REPORT OF THE VICE-CHANCELLOR FOR THE YEAR ENDED 30TH JUNE 1994

I am pleased to present the Annual Report for the year ended 30th June 1994, in which we have recorded a deficit of KShs.30,763 million compared to KShs. 61,538 million for 1992/93. This improvement in performance is as a result of the concerted effort by Management and Staff to contain expenditure and to improve on revenue collection. It should however be noted that we still have a high student population (6571) and diverse academic programmes. In the year under review, we experienced high prices due to the depreciation of the shilling and general inflationary trends.

٤

The main factors contributing to our deficit are as follows:

	ACTUAL	Budget/Income	Over Expenditure
	KSHs.(M)	KSHS.(M)	KSHS.(M)
Interest on overdraft	18,674	-	18,674
Depreciation	16,736	-	16,736
Bank Charges	<u>3.783</u>	-	<u>3.783</u>
	<u>39,193</u>	-	39,193

In line with the government's policy of cost sharing, we are in the process of exploring income-generating projects. External funding has contributed positively to our needs and one such success is the recently completed Margaret Thatcher Library for which we are grateful to the British Government.

The next major project funded by the Ducth Government shall mainly benefit the Academic and Administration staff in terms of Research Funds, Equipment and Training. The donation is expected to cover a period of 16 years divided into four phases of 4 years each. Each phase has a budget of approximately KShs.600 million.

During the year under review the following were appointed members of the University Council.

1.	Mr. Elijah Bii	New Honorary Treasurer
2.	Mr. S. S. Lesirma	PS, Ministry of Education
3.	Mr. B.K. Kiplulei	PS , Treasury
4.	Mr. Samuel Mbova	PS, Ministry of Public Works
5.	Mr. Nathaniel Tum	Member
6.	Mrs. Hellen Cherambos	Member
7.	Dr. W.K.A. Langat	Senate Representative
8.	Prof. I. Sindiga	Senate Representative
9.	Prof. E.M. Standa	Senate Representative
10.	Prof. H.N.K. arap Mengech	Senate Representative
11.	Mr. Moses Juma	Student Representative
12.	Mr. Munene wa Mwaniki	Student Representative
13.	Mr. Gacheche	Co-opted Student

I take this opportunity to welcome the new members to University Council.

I also wish to thank the following members of Council who retired during the year, for their invaluable service.

- 1. Prof. S.O. Keya Vice-Chancellor
- 2. Mrs. Nyiva Mwendwa Member
- 3. Mr. J.B. Kangwana Honorary Treasurer
- 4. Mr. B. Kiplagat Member
- 5. Eng. W.P. Wambura PS, Ministry of Public Works
- 6. Mr. J.N. Mbugua Member

I wish to thank the University Council under the Chairmanship of Mr. J. T. arap Leting for continued invaluable guidance and support without which we would not have attained our current level of performance. The Council is assured of continued tireless cooperation by the entire University community.

Finally, I wish to thank our Chancellor and the Kenya Government for the continued assistance extended to the University.

REPORT OF THE AUDITOR-GENERAL (CORPORATIONS) ON THE ACCOUNTS OF MOI UNIVERSITY FOR THE YEAR ENDED 30 JUNE, 1994

I have examined the accounts of Moi University for the year ended 30 June, 1994 in accordance with Section 29(2) of the Exchequer and Audit Act, (Cap. 412). I have obtained all the information and explanations which were considered necessary for the purpose of the audit. Proper books of accounts have been maintained by the University and the accounts which have been prepared under the historical cost convention are in agreement therewith and comply with Moi University Act, 1984.

Except for the reservations referred to herebelow, in my opinion, the accounts, when read together with the notes thereon, present a true and fair view of the financial state of affairs of the University as at 30 June, 1994 and of its deficit for the year then ended.

1.0 FINANCIAL POSITION

During the year under review the University incurred a deficit of KShs.30,763,000.00. As indicated in Note 16 to the accounts, Moi University Club also contributed to the deficit of KShs.30,763,300.00 in that the Club incurred a deficit of KShs.1,545,000.00 during the year under review (1992/93 – KShs.1,288,000.00). The Balance Sheet further reflects a negative working capital of KShs.348,346,000.00. The University has continued, as previously reported, to experience cash flow problems. These accounts have, therefore, been prepared on a going concern basis with an assumption that the University will continue to get financial support from the Government, its creditors and its bankers.

