I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) formerly Constituencies Development Fund (CDF), is established under the NG-CDF Act 2015 as amended in 2016. The Act is a successor to the Constituencies Development Fund (CDF) Act of 2003 which initiated the Fund and its subsequent amendments/reviews of 2007 and 2013. At cabinet level, NG-CDF is represented by the Cabinet Secretary for the Treasury, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided 'under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

Core Values

- 1. Patriotism we uphold the national pride of all Kenyans through our work
- 2. Participation of the people- We involve citizens in making decisions about programmes we fund
- 3. Timeliness we adhere to prompt delivery of service
- **4.** Good governance we uphold high standards of transparency, accountability, equity, inclusiveness and integrity in the service of the people
- 5. Sustainable development we promote development activities that meet the needs of the present without compromising the ability of future generations to meet their own needs.

Functions of NG-CDF Committee

The Functions of the NG-CDF Committee is as outlined in section 11 of The National Government Constituencies Development Fund Regulations, 2016.

(b) Key Management

The Lamu East Constituency NGCDF day-to-day management is under the following key organs:

- i. National Government Constituencies Development Fund Board (NGCDFB)
- ii. National Government Constituency Development Fund Committee (NGCDFC)

(c) Fiduciary Management

The key management personnel who held office during the financial year ended 30th June 2021 and who had direct fiduciary responsibility were:

No	Designation	Name
1.	A.I.E holder	CPA Kumbatha Josef
2.	Sub-County Accountant	CPA Kimani Geoffrey
3.	Chairman NGCDFC	Ali Kassim Msalam
4.	Member NGCDFC	Khadija Swabir Mohamed

(d) Fiduciary Oversight Arrangements

The Audit and Risk Management Committee (ARMC) of NGCDF Board provide overall fiduciary oversight on the activities of Lamu East Constituency NGCDF. The reports and recommendation of ARMC when adopted by the NGCDF Board are forwarded to the Constituency Committee for action. Any matters that require policy guidance are forwarded by the Board to the Cabinet Secretary and National Assembly Select Committee.

II. NGCDF COMMITTEE CHAIRMAN' S REPORT

I am pleased to forward the Financial Statements and Reports for NGCDF Lamu East Constituency for the period ended 30th June 2021 as the expended Budget for the Financial Year 2020/2021. The actual receipts from the NGCDF Board for the referred period was kshs.113,400,000 which represents kshs.110,900,000 out of the total annual Project Proposal Budget for the FY 2020/2021 of kshs.137,088,879.31, being 81% of the annual allocation. Outstanding Disbursements held pending at the NGCDF Board is kshs.26,188, 879.31, representing 19% of the Annual Budget Proposal. The actual final budget for the referred period was kshs.207,171,849 backed up by an Adjustment (cashbook opening balances) of kshs.67,582,970 and ksh.2,500,000 being outstanding receipts from previous financial years. Total expenditure for the period was kshs.178,323,616 which is equivalent to 86% of the actual final budget closing with a cashbook balance of kshs.2,659,354 and outstanding pending disbursements of kshs.26,188,879.31 totaling to unutilized budget balance of kshs.28,848,233 being 14% of the Final Actual Budget for the referred period

Budget allocations for the period have been summarized in a pie-chart as captured below

1. SECTOR ALLOCATION OF FINAL BUDGET FOR FY 2020-2021

As depicted in the pie-chart, education has remained a major priority as it takes a lion's share of the entire budget totaling 49% comprising of 25% being for education infrastructure projects such as construction of classrooms, dormitories, libraries, laboratories, administration blocks, ablution blocks among others and 24% being bursaries for needy and bright students both in secondary and tertiary institutions of learning and provision of social security programs through NHIF comprehensive medical cover for vulnerable families within the constituency. Coming in second as a major beneficiary of the funds allocation is security which is understandable due to the perennial threats posed by the porous boarder shared by Kenya and her neighbor - Somalia that have seen the Al-shabaab militants continuously invading the Boni forest area of Lamu East Constituency.

Environment allocation has gone along way to conserve the environment through implementation of projects such as construction of VIP toilets to improve waste disposal, provision of rain water harvesting equipment and planting of trees in schools and public compounds.

Sports allocation has awoken talents harnessing for the youths as they engage in various sporting activities and competitions.

