## II. NG-CDFC CHAIRMAN'S REPORT

**Mr. Kiprono Kibosia**

During the just ended Financial Year 2020/21, Moiben constituency was allocated ksh 137,088,879. The NGCDFB disbursed kshs 92,000,000 together with kshs 69,367,724 balance for the Financial Year 2019/20 giving a total of ksh 161,367,724 available for dispensation. Out of the receipt the committee disbursed kshs 155,689,324 to the various activities and sectors in the constituency as shown in the table below;

From above the constituency is yet to receive kshs 45,088,879/- only.

The 2020-2021 Financial Year continued to suffer the effects of Covid-19 pandemic. The slow-down from the last quarter of Financial Year 2019-2020 continued into the new Financial Year. The Moiben NGCDFC took the necessary precautionary measures to protect its staff and our stakeholders from Covid-19. We managed to remain safe.

We also intervened in our schools by; funding the purchase of water tanks for some of our schools to improve provision of water for the washing of hands and face masks for children in our schools too.

In the course of the Financial Year we were able to move from the previous rented offices at KVDA Plaza to aesthetically impressive and spacious new office at Ainaptich. This move attracted congratulatory messages from the residents. We hope to use this new conducive atmosphere to improve services further.

For many years our children have not had a chance to use appropriate sports equipment in the field events. NGCDFCs funded the purchase of shot-put, discuss and two javelins for 99% of our schools. This will give opportunities for our children to get hands on experience with appropriate sports equipment.

For the first time, NGCDFCs members funded the purchase of buses for two of our schools. We had earlier focused more efforts into the provision of infrastructure to improve academic performance. Despite the challenging atmosphere arising out of Covid-19 and the subsequent economy, we are proud for what we have achieved.

#### **IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING**

MOIBEN NG-CDF exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely, Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

##### **1. Sustainability strategy and profile -**

To ensure sustainability of MOIBEN NG CDF, the committee funds the following key sectors with the following sustainable priorities.

- a. **Education and Training:** MOIBEN NG-CDF focus on human capital for constituency development is entrenched in its strategy to support needy and bright students from each ward of the constituency. The intention is to empower the constituents such that in years to come, the beneficiaries at secondary school levels would have transitioned to Tertiary institutions while those at tertiary level would have transitioned to the job market as employees or employers thereby contributing positively to the economic growth of the constituency. This strategy takes care of both marginalised groups including girls and people living with disabilities.
- b. **Security Sector Support:** Among its key pillars; NGCDF has security as a priority area with intention to provide better working environment for the security providers within the constituency as well a secure constituency. The strategy is to have a long-term collaborative working approach that enhances community engagement in security activities. This is aimed at eliminating crime and vices in the long run by providing a better working environment for the law enforcement agencies while collaborating with community in trust on matters of security.
- c. **Environment:** The Constituency acknowledges that all its operation has an impact on environment. Cognizant of the Sustainable development goals, the NG-CDF has allocated part of its budget on environment conservation through activities such as tree planting, water conservation, sensitization forums for agro-forestry as well as best practices to reduce soil erosion.
- d. **Sports:** The NG-CDF has taken sports as a key pillar of cohesion and integration. To sustain this pillar, the strategy taken is that of developing skills through sports with intention of identifying, nurturing talent and encouraging physical fitness among the constituents.

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid- 19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. On macro levels Financial Year 20/21 has been a challenging year with limited funding towards these activities which may hamper the success of priority strategies undertaken.

##### **2. Environmental performance**

## **MOIBEN Constituency**

### **National Government Constituencies Development Fund (NGCDF)**

#### **Reports and Financial Statements for The Year Ended June 30, 2021**

NG-CDF Moiben is committed to environmental sustainability. Borrowing from the principle of sustainable development and guided by the Environmental Management and Co-ordination Act (EMCA), 1999 among other local and international legal legislations.

The Constituency undertook several activities aimed at enhancing environmental education, Awareness and Sensitization on environment sustainability; which involves making decisions and taking action that are in the interests of protecting the community, with particular emphasis on preserving the capability of the environment to support human life.

- NG-CDF has always supported institutions in provisions tree seedlings. To ensure sustainability, students are encouraged to carry out environmental conservation activities e.g planting trees and ensuring that they are well watered and maintained. The schools are also encouraged to establish and inculcate the culture of tree nurseries in schools, this will help the students gain knowledge and practise the same at home thus societal change.
- NG-CDF sponsored sporting activities/ tournament bringing communities and sensitizing them on environmental conservation matters.

