awarded bursaries totalling to Kshs.22,023,473 to various schools and universities to benefit needy students. Although, payments records showed that the funds were disbursed as allocated, bursaries totalling Ksh.895,028 could not be accounted for since there were no fee payment receipts from the institutions the money was reported to have been paid to and further, there were no lists of students who benefited from the bursaries. It was further noted there were no CDF committee sitting minutes on distribution of bursaries.

As a result, it has not been possible to ascertain whether the funds were utilized for the intended purposes and properly accounted for.

### **Qualified Opinion**

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund – Mandera North Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

### **Other Matter**

### 1.0 Budgetary Control and Performance

During the year under review, Mandera North National Government Constituency Development Fund's final budget amounted to Kshs.232,303,557 with Kshs.213,952,027 (92 %) allocated to development projects and Kshs.18,351,530 (8 %) allocated to recurrent expenditure. To finance the budget, the NG –CDF Mandera North received Kshs.194,259,049 (83.6 per cent) as transfers from the NG-CDF Board

and had Kshs.37,544,508 (16.2%) cash balance brought forward from 2014/2015 financial year.

### However,

- i. The NG-CDF Mandera North under-spent on Transfers to other Government Units, Other Grants and Transfers, Use of Goods and Services, Compensation to Employees and Other Payments by an aggregate sum of Kshs.35,893,926. Management has not explained the reasons for the under-expenditure.
- ii. The NG-CDF Board did not fund the whole budget drawn by NG-CDF Mandera North as there was a deficit of Kshs.500,000 representing 0.2% of the budget.
- iii. A total of Kshs.213,952,027 was allocated to finance 70 (Seventy) projects. However, by 30 June, 2016 only (60) projects had been implemented. The remainder ten (10) projects had not been implemented.

# 2.0 Outstanding Prior-Years Audit Issues 2014/2015

The management of NG –CDF Mandera North Constituency did not respond to issues raised in the report for 2014/2015 financial year and therefore the following issues remain unresolved:

- 2.1 Irregular procurement of Goods and Works Due process was not followed in award of contracts amounting to Kshs.13,180,500. As a result, it was not possible to confirm that the Fund obtained value-for -money on the expenditure invested in the projects.
- 2.2 Payment for Emergency Projects Kshs.5,048,200 was spent on water trucking services and on repair and maintenance of a tractor. However, proper procurement procedures were not adhered to and payment vouchers were not supported with relevant records.
- 2.3 Unaccounted for Bursary Expenses Although bursaries totalling Kshs.2,181,000 were disbursed to various institutions, management only availed for audit official fee receipts for bursaries amounting to Kshs.1,606,000. The balance of Kshs.575,000 remained unacknowledged and therefore the propriety of the expenditure could not be confirmed.
- 2.4 Supply of office furniture and equipment Furniture and equipment worth Kshs.1,447,500 which were received and recorded in stores records were not supported with issue notes to confirm point of use. Further, the items were neither in the stores nor presented for audit verification to confirm whether they were supplied and put to use for the intended purposes.

Reports and Financial Statements For the year ended June 30, 2016

### VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

# 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NGCDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NGCDF.

Committee expense of Ksh. 4,969,490.00 in the financial year 2014/15 has been reclassified. The item is to be presented under use of goods and services. The comparative amount in the financial year 2015/16 is reclassified to comply with the requirement of IPSAS. Further Social Security Benefits of Kshs. 23,400 is also reclassified and presented under Compensation to employees in the financial Year 2015/16.

### 2. Recognition of revenue and expenses

The NGCDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NGCDF. In addition, the NGCDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NGCDF.

### 3. In-kind contributions

In-kind contributions are donations that are made to the NGCDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

### 4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements,

Reports and Financial Statements For the year ended June 30, 2016

cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

# 5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

### 6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NGCDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NGCDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

# 7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### 8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30<sup>th</sup>, 2016.