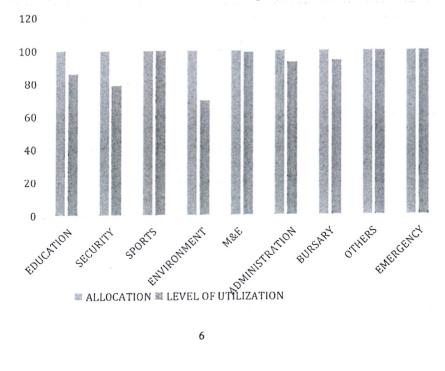

Emergency allocation has come in hand to arrest life threatening calamities mostly caused by mother nature that may not have been prior planned for as they are unforeseen in nature Administration allocation capacitates the committee to manage the fund efficiently and effectively

2. PROJECTS OUT PUT AND LEVEL OF FUND UTILIZATION

The low level of project implementation was due to delays occasioned by late disbursements of funds by the NGCDF Board as by closure of the FY 2020-2021 on 30 June 2021, a whooping kshs.26,188,879.31 of the year's proposed and approved budget of kshs.137,088,879.31 was still pending at the NGCDF Board Head Quarters.

The untimely and inconsistent trickling of funds from the NGCDF Board coupled with the bureaucracies in the procurement laws, posed a challenge in expending the annual budget within the required time frame

Hence the less than 100% utilization as shown in the bar-graph below

PERENIAL ISSUES

Lamu East Constituency suffers from pre-independence challenges of;

- i) Diseases, illiteracy and poverty
- ii) Transport is hampered by lack of roads on the islands and the ocean
- iii) Insecurity caused by pirates and now terrorists

As a result, the fund has continuously endeavored to lead in the fight against illiteracy by supporting education 100% through infrastructure development and students sponsorship, construction of security facilities notable chief's offices and police posts in every village of the constituency and more so insecurity hot spots.

EMERGING ISSUES

- i. Economic collapse caused by covid-19 pandemic
- ii. Climatic changes causing droughts, unpredictable rainfall and unusual rough seas
- iii. Ban on dawn to dusk fishing
- iv. Ban on mangrove harvesting
- v. High rural-urban migration by youth due to joblessness thus stripping the islands of much needed man-power for development

Despite a few challenges here and there, NG-CDF continues to be one of the most preferred devolved funds at the grassroots by the society due to its broadened and inclusive management style and the visible tangible results that have brought hope to many villages that not so long ago were leaving in despair and ravaging poverty.

Forward by;

Ali Kassim Msalam

Chairman - NGCDF Lamu East Constituency

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

Lamu East Constituency is mainly made up of Patte, Ndau, Kiwayu islands and the mainland Boni forest. Thus the main economic activity is fishing and tourism. Arable land is very limited though the population practice some crop production mainly food crops such as maize, beans, green grams and sim-sim. They also keep some livestock such as cows and donkeys.

The constituency has people of diverse culture that co-exist and participate in the development of the constituency but majority of the population is composed of the Bajuni community

Majority of the population is poor and records high illiteracy rate and perennial food deficit. This is one of the biggest challenges that faces the population of Lamu East Constituency. In terms of infrastructural development, the constituency lags behind in poor road network, inadequate safe drinking water, schools, security infrastructure and health facilities. The non-existence of a developed road network has resulted into the usage of dhows and donkeys as the main means of transport.

Majority of the population of Lamu East Constituency derive their livelihood from fishing, subsistence agriculture and livestock keeping. The area experiences unreliable rainfall and the population has perennial shortage of food and has repeatedly to depend on the government for food relief. Thus 65 per cent of the populations are food poor, 43 per cent are hardcore poor meaning that they cannot meet the basic minimum food requirements even after spending all their income on food alone. About 60 per cent of the adult population cannot meet the minimum cost of food and non food items essential for human life hence are absolutely poor. In terms of gender, 45 percent of the poor are male and 55 percent are female. The highest poverty incidence is found in the hinterland Boni forest areas of the constituency where the Boni community live as hunters and gatherers.

Lack of sufficient and reliable sources of potable water supply and sanitation services in Lamu East Constituency have greatly contributed to the high poverty levels inherent of the area. Provision of readily available potable water supply and improved sanitation will impact positively on the livelihoods of the communities by availing adequate time for engagement in farming and other economic activities, eradication of water borne related diseases, improved food security and better health care services.