2.0 CHEPKOILEL CAMPUS

2.1 In paragraph 2.0 of the report on the accounts for the year ended 30 June 1992, I indicated that although the Moi Teachers College had been taken over as a constituent college of Moi University, it had not been officially handed over to the University by the parent ministry. Reference was also made in the same paragraph to the list of assets and liabilities which had been taken over and which had not been agreed on. It was further mentioned that some of the fixed assets had been excluded from the accounts for that year because they had not been valued. A review of the position at the time of signing this report reveals that the official handing over has not taken place. The University has, however, stated that it is in the process of having the fixed assets valued and of acquiring the Title Deeds for the land on which the campus stands. Until these issues are resolved, the Balance Sheet Fixed Assets figure cannot be confirmed correct.

2.2 In paragraph 2.0 of the report on the accounts for the year ended 30 June 1993, I referred to a loss of KShs.2,600,000.00 and indicated that the suspects of the fraud had been charged in a court of law. I also referred in the same paragraph to the payment of KShs.108,720.00 made on 21 October, 1992 for the supply of books to the Campus Library against proforma invoices and further added that these books had not been received. A review of the position as at the time of signing this report indicates that the court case relating to the loss of KShs.2,600,000.00 has not been determined and that the books valued at KShs.108,720.00 have not been received.

3.0 Post-Graduate Stipends

It was observed that some post-graduate stipend payments which were made through petty cash, open cheques and to personal bank accounts were for post graduate students who had discontinued their studies or who had joined University as graduate assistants and were, therefore, not entitled to post-graduate stipend. Amounts erroneously paid to some 19 individuals between November 1992 and June 1994 amounted to KShs.1,105,396.00. These erroneous payments appear to be as a result of weakness in the internal control system.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30TH JUNE, 1994

ACCOUNTING POLICIES

1. The accounts are prepared in accordance with the historical cost convention. The following are the principal policies adopted by the University.

(a) Grants and Fees

Income from grants and fees represents amounts receivable relative to current financial year. Other income represents amounts receivable from services rendered during the year.

b) Depreciation

Depreciation is calculated to write off the cost of the fixed assets on a straight line basis over the expected useful lives of the assets.

Motor Vehicles/Motor Cycles 25% Plant and Equipment 12% Furniture and Fittings 12% Bicycles 30%

Depreciation on buildings has not been provided for as this becomes the subject of special grants when such replacement is necessary.

c) Stocks

Stocks are valued at the lower of the cost and net realisable value. Books and teaching materials are written off in the year of acquisition.

2. Specific Purpose Revenue Grants

These have been treated as either accounts receivable or payable as applicable depending on the degree of materiality.

3. Pension Scheme

With effect from July 1991 the University is operating a Pension Scheme Fund for both Senior and Middle Level staff.

4. Land

- a) A five acre land and equipment donated by Mr. W. Saina for the purpose of Research Project has not been included in the accounts pending valuation and receipt of Title Deed.
- b) A two hundred acre piece of land at Gwasi Donated by Chief Daniel Brayya and family for purposes of Research has not been included in the accounts pending valuation and receipt of Title Deed.
- c) A 35 hectare piece of land at Sabaki near Malindi in Kilifi District donated by the Kilifi District Development Council to the School of Environmental Studies for the purpose of Research has not been included in the accounts pending valuation and receipt of Title Deed.
- d) A hundred hectare piece of land at Homa Hill forest in Homa Bay District donated by the Ministry of Forestry and Natural Resources, has not been included in the accounts.

5. Contingent Liabilities

As at 30th June, 1994 the University guaranteed facilities for Car, Housing and Furniture Loans to staff with National Bank of Kenya amounting KShs. 5,984,323.65. The contingent liability is amounting to KShs.22 million.

6. Legal Form

Moi University is a body corporate established in Kenya under the Moi University Act, 1984. However, Moi University and Chepkoile Farms are departments of the University and are not separate legal entities.

7. CURRENCY

The accounts are expressed in Kenya Currency. The amounts are rounded up to the nearest thousand shillings.

- 8. Equipment worth KShs. 33 million taken over from former Moi Teachers' College has not been included in the accounts since the values of individual items have not been ascertained.
- 9. Although the necessary registers and binders have been procured for the purpose of maintaining a detailed fixed assets register, administrative matters such as the official naming of buildings, the marking of existing permanent assets and lack of handing over certificates for most of our buildings have hindered its take-off in this financial year.
