# II. FORWARD BY THE CHAIRMAN NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT FUND COMMITTEE (NGCDFC)

Once again, I present our constituency Annual Report and Financial Statements for the year ended 30<sup>th</sup> June 2016, during which we recorded a fairly good performance despite a range of operational challenges. The continued good performance under the difficult operating environment is an indicator of our commitment to achieve our dream of being the model constituency in Kenya by bringing all the essential services to the people. During this financial year we managed to achieve overall 65% absorption of all the funds disbursed to our constituency. This is an increase of 5% from last year absorption rate.

During the year we managed to disburse funds to different government agencies 27 primary schools( kshs 18,215,000), 22 secondary schools( kshs 28,385,000), 1 village polytechnic ( kshs 1,000,000) and 6 health facilities ( kshs 8,000,000) amounting to a total of kshs 55,600,000.00 for infrastructural development ranging from construction of classrooms, dormitories, maternity wing, OPD and purchase of land. Out of this 90% are complete and in use. We were also able to disburse a total of Kshs 5,710,000 to various colleges, universities benefitting about 1050 students within the constituency and Kshs 8,817,943 for secondary schools as bursaries to assist needy students. We also take pride as one of the pioneer constituencies that has a program that offers full scholarship to bright and needy students in secondary school. Our students have now reached 19 bright and needy students and offered full scholarship that will take them through secondary school education. This is an annual program and by the end of the four years the program will be offering 40 students' scholarship. We also boast of tremendous achievement in the sports sector; a school within a constituency has been declared the East and central Africa champions in hockey for four consecutive years, we also host basketball champions.

During the year under review there some emerging issues that affected the operations of our CDFC this included, repeal of the CDF Act 2013, causing temporal closure of CDFC activities for about 5months, and court case by the civil society causing another anxiety to the new NG-CDFC.

During the year under review The high cost of materials has made budgeting a enormous tasks, this is because by the time we always receive funds from the board, and due to inflation the funds allocated are always not enough to complete a project this leads to variations and the board has not put proper mechanism on how to handle such variations.

Sign. A.M.M. Gabriel Osendo **CHAIRMAN NGCDFC**

# **OFFICE OF THE AUDITOR-GENERAL**

### REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KISUMU WEST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

### **REPORT ON THE FINANCIAL STATEMENTS**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Kisumu West Constituency set out on pages 5 to 54, which comprise the statement of assets as at 30 June 2016, and the statement of receipts and payments, statement of cash flows, summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

### Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund - Kisumu West Constituency for the year ended 30 June 2016

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

### **Basis for Qualified Opinion**

### 1. Cash and Cash Equivalents

The cash and cash equivalents balance of Kshs.6,706,002 as at 30 June 2016 excludes cash in hand balance of Kshs.1,175,350. In addition, no board of survey review report was availed to confirm the cash count.

Consequently, the cash and cash equivalents balance of Kshs.6,706,002 as at 30 June 2016 could not be confirmed.

### 2. Funding of Devolved Government Functions

Included in the transfer to other government entities figure of Kshs.55,600,000 is Kshs.8,000,000 transfered to health institutions. The constituency management funded a health project at a cost of Kshs.2,500,000 on 4 April 2016 after the enactment of the National Government Consituency Development Fund Act, 2015 which became effective on 19 February 2016. The payment was therefore contrary to provisions of Section 24 of the Act which states that projects under this Act shall only be in respect of works and services falling within the functions of the National Government under the Constitution.

Consequently, the management was in breach of the law.

### **Qualified Opinion**

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Kisumu West Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015.

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund - Kisumu West Constituency for the year ended 30 June 2016

### **Other Matter**

### 1. Projects Verification

During the year, nine (9) projects worth Kshs.22,209,555 were physically verified during the audit exercise in March 2017, and seven projects were found to be complete and in use while works on two projects had stopped pending receipt of additional funds as detailed below:

It was observed that majority of the projects had reached completion stage with only two (2) unfinished.

### 2. Budget Analysis

During the year under review, the Constituency budgeted to spend Kshs.184,495,328 on various transfers and projects while the actual expenditure was Kshs.119,800,683 as detailed below:

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund - Kisumu West Constituency for the year ended 30 June 2016

The actual expenditure was Kshs.119,800,683 against a budget of Kshs.184,495,328 achieving 65 % absorption. Failure to fully utilize the budget may deny the residents of the constituency the much desired services.

### 3. Previous Year Matters

### VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NGCDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NGCDF.

### 2. Recognition of revenue and expenses

The NGCDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NGCDF. In addition, the NGCDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NGCDF.

### 3. In-kind contributions

In-kind contributions are donations that are made to the NGCDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

### 4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

### NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – KISUMU WEST CONSTITUENCY Reports and Financial Statements For the year ended June 30, 2016 SIGNIFICANT ACCOUNTING POLICIES (Continued)

### 5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

### 6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NGCDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NGCDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

### 7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### 8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2016.