### **3. Employee welfare**

We invest in providing the best working environment for our employees. MOIBEN constituency recruitment is guided by Employment Act, NGCDF Act and other regulations as issued from time to time. In line with the law and regulations, the Constituency offers equal opportunity to all while adhering to the one third gender rule and special groups. We also Recognize and appreciate our employees for the exemplary performance. The reward and sanctions system is based on performance appraisal.

The constituency promotes a healthy lifestyle and provides all employees with health insurance cover through a reliable insurance Scheme. Employees are encouraged and supported to continually build on their skills and knowledge. MOIBEN constituency invests in capacity building programs for employees. These include courses on technical competencies relevant to each employee and continuous sensitization on cross cutting issues.

The committee has a policy on safety in compliance with Occupational Safety and Health Act of 2007, (OSHA) and has ensured the work environment is conducive for everybody in terms of movement and accessibility within the office. The Constituency has also put in place disaster mitigating measures including fire extinguishers and accessible escape routes in case of emergency.

### **4. Market place practices-**

MOIBEN NGCDF Constituency is committed to fair and ethical market practises.

The Procurement of goods and services is done through a transparent and competitive bidding process that allows equal opportunities to all participants. We support local vendors drawn from the constituency for purposes of uplifting them economically. Our ethical market practises ensure the fund gets value for money on all goods and services procured.

We are also committed to healthy relations with our suppliers which is enhanced through organized sensitization forums that relate to the procurement legal framework and ethical subject matters. We are dedicated to honouring all contracts and settling payments promptly.

NGCDF has put in efforts to ensure:

- a) Responsible competition practice by encouraging fair competition and zero tolerance to corruption

- b) Good business practice including cordial Supply chain and supplier relations by honouring contracts and respecting payment practices.
- c) Responsible marketing and advertisement
- d) Product stewardship by safeguarding consumer rights and interests

#### **5. Community Engagements-**

MOIBEN NGCDF has endeavoured to sustain community engagement through CSR as well as appreciating our existence through engaging local contractors and suppliers when necessary. We have also engaged the community through community projects.

#### **Public Participation in Project Identification and Implementation and Monitoring**

The NG-CDFC deliberated on project proposals from all the wards in the constituency and considered the most beneficial to the constituency, considering the national development plans and policies and the constituency strategic development plan. The identified list of priority projects, both immediate and long term, was submitted to the NG CDF Board in accordance with the Act.

**Public participation** is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision.

The NG CDFC during bursary programme engaged the community through the community leaders to identify the needy students to be awarded with the bursary.

#### **Public Awareness**

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community-based needs assessments and public awareness campaigns and holding community meetings.

MOIBEN NG-CDF has continually practiced public participation and public awareness during project identification and proposal collections in all the wards in the constituency.

**V. STATEMENT OF MANAGEMENT RESPONSIBILITIES**

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-MOIBEN Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-MOIBEN Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *constituency's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2021, and of the entity's financial position as at that date. The Accounting Officer in charge of the NGCDF- MOIBEN Constituency further confirms the completeness of the accounting records maintained for the *constituency*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF MOIBEN Constituency confirms that the *constituency* has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the *constituency's* financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

**Approval of the financial statements**

The NGCDF- MOIBEN Constituency financial statements were approved and signed by the Accounting Officer on \_\_\_\_\_ 2021.

## **REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - MOIBEN CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2021**

---

### **PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of the National Government Constituencies Development Fund - Moiben Constituency set out on pages 13 to 46,

which comprise the statement of assets and liabilities as at 30 June, 2021, and statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Constituencies Development Fund - Moiben Constituency as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

### **Basis for Qualified Opinion**

The following balances reflected in the financial statements were not supported with sufficient appropriate records:

#### **1. Other Grants and Transfers**

The statement of receipts and payments reflects other grants and transfers totalling Kshs.55,953,970 which include bursaries to secondary schools and tertiary institutions totalling Kshs.15,255,000 and Kshs.18,454,000 respectively, all totalling Kshs.33,709,000, as disclosed in Note 7 to the financial statements.

However, records on the selection criteria applied to award the bursaries, and the processes followed by the Bursary Sub-Committee in this regard, were not provided for audit. Further, evidence of acknowledgement of the bursaries by the beneficiaries' institutions was not provided for audit review.

In the absence of records on the selection criteria, award process and receipt of the bursaries by the reported beneficiaries, the occurrence, measurement validity and propriety of the bursaries totalling Kshs.33,709,000 reflected in the financial statements as having been disbursed to various institutions in the year under review could not be confirmed.