The constituency has endeavored to come up with strategic objectives and related programmes and projects that have been formulated to better the livelihoods of the constituents as envisaged in the five year strategic plan (2018-2022). This is a commitment by the Lamu East NGCDF Committee to initiate projects for a period of five years that is expected to transform the livelihoods of the constituents for the better.

The vision statement is "To be a leader in promoting citizen's driven socio-economic programmes for sustainable development".

The strategic objectives include:

- To improve the quality of the socio-economic well-being of the marginalized and vulnerable local communities.
- To contribute in enhancing infrastructure improvement.
- To promote conservation and management of the environment.
- To contribute in reducing unemployment among the youth in the constituency
- To develop and sustain institutional capacity of Lamu East Constituency NGCDF Committee

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

The key development objectives of NGCDF Lamu East Constituency's 2018-2022 plan are to:

Constituency	Objective	Outcome	Indicator	Performance
Sector				
Education	To have all children of school going age attending school	Increased enrollment in primary schools and improved transition to secondary schools and tertiary institutions	Number of usable physical infrastructure build in primary, secondary, and tertiary institutions Number of bursary beneficiaries at all levels	In the FY 2020/2021 we increased number of classrooms, furniture, sanitation blocks, Multipurpose halls, Administration offices, etc in the following institutions - Kiunga Primary School supply of furniture - Faza Boys Primary School supply of furniture - Patte Girls secondary school completion of science laboratory - Siyu secondary school supply of furniture - Mbwajumwali secondary school multipurpose hall - Mbwajumwali secondary school Administration block - Bursary beneficiaries at all levels were sponsored with tuition fees totaling kshs.40,000,000
Security	To have all government security agencies within the constituency provided with	Heightened security within the constituency that guarantees safe working environment and peaceful co-	Number of police posts constructed and furnished Number of chiefs offices constructed and furnished	In the FY 2020/2021 the following infrastructure was implemented:Lamu East Sub-county Head Quarters at Faza - Lamu East Sub-county Police Head Quarters at

Environment	administration offices and secured working environment	existence of communities and improved service delivery to the citizens	Number of tree	Kizingitini Police Station - Chief Offices at Kiunga, Siyu, Patte, together with furniture of chief offices at Ndau, Kiwayu, Mbwajumwali and Tchundwa In the FY 2020/2021, we

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

Lamu East NGCDF exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely, Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile -

To ensure sustainability of Lamu East NGCDF, the committee funds the following key sectors with the following sustainable priorities.

- a. Education and Training: Lamu East NG-CDF focus on human capital for constituency development is entrenched in its strategy to support needy and bright students from each ward of the constituency. The intention is to empower the constituents such that in years to come, the beneficiaries at secondary school levels would have transitioned to Tertiary institutions while those at tertiary level would have transitioned to the job market as employees or employers thereby contributing positively to the economic growth of the constituency. This strategy takes care of both marginalized groups including girls and people living with disabilities.
- b. Security Sector Support: Among its key pillars; NGCDF has security as a priority area with intention to provide better working environment for the security providers within the constituency as well a secure constituency. The strategy is to have a long-term collaborative working approach that enhances community engagement in security activities. This is aimed at eliminating crime and vices in the long run by providing a better working environment for the law enforcement agencies while collaborating with community in trust on matters of security.
- c. **Environment:** The Constituency acknowledges that all its operation has an impact on environment. Cognizant of the Sustainable development goals, the NG-CDF has allocated part of its budget on environment conservation through activities such as tree planting, water conservation, sensitization forums for aggro-forestry as well as best practices to reduce soil erosion.
- d. **Sports:** The NG-CDF has taken sports as a key pillar of cohesion and integration. To sustain this pillar, the strategy taken is that of developing skills through sports with intention of identifying, nurturing talent and encouraging physical fitness among the constituents.

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid-19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. On macro levels FY 20/21 has been a challenging year with limited funding towards these activities which may hamper the success of priority strategies undertaken.

2. Environmental performance

Environment Policy and Action Plan

Protection of the environment in which we live and operate is part of Lamu East NGCDF initiatives

Care for the environment is one of our key responsibilities and an important aspect in the way in which we carry out our operations.

