Re: Petition to Investigate Environment degradation and Irregular dumping of Landfill in Kajulu, Kisumu East.

I Hon. Shakeel Shabbir Ahmed, M.P Kisumu East on behalf of the constituents of Kajulu, Kisumu East wish to petition the Senate to investigate the matter mentioned above.

The matters of concern are:

1. That there was no meaningful public participation process conducted despite the fact that this exercise is going to affect the environment of Kajulu in that the pits in which the waste is being dumped has already breached the second aquifer of underground water.
2. The dumping of waste in a private site in Kajulu has drastically dropped the value of the property in the area.
3. The landfill site is directly in the flight plan leading to Kisumu Airport.
4. Despite various request no Environmental Analysis has been shared with the Leaders.
5. As the Member of Parliament of Kisumu East, I have not been engaged or advised in any way. Other leaders of Kisumu East are likewise in the dark.