#### **2. Project Management Committee Bank Balances**

Note 17.4 to the financial statements reflects Project Management Committee (PMC) bank balances totalling Kshs.150,756,755.00, as further disclosed in Annex 5 to the financial statements. However, the respective cash books, bank reconciliation statements, certificates of bank balance and bank statements were not provided for audit review.

In the circumstances, the existence, accuracy, and completeness of the Project Management Committee bank balance totalling Kshs.150,756,755.00 could not be confirmed.

In the absence of records on the selection criteria and award process, conformity of the awards to the NGCDF Board Circular Reference VOL1/111 of 13 September, 2010 could not be confirmed. The Circular requires the Constituency Development Fund to form a Sub-Committee to manage the bursary scheme whose members should include an Education Officer or an Officer seconded from Ministry of Education. Similarly, in the absence of evidence of receipt of the bursaries by the reported beneficiaries, the occurrence and propriety of the bursary disbursements could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Moiben Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

#### **Budgetary Control and Performance**

The summary statement of appropriation reflects budgeted receipts and actual receipts totalling Kshs.227,740,548 and Kshs.182,700,668, resulting to a revenue shortfall of Kshs.45,039,880 or 20% of the budget. Similarly, the Fund spent Kshs.155,689,324 against the approved budget totalling Kshs.227,740,548, resulting to under-expenditure of Kshs.72,051,224 or 32% of the budget.

The underfunding and underperformance constrained the implementation of planned activities and may have impacted negatively on service delivery to the residents of Moiben Constituency.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter(s) described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

## **Basis for Conclusion**

### **1. Unsatisfactory Implementation of School Projects**

Seven (7) school projects budgeted to be implemented by the Fund at an aggregate cost of Kshs.47,900,000 were verified during the audit. However, several unsatisfactory issues were noted in regard to implementation of the projects. These included delay in launch or completion of the projects and lack of records on certification of the respective works, as further explained in the Appendix to this report.

Delay in completion of the budgeted projects denied the residents of Moiben Constituency benefits expected from the projects. In addition, in the absence of works certificates, the quality of the works executed could not be confirmed to have met the specifications of the respective projects.

### **2. Variation of Contract for Construction of Constituency Office**

Examination of expenditure records indicated that the Fund spent Kshs.2,667,422.00 on construction of buildings, in the year under review. The Committee had in 2019 entered into a contract valued at Kshs.8,863,200 for construction of the Funds office in the Constituency. However, the National Government Constituency Development Fund (NGCDF) Committee thereafter approved the variation of the contract by Kshs.972,984 from Kshs.8,863,200 to Kshs.9,836,384 on 14 October, 2019. However, contrary to Section 139(4)(d) of the Procurement and Disposal Act, 2015, the variation was not executed within the contract period. In addition, the record, if any, of the reasons given by the Project Management Committee for the variation was not provided for audit.

In the circumstances, the regularity of the variation could not be confirmed.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

The Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards

(Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or cease operations.

The Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## **XII. SIGNIFICANT ACCOUNTING POLICIES**

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### **1. Statement of Compliance and Basis of Preparation**

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits (gratuity and retentions).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

### **2. Reporting Entity**

The financial statements are for the NGCDF-MOIBEN Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

### **3. Reporting Currency**

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

### **4. Significant Accounting Policies**

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

#### **a) Recognition of Receipts**

The entity recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

#### **Transfers from the National Government Constituency Development Fund (NG-CDF)**

Transfers from the NG-CDF to the constituency are recognized when cash is received in the Constituency account.

#### **Proceeds from Sale of Assets**

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

#### **Other receipts**

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

#### ***Unutilized Funds from PMCs.***

All unutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognised as other receipts upon return to the constituency account.

**External Assistance**

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

**b) Recognition of payments**

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

**Compensation of Employees**

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

**Use of Goods and Services**

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

**Acquisition of Fixed Assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

**5. In-kind contributions**

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

**6. Cash and Cash Equivalents.**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

**7. Accounts Receivable**

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

**8. Accounts Payable**

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

#### **9. Pending Bills**

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as ‘memorandum’ or ‘off-balance’ items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

#### **10. Unutilized Fund**

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

#### **11. Budget**

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 30 June 2020 for the period 1<sup>st</sup> July 2020 to 30<sup>th</sup> June 2021 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

#### **12. Comparative Figures**

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

#### **13. Subsequent Events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30<sup>th</sup> June 2021.

#### **14. Errors**

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

#### **15. Related Party Transactions**

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa.