Our Environmental Policy

In this policy statement Lamu East NGCDF commits to:

궥 Comply with all relevant environmental legislation, regulations and approved codes of practice

궥 Protecting the environment by striving to prevent and minimize our contribution to pollution of land, air, and water

궥 Seeking to keep wastage to a minimum and maximize the efficient use of materials and resources

궥 Managing and disposing of all wastage in a responsible manner;

궥 Providing training for our CDFC and staff so that we all work in accordance with this and within an environmentally aware culture

궥 Regularly communicating our environmental performance to our employees and other significant stakeholders

궥 Developing our management processes to ensure that environmental factors are considered during planning and implementation

궥 Monitoring and continuously improving our environmental performance.

궥 Seeking to leverage our environmental impact by encouraging stakeholders to improve their environmental performance

Our Environmental Action Plan

Lamu East NGCDF has identified four areas in which we as an office have direct or indirect environmental impact, and where we can implement initiatives to manage and reduce these impacts. These four areas together with our approach and targets for each are shown below:

impacts. mes	se four areas together with our approach and targets for each are shown below.
Impact Area	Approach
Capacity Building	Promote environmental awareness by sensitizing the LamuEast NG-CDFC, NG-CDFC staff and PMCs on good conservation practices
	 To encourage, through regular communication to Lamu East NG-CDFC, staff, and other stakeholders changes in individual behaviour to reduce usage
Conservation of	To maximize use of available technologies to remove the need to use paper
Energy and Resources	To encourage our clients to engage with us using electronic means where possible
	To maximize on rain water harvesting
	To make energy efficiency a key factor in the selection of any new energy devise being purchased
	To invest in available energy saving technologies and devices within our existing premises
Environmental	 To promote use of volt guards to control power surges
Protection and	We have constructed culverts and gabions to prevent soilerosion
Conservation	To encourage tree planting in the constituency to improve the forest cover.
	 To promote purchase and installation of fire extinguishers to aid in extinguishing and controlling fires
Pollution Control	To ensure that all paper waste is recycled
and Waste	To ensure segregation of waste
Management	 To ensure proper human waste disposal through construction of pit latrines, septic and soak pit tanks

3. Employee welfare

We invest in providing the best working environment for our employees. Xxx constituency recruitment is guided by Employment Act, NGCDF Act and other regulations as issued from time to time. In line with the law and regulations, the Constituency offers equal opportunity to all while adhering to the one third gender rule and special groups. We also Recognize and appreciate of our employees for exemplary performance. The reward and sanctions system is based on performance appraisal.

The constituency promotes a healthy lifestyle and provides all employees with health insurance cover through a reliable insurance Scheme. Employees are encouraged and supported to continually build on their skills and knowledge. Lamu East constituency invests in capacity building programs for employees. These include courses on technical competencies relevant to each employee and continuous sensitization on cross cutting issues.

The committee has a policy on safety in compliance with Occupational Safety and Health Act of 2007, (OSHA) and has ensured the work environment is conducive for everybody in terms of movement and accessibility within the office. The Constituency has also put in place disaster mitigating measures including fire extinguishers and accessible escape routes in case of emergency.

4. Market place practices-

Lamu East NGCDF Constituency is committed to fair and ethical market practices.

The Procurement of goods and services is done through a transparent and competitive bidding process that allows equal opportunities to all participants. We support local vendors drawn from the constituency for purposes of uplifting them economically. Our ethical market practices ensure the fund get value for money on all goods and services procured.

We are also committed to healthy relations with our suppliers which is enhanced through organized sensitization forums that relate to the procurement legal framework and ethical subject matters. We are dedicated to honoring all contracts and settling payments promptly.

NGCDF has put in efforts to ensure:

- a) Responsible competition practice by encouraging fair competition and zero tolerance to corruption
- b) Good business practice including cordial Supply chain and supplier relations by honoring contracts and respecting payment practices.
- c) Responsible marketing and advertisement
- d) Product stewardship by safeguarding consumer rights and interests

5. Community Engagements-

Lamu East NGCDF has endeavored to sustain community engagement through CSR as well as appreciating our existence through engaging local contractors and suppliers when necessary. We have also engaged the community through sports and community projects.

Public Participation in Project Identification and Implementation and Monitoring

The NGCDFC deliberated on project proposals from all the wards in the constituency and considered the most beneficial to the constituency, considering the national development plans

and policies and the constituency strategic development plan. The identified list of priority projects, both immediate and long term, was submitted to the NG CDF Board in accordance with the Act.

Public participation is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision.

The NG CDFC during bursary programme, engaged the community through the community leaders to identify the needy students to be awarded with the bursary.

Public Awareness

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community - based needs assessments and public awareness campaigns and holding community meetings.

Lamu East NG-CDF have continually practiced public participation and public awareness during project identification and proposal collections in all the wards in the constituency.

V. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF Lamu East Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF Lamu East Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the constituency's financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2021, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF Lamu East Constituency further confirms the completeness of the accounting records maintained for the constituency, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF Lamu East Constituency confirms that the constituency has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the constituency's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF Lamu East Constituency financial statements were approved and signed by the Accounting Officer on __20 April,2022.

Enhancing Accountability

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - LAMU EAST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazetted notices, circulars, quidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Lamu East Constituency set out on pages 17 to 53, which comprise of the statement of assets and liabilities as at 30 June, 2021 and the

statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Lamu East Constituency as at 30 June, 2021 and its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

Unsupported Bursaries to Tertiary Institutions

The statement of receipts and payments reflects other grants and transfers balance of Kshs.116,646,672 as disclosed in Note 7 to the financial statements. The amount includes payment of bursaries to tertiary institutions amounting to Kshs.25,389,818. However, payments amounting to Kshs.14,854,000 were not supported with acknowledgement of receipt of the bursaries by students and the respective institutions. Further, the payments relate to bursaries to secondary schools and not tertiary institutions.

In the circumstances, the accuracy and completeness of bursaries to tertiary institutions of Kshs.14,854,000 could not be confirmed .

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Lamu East Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The summary statement of appropriation reflects final receipts budget and actual on comparable basis of Kshs.207,171,849 and Kshs.180,982,970 respectively resulting to

an under funding of Kshs.26,188,879 or (13%) of the budget. Similarly, the Fund spent Kshs.178,361,765 against an approved budget of Kshs.207,171,849 resulting to an under-expenditure of Kshs.28,810,084 or (14%) of the budget.

The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the public.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Irregular Emergency Projects

The statement of receipts and payments reflects other grants and transfers of Kshs.116,646,672 as disclosed in Note 7 to the financial statements. Included in the expenditure is Kshs.7,192,558 in respect to emergency expenses out of which four (4) projects with a total cost of Kshs.5,692,558 were not of emergency nature as required by Section 8(3) of the National Government Constituencies Development Fund Act, 2015. Further, the expenditure from emergency reserve was not reported to the Board within thirty days of occurrence of the emergency contrary to Regulation 20 (2) of the National Government Constituencies Development Fund Regulations, 2016.

In the circumstances, the Management was in breach of the law.

2. Delay in Construction of Sub County Headquarter

Physical verification in April, 2022 of the construction of phase two (2) sub county headquarters with a contract sum of Kshs.12,000,000 revealed that the works were incomplete with plastering, electrical works and plumbing works still pending. Further, contract period had lapsed by one hundred fifty (150) days and no evidence of extension was provided for audit.

In the circumstances, value for money may not be obtained for the resources already spent on the project.

3. Delay in Project Implementation

Analysis of the project implementation status report revealed that Management had planned to implement fifty-one (51) projects with a total allocation of Kshs.80,522,206. However, only two (2) projects were completed, thirty-two (32) projects with total allocation of Kshs.56,222,206 were on-going while seventeen (17) projects with total allocation of Kshs.23,300,000 had not been started. In addition, three (3) rollover projects amounting to Kshs.21,000,000 remained incomplete as at April, 2022.

In the circumstances, value for money may not be obtained from the delayed projects.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

Lack of Ownership Documents and Incomplete Fixed Assets Register

Annex 4 of the financial statements reflects a summary of fixed assets register with an historical amount of Kshs.20,841,943 as at 30 June, 2021. However, a review of the fixed assets register and other supporting documents maintained by the Fund revealed the following anomalies:

- (i) The land parcel that houses the Fund's building did not have ownership documents.
- (ii) Two boats owned by the Fund were not functional and ownership documents (Log books) for the two boats were also not provided for audit review.
- (iii) The assets were not tagged and could therefore not be clearly identified.

In the circumstances, the internal controls of the Fund could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to the sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act. 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in

which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS AUDITOR-GENERAL

Nairobi

23 September, 2022

Other Payments	0	4,677,027	0	4,677,027	4,677,027	0	100%	
Funds pending approval**	0	0	0	0	0	0	0%	
TOTALS	137,088,879	67,582,970	2,500,000	207,171,849	178,361,765	28,810,084	86.1%	

^{***}Funds pending approval are sums not yet approved by the board for utilization and include approved allocations and/or AIA not yet allocated for specific projects.

Budget was full funded with disbursements for the financial year from the NGCDF Board, Cashbook balances brought forward from previous financial years and Previous year's outstanding disbursements that were received during the financial year. Approved budget for the financial year 2020/2021 was kshs.137,088,879. kshs.67,582,970 is cashbook opening balances brought forward from previous financial year while kshs.2,500,00 is funds that had been outstanding for disbursement at the NGCDF Board but received during the financial year. Thus the total financial budget available for expending during the year under review was kshs.207,171,849. Actual on comparable basis is (Receipts)kshs.180,982,970 which is equivalent of 87.4% of total financing budget and Total expenditure for the period (Payments) kshs.178,323,616 being 86.1% of the total financing budget leaving a closing Cashbook balance of kshs.2,659,354.

Disbursements outstanding from the NGCDF Board by closure of business at end of financial year totaled kshs.26,188,879. The balance utilization difference of kshs.28,848,233 is therefore a summation of the closing cashbook balance - kshs.2,659,354 and the pending disbursement of kshs.26,188,879

The under-utilization of funds in all sectors, i.e Compensation of employees (90.9%) is a balance available after the financial year which cushions the employees till funds for the succeeding financial year are received. In Transfers to Other government units (85.7%) and Other grants and transfers (84.7%), these are the funds outstanding for disbursement from the NGCDF Board

Reconciliation of Summary Statement of Appropriation to Statement of Asse	ets and Liabilities
Description	Amount

Lamu East Constituency

National Government Constituencies Development Fund (NGCDF) Reports and Financial Statements for The Year Ended June 30, 2021

XIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) Payables that include deposits (gratuity and retention).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF Lamu East Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

a) Recognition of Receipts

The entity recognizes all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

Transfers from the National Government Constituency Development Fund (NGCDF)

Transfers from the NGCDF to the constituency are recognized when cash is received in the Constituency account.

Proceeds from Sale of Assets

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

Unutilized Funds from PMCs.

All unutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognized as other receipts upon return to the constituency account.

External Assistance

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

b) Recognition of payments

The Entity recognizes all payments when the event occurs and the related cash has actually been paid out by the entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

In-kind contributions

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

Cash and Cash Equivalents.

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorized public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, Deposits (gratuity and retention) held on behalf of third parties have been recognized on an accrual basis (as accounts Payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfillment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they

are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 4 June 2020 for the period 1st July 2020 to 30th June 2021 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2021.

14. Errors

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa.

PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor and subsequent progress made on the resolution of the issues.

of the issues.								
Reference No. on the external audit Report	Issue/ Observations from Auditor	Management Comments	Status: (Resolved / Not Resolved)	Time-frame: (Put a date when you expect the issue to be resolved)				
4.1	Unsupported Expenditure on Bursary for Tertiary institutions - kshs. 10.023.716 Criteria Section 104(1) of the Public Finance Management (National Government) Regulations, 2015 states that all receipts and payments vouchers of public moneys shall be properly supported by pre- numbered receipt and payment vouchers and shall be supported by appropriate authority and documentation Observations Included in the Other Grants and Transfers balance of kshs. 66, 167,757 reflected in the ledgers to the Financial Statements is an expenditure of kshs. 16,441,516 incurred on Bursary - tertiary. However, examination of payment records availed for audit review revealed expenditure amounting to kshs. 7,323,716 that were not supported with acknowledgement receipts. Further, funds disbursement amounting to kshs. 2,700,000 made to Lamu East Constituency Bursary Fund Committee to facilitate purchase of school uniforms for needy students were not supported with the list of beneficiaries and invoices for their purchases made. Risk(s)/ Effect(s)/ Implication(s) Lack of supporting documents may lead to loss of public funds Recommendations Ensure that all payments are supported fully	Copies of acknowledgement receipts from beneficiary learning institutions had been disrupted by the covid-19 pandemic where transactions of paper documentation was largely discouraged so as to curb the spread of the corona virus. Copies of list of beneficiaries, invoices and delivery notes have been enclosed for support of transaction. These documents were held by the Project Management Committee at the time of the audit and could not be obtained on time due to	Resolved	30 June 2021
